Subject: Letter to the Editor - The Good Earth

Matt,

Thank you for Bonnie Weigel's story "The Good Earth" - it is wonderful, beautiful and heart felt. Feeding the hungry is a great blessing. I am impressed she has 320 Volunteers and over 150 partners; I am sure the numbers will grow under Bonnie's leadership and with this Ventana story. Congratulations to the Volunteers and Bonnie's family, who will share in her work and blessings.

I have operated several non-profits in my lifetime and have found that it is the caring spirit and the issue of need that makes for success; money is important, but not the key to a successful operation. Bonnie brings a winning spirit to Food Share, I am sure it will succeed.
