Dear Jane:

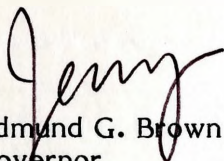

Thank you for your contribution to my United States Senate campaign.

The 1982 elections offer Democrats a real opportunity. The challenge is to present a viable alternative to current national policy. My candidacy represents that alternative.

With your continued support, we can build a base that will bring new California leadership to Washington.

I deeply appreciate your loyalty. Together we will meet the challenge and win in 1982!

Sincerely,

Edmund G. Brown Jr.  
Governor
