LV residents earn high praises

Jewish Women give award to Mae Mendelson

National Council of Jewish Women (NCJW), Camarillo Section, recently honored Leisure Village resident Mae Mendelson, one of their members, with the prestigious Hannah G. Solomon award.

This award is reserved for a special person and has not been given by the Camarillo Section for many years.

Ms. Mendelson epitomizes the intent of the award. She is a tireless volunteer, and through her efforts as Membership Vice President, she has brought many new members into the fold.

National Council of Jewish Women was founded in 1893 by Hannah G. Solomon and is the oldest national Jewish women's

volunteer organization in America.

National Council's 100,000 members dedicate themselves to helping people of all races, religions and economic backgrounds through a combined approach of advocacy, community service, education

and research. Their creed is to advance the well-being and status of women, children and families, to enhance the quality of Jewish life, to protect the individual and civil rights, and to support a secure Israel and the well-being of all its people.

USC honors Prof. Emeritus Bill Himstreet

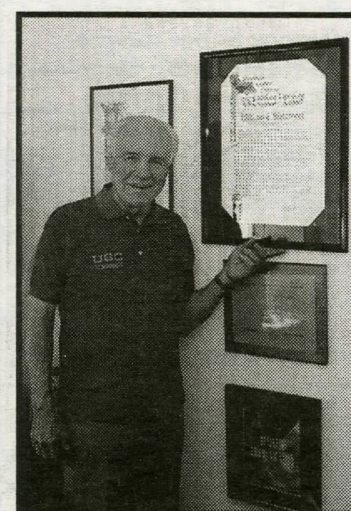

By Jack Whalen

A Faculty Lifetime Achievement Award was presented to Bill Himstreet during recent ceremonies at the University of Southern California.

Bill, professor emeritus at the USC Marshall School of Business, just marked the 50th anniversary of his first full-time appointment at the university.

He was recognized as an outstanding scholar, teacher, author, mentor, leader and colleague. A classroom at the school bears his name, and his students raised the funds to redesign the room, a testament to his popularity as both a professor and an administrator.

In the new edition of the LV Community Directory, an article was printed on Page 4 about the Sept. 11, 2001, Memorial Tree planting. The article stated, in part, that "one of our clubs" held a memorable and touching event, etc.

For those Villagers who unfortunately did not witness that event, the "club" was the New York Club. It took a lot of effort and perseverance to put the program together. We did it because it was the right thing to do and not for the publicity. Our club motto is "We love California and we cherish New York." This tragedy happened in our city, and for some of us, practically in our back yard. If an article were to be written, then credit should be given where credit is due.

We therefore want to thank GM Randy Watkins for taking the time to apologize for the inadvertent error. We received full cooperation from Administration when we set up the event, and again now.

Thanks again from the New York Club.

— Milt Eisner, V. 15

I was appalled by the recent decision of the LV Board of Directors, announced in the Village Voice, to discontinue the contract for pest services for ants, spiders and snails. I trust that many of you will agree with my reasons, stated here, for the reinstatement of these services, and will join me in this appeal to our Board.

The reasons for Board's action, given to me, were (1) that this will save \$20,000 per year, and (2) that not many homeowners availed themselves of this service. From now on, any homeowner requiring this

Y.N.C.G. Health Fair a success

More than 200 people attended the Annual Health Fair put on by Your Neighbors Care Group (Y.N.C.G.) It was held on Sunday, March 16.

Y.N.C.G. has been sponsoring these Health Fairs for a number of years. Blood tests and screenings are provided for a nominal charge.

service will have to call a spraying contractor and pay for it.

The fact that not many homeowners required this service last year is not a good argument. Very few of our homes go up in smoke; does that mean we should not have fire insurance?

Let's examine the financial aspects. My call to the contractor listed in the Village Voice revealed that the charge to a homeowner

for a single spraying is \$40 for one pest (e.g. ants), or \$49 for more than one pest. If you sign up for monthly sprayings (four months minimum), then the charge is \$28.50 per visit, or \$94 minimum.

