SACRAMENTO

Mrs. Daniel Tolmach

Oxnard, California

Dear Jane:

It was good to hear from you and I appreciate your thoughtfulness in suggesting some sort of a meeting while I am in Ventura. Unfortunately, as my plans are developing, I will probably only be able to dash up for the Rotary meeting, and then dash right back to Los Angeles. Thus there will be no time for any other meeting, although I do hope to at least get a glimpse of you before or after lunch.

I do hope you can find out if there is any problem at the Star that is preventing full coverage.

Am delighted the Press Courier is doing so well by us. Hoping to see you and with warmest regards.

Cordially,

ALAN CRANSTON
