Biographical synopsis of interview:

Mr. Saldaña came to the U.S. to work for the Bracero program in 1943, one year after the start of the program.

Summary of interview:

Mr. Saldaña work here in Ventura County as a Bracero from 1943 - 1944. He worked with only one other Bracero, which happened to be his brother. He gives much thanks to God for bringing him here and for the gifts he has been given.

Please note: Mr. Saldaña had four dogs, and even though the dogs were outside of the house, they still barked frequently and very loud, causing lots of background noise.