The stated \$20,000 sav-

ings per year equals an assessment reduction of less than \$10 per year per home. If you have an invasion of ants (as many of us do some years) and/or snails or spiders, your cost of spraying will be equivalent to at least four years of

above savings — probably more. This means that if the invasion of pests occurs more often than once every four to six or eight years, you will lose on this deal.

But it's much worse than that! These pests are not very considerate; unless controlled, they tend to move from home to home. If my neighbor's home has been infected, I must depend on her to pay for spraying, or I will have to. So this must not happen to me or to my neighbors in less than eight to 16 years, or we all lose on this new deal!

In real life, it's still worse. Think what it means for us homeowners to have to call the spraying contractor individually. In this day and age, I dread to think! Will they want to come? How soon will they show up? Will the price they quote today increase? Who wants to bet?

Ants, especially, have always been a problem here — near epidemic attacks have arisen in some years in the past. We, i.e. the Association, should shoulder collectively the responsibility for controlling this, especially since some of these problems do and will affect the common areas. Indeed, some of the invasions of homes by ants, snails or spiders do come from, or at least involve, the common area.

I appeal to the Board to please reinstitute the con-

tract to provide pest spraying service to homeowners at an estimated increase in assessment of around 3 cents per day. Please do so without delay. I ask all Villagers to join me actively in requesting this by writing to the Board, speaking up at meetings, calling, or whatever — peacefully, of course.

— Ed Hawthorne, V. 42

I was reading the most recent issue of "Inside Leisure Village" the other day, and, as per usual, there were letters that invited all residents of Leisure Village to put aside differences and start working together to make this place where we live the very best it could be. They were letters that embodied reasons why Leisure Village was the best place where the writer had ever lived, and, unfortunately, one that criticized both our current Board president, Carol Sweeney, as well as the Board's costly and indiscriminate use of lawyers to obtain legal advice.

I'm sure that Carol can speak for herself, but, as a Board member, I refuse to sit quietly and keep my mouth closed when I see such uncalled-for criticism, particularly when, in my opinion, it is completely unjustified.

Your Board of Directors has received sufficient positive legal advice justifying our security's use of flashing lights and sirens within the confines of Leisure Village, a completely private entity. In an emergency, not only do minutes count, but even seconds can be the difference between life and death. The time factor is what's most important. That being the case, then the use of flashing lights, as well as the expeditious use of sirens when it becomes necessary, certainly makes good sense to me.

No doubt, we have all heard, both in letter form as well as verbal form, the many praises being given on behalf of our security.

And, as far as legal costs

are concerned, in my humble opinion, it's better to be safe than sorry. I think that all residents of Leisure Village are cost-conscious, but, when involved with legal matters, since practicing law without a license can have very serious consequences, I feel that the hiring of an attorney to do the investigation of any and all legal ramifications is not only necessary but completely justified.

— Jack D. Prosen, V. 41

This letter is about rumors, which is defined as "unverified information of uncertain origin usually spread by word of mouth."

While serving on the Board and still active in the Women's Club Trading Post, the Village was in dire need of storage space. It was the Board's decision to make space in the annex by removing some shuffleboard courts. Then a member of the PRC was put in charge of constructing storage spaces for various clubs and the Rec Center, which was done by erecting several

steel fencing cages. But since the trading Post needed a higher structure to stack stored items, the PRC Rep installed three rows of barbed wire along the top of the cage. Several residents complained to the Board, and the Board, not realizing the impact of this addition, had it immediately removed. Rumor had it that I ordered this type of addition, which was totally false.

Later, our GM resigned to accept a better position, and without an Office Manager, it was felt that Board members should cover the office and support the staff when decisions needed Board approval. I was the only one willing to spend the necessary time in the office. I did not direct daily operations, nor did I interfere in their daily workings, and I certainly did not micromanage.

I felt these two rumors needed to be clarified once and for all, and only mention this to show how hurtful and destructive rumors can be.

— Donna M. Duke, V. 7

Here's why Emergency Information Survey Sheets are important

By Bill Robinson

Why are the Emergency Information Survey Sheets important?

The LV Emergency Services Organization (ESO) and LV Security are attempting (and training) to be prepared to deal with emergencies such as toxic chemical spill, earthquake,

fire, power outage, etc.

Depending on the type and severity of the emergency, certain people in the Village may need immediate assistance, and others may be capable of giving aid.

For example, suppose the electricity is off for a prolonged period of time. Some of our people depend on oxygen for survival. Some of

the oxygen systems use electrical power to produce the needed oxygen. Your garage door will not open automatically if the electrical power is off. Do you know how to open your door manually? Are you physically capable of manually opening your garage door?

The Emergency

Information Survey sheet is the vehicle used to inform the ESO and LV Security of your limitations or needs and your capability to offer help to others.

When your Village Coordinator asks you to fill out (or update) the LV Emergency Information Survey sheet, please comply. It's for your own good.

SHOWTYME: Club brings big-name acts to LV*Continued from 1*

has a headline entertainer or entertainers. It's all free with refreshments unless a big show is on for that month. Shows start at 7:30 p.m. in the A&R Room.

"The Showtyme Club of Leisure Village has scheduled some of the best professional entertainment available to perform here," said new President Jim H. Brown. "We're going to buy the finest variety shows we can afford to entertain all of the Village residents, and I think we've got a good head start this year."

On Sept. 21 of last year, Showtyme produced a fine show starring Peter Marshall, who for 17 years hosted the original Emmy Award-winning game show, "Hollywood Squares." He sang his new CD release, "I'm Glad There Is You," plus a myriad of hit tunes from all the contemporary songwriters of the century.

In addition, the opening

comedy act of Jim MacGeorge offered some of the funniest comedy routines, plus his impressions of such personalities as Stan Laurel, Bob Hope, George C. Scott, Jack Benny and many others made this show a hit to an almost sold-out audience.

Feb. 9 proved another hit when the club brought the famous Modernaires to the Village with the backup band of Ted Herman playing the Glenn Miller showcase they recorded in the early years. The Mods are celebrating 60 years in show business this year, with the present group including Paula Kelly Jr., whose mom was the original and retired in 1978.

For the first time, Showtyme made the Modernaires show a Sunday matinee, which was a near sellout as well. The club will continue to have the shows on Sunday afternoons in the future.

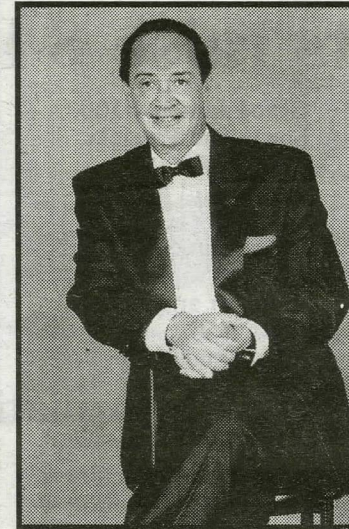

"This allows those Village residents with driving restrictions and other disabilities to attend our shows where they weren't able to in the past because they were at night," Brown said.

The show budgets reach \$8,000 each, and they contract three or four a year.

The schedule for the remainder of 2003 will include a comedy show with the Yarmy's Army Comedy Players that have appeared in the Village before, with Harvey Korman and Tim Conway in the cast.

Also, the club is negotiating an evening of Broadway shows featuring the beautiful MGM star Ann Blyth, and Stewart Rose, who performed here for the Showtyme business meeting on March 17. Rose received a standing ovation from a crowd reaching 350 Leisure Villagers.

The ticket prices for the big shows are affordable at \$15 each for Showtyme

MICHAEL SHERMAN: This entertainer, who has performed in Las Vegas, Reno, Laughlin and on cruise ships, will come to Leisure Village on May 19.

Club members and \$18 for non-members. The yearly dues are \$5, and at present, they have more than 500 members in the Village.

The monthly meetings are an excuse to have some good entertainment for the evening.

or will she run off with the weatherman? Will Capra see "Cyrano de Bergerac" or "Private Lives" or a disturbingly wrong costumed mixup of both? Mistaken identities, jilted lovers, an unplanned pregnancy, deafness — what else could go wrong? Plenty!

This is a perfect piece of theatrical madness to start the season. It's a door-slamming farce where everything in the world that could go wrong does, and much, much more.

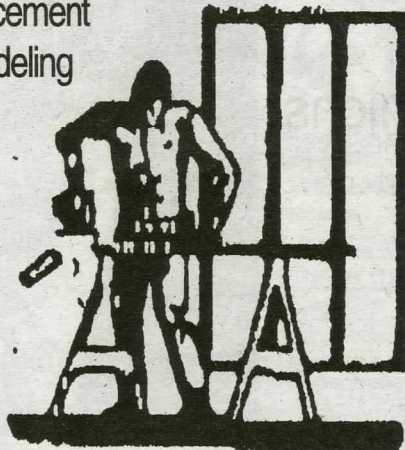

"Moon Over Buffalo" is superbly directed by John Bravos. This play is a laugh a minute. For a fun evening, buy your tickets now so you don't miss this great play.

To all my friends in Leisure Village:
 Thank you so much for your support and affection during and after my recent surgery. It is comforting to be surrounded by such caring and thoughtful people, and it is greatly appreciated.
 — Len Koenig, V. 42

Walter and I were married 67 years when he died this month. We had lived virtually all over the world, but our happiest years were spent right here in Leisure Village. Having no family of our own, our many friends in Leisure Village became our extended family, and we both appreciated your loving friendship.
 Now that Walter is gone, I can only show my appreciation by thanking each and every one of you for your phone calls, letters and tributes, which are helping me greatly at this very sad time.

My most sincere thanks to all of you.

ODDS AND ENDS

High school unification issue has two sides

Editor's note: The following article was written by Camarillo resident Cami Pinsak and submitted by Leisure Village resident Dorothy Vasquez, V. 13, who writes: "I believe it is important that LV voters be well informed regarding the liabilities as well as the benefits of unification. Thank you for your dedication to fairness."

By Cami Pinsak

An article appeared on March 21 in your paper, Inside Leisure Village, regarding the unification issue. There are always two sides to every story.

I am a parent with two young children in the Pleasant Valley School District (PVSD). As such, I am very concerned with the educational opportunities available for them in the future. I have done much

research regarding the unification issue.

In 1992, 1998, and again in 2002, the PVSD Board of Trustees hired Mr. Terry McHenry to study the feasibility of unifying the district. Mr. McHenry, in all three studies, stated that although feasible, there are three main issues that remain to be dealt with.

1. The housing of the approximately 750 Camarillo students currently at Rio Mesa. Some of the options articulated in Mr. McHenry's report include:

a) Year round school at Camarillo High. This would contradict the Camarillo Unified Committee's coordinated curriculum theory.

b) Modifying an existing middle school and reconfiguring the district back to K-6, 7-9, 10-12. This would be a challenge, as the feasibility study clearly states that

PVSD has no remaining bond funds for modifying a school to accommodate older students.

c) Keeping those students at Rio Mesa, even if PVSD unifies. This means that those students would be ineligible for sports, and their parents would have even less control of their children's education, as they would no longer have any stake in Oxnard Union High School District (OUHSD), also contradicting the coordinated curriculum theory.

2. The "Poison Pill," the lifetime health benefits of Oxnard Union High School District. If we were to unify, we would have to negotiate assets and liabilities. If we take an asset as large as Camarillo High School, we will also be responsible for a "fair share" of liabilities, as well. The responsibility for

the lifetime health benefits of OUHSD teachers could be as little as 22 percent or as high as 37 percent of \$1.6 million per year.

3. The racial distribution. There are nine criteria that must be met in order to unify. Criterion 4 simply states that "the reorganization of the districts will not promote racial or ethnic discrimination or segregation." If Camarillo were to unify, according to numbers

given in the latest study, it may appear to promote segregation.

The above issues have not changed in a decade, and satisfactory solutions have yet to be offered. Additionally, Mr. McHenry reports that traditionally, the community groups seeking unification have been responsible for the financial burden of getting this issue

B-24, B-17 warbirds in Camarillo April 28-30

By Donna Duke

The Collings Foundation B-24 and B-17 will be making a stop at Camarillo Airport.

The warbirds will arrive on April 28 at approximately 3 p.m. and will be available for tours and rides until they depart around 2 p.m. on April 30.

The Collings Foundation (www.collingsfoundation.org) is a nonprofit Educational Foundation (501-C3), founded in 1979. Since

1989, a major focus of the foundation has been the veterans' "Wings of Freedom Tour."

This tour showcases a fully restored WWII Consolidated B-24J Liberator named "Dragon and His Tail" to pay tribute to the veterans who served in the Pacific Theater of Operations. The tour also features the Boeing B-17G Flying Fortress "Nine-O-Nine," the companion of the B-24 in thousands of

wartime bombing and reconnaissance missions.

The "Wings of Freedom Tour" has two goals: to honor our veterans, letting them know they have not been forgotten; and to educate the visitors, especially younger Americans, about the planes and World War II. The foundation encourages people to tour the planes, talk to the veterans who come to visit the aircraft, and participate in a "flight experience." The

foundation depends solely upon private funding, receiving donations from individual members as well as the people who visit the aircraft in each city and town.

A flight on either aircraft is available for a tax-deductible contribution of \$400. Walkthrough tours of both aircraft are \$8 for adults and \$4 for children younger than 12. Group discounts for schools and senior centers will be \$8 per

chaperone and \$1 per student/senior.

During their stay at Camarillo Airport, the aircraft will be parked on the transient line. Access is through the Way-Point Camarillo Airport Cafe, 325 Durley Ave. Enter the airport on Airport Way and go left on Durley.

To schedule a flight, call (978) 562-9182.

For local information, call Art or Donna Martin at 482-9458.

UNIFY: Writer opposes plan

Continued from 9

to the ballot. Why, then, are some board members insisting the district foot the bill for this endeavor in an atmosphere of budget shortfalls?

The Camarillo Educational Design Committee, an ad hoc committee researching building a new high school for Camarillo, will be presenting their findings to the OUHSD on April 30 in Council Chambers here in Camarillo.

If OUHSD builds a high school, the bond that will be required will be eligible for state match funds. If PVSD

builds a high school, a bond also will need to be passed. The difference is this: OUHSD is eligible for state match funds; half the needed amount spread between approximately 260,000 taxpayers. PVSD, if unified, may not be eligible for state match funds; the entire amount would be carried solely by the taxpayers of Camarillo.

Do you not think it is appropriate to tell people that these points exist? If, after viewing both the pros and the cons of unifying, voters want to sign this petition, then they have done so with full knowledge.

CLASSES

By Naomi Balfour

Leisure Village residents who are licensed drivers may register now for the 55 Alive class, which will be given May 15 and 16 from 1 to 5 p.m. in the MPR.

Everyone who takes the class will receive a discount

on automobile insurance for three years, according to California law. If you took the class more than three years ago, it must be repeated to continue the discount. If you need to take a test for driver's license renewal, as required by law if you are 70 or older, the course will

help to refresh your memory.

The cost is \$10 per person, and you must be pre-registered and pre-paid by check. To do this or to get further information, call Naomi Balfour at 987-9851 or Ruth Miller at 987-8162.

Spring Cleaning Sale is day before Mother's Day

By Gertie Dorward

The Annual Spring Cleaning Sale will be held on Saturday, May 10, from 10 a.m. to 2 p.m. in the Pavilion Area. Seller set-up time begins at 8 a.m.

Remember: Your discards will become someone's treasure, and you will make and keep all the monies.

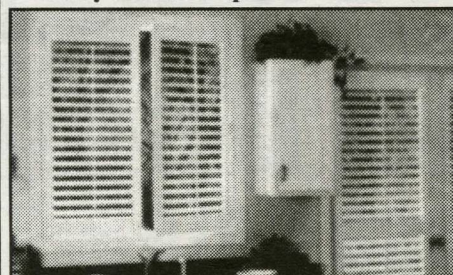

A donation of \$5 for each table to display your merchandise will provide

refreshments for the sellers and buyers.

If you are interested in a selling space, please contact Gertie Dorward at 484-5509 or the Rec Office at 482-8961.

Music Appreciation

By John Callas

The Music Appreciation Club of Leisure Village will present Vivian Florian in a piano concert in the AR on Saturday, May 17, at 2 p.m. Admission is \$4. Tickets can be purchased in the Lobby on Monday and Friday between 9 a.m. and noon and on Wednesday afternoon between 1 and 4.

Vivian Florian has performed in the United States, France, Canada and India. In February, she played for the Women's Club and received a standing ovation. Her music ranges from classical to pop tunes to French songs.

Woodshop

By Martin Alfred

Our woodshop is busier than ever as folks bring in their various made-of-wood items for repair on Wednesday mornings. We are also seeing a pickup in usage of the shop since we moved into our roomier quarters.

The Woodshop Committee wishes to give the Players Guild a hearty thank you for its generous donation.

A number of our members are helping with their skill and time on construction of the stage set for the upcoming show, "Moon Over Buffalo."

For more information, call Sid at 482-5341.

Veterans Club

By Martin Alfred

The Veterans Club will hold its monthly meeting on Thursday, April 24, at 7:30 p.m. in the MPR. Watch Channel 8 for program announcements.

Col. George Compton was our guest speaker last month and brought us up to date on veterans affairs in a very entertaining manner. The good turnout always looks forward to hearing George, as he likes to be known.

All vets and spouses are invited to our meetings for an evening of entertainment, education and friendship, plus cookies and coffee.

For more information, call Marty at 389-1610.

Ceramics Plus

By Martin Ettinger

At our last meeting, a tape titled "A Portrait in Clay" was shown. This was a

demonstration by Martin Ettinger, given some years ago, of how a block of clay is fashioned into a human head. Emphasis was placed on a knowledge of the anatomy of the different parts of the head and how they blend together. As an example, the eye level is about midway between the chin and the top of the head. The eye itself is an actual ball upon which the eyelids are superimposed.

For our Thursday, April 24, meeting, we have arranged for a tour of the Studio Channel Islands Art Center on the new university campus. There, we will see professional artists who rent there, doing their thing. We will carpool at 12:30 p.m. A sign-up sheet will be posted in the Ceramics Room. This is a great opportunity to visit the new university.

Village Painters

By Dorothy Hirsch

Our speaker on March 5 was Charlotte Olonoff. The subject was "How to critique your own paintings." The slides of her collection of paintings were beautiful; her depth of detail of each painting was interesting.

The speaker for April 2 was Les Merchant. He is an

all-around artist and does wood sculpture and marble sculpture. He even built the furniture in his house, and if that wasn't enough, Les also paints. The subject for April 2 was airbrush painting.

Women's Club

By Ethel Beyer

The Leisure Village Women's Club general meeting will be Thursday, May 1, at 1:30 p.m. in the Assembly Room. By popular demand there will be a repeat performance of the Old Time Fiddlers at 2 p.m. Don't miss this presentation of musicians, singers and humorists — you are in for a treat! As usual, there will

be refreshments after the program.

The Women's Club Workshop meets every Tuesday in the Multipurpose Room from 8:30 to 11 a.m. All are welcome to join an ambitious, creative and fun group in making craft items to be sold at the Annual and Mini Bazaars during the year. Then, too, there are always items for sale at these Tuesday workshops. Come in and browse.

The next Trading Post sale will be Thursday, May 8, in the Assembly Room from 11 a.m. to 2 p.m. There are always new pre-owned items for sale and always a need for additional items to be sold. If you have donations, call Donna Duke at 987-2627, and pickups can be arranged.

Computer Club

By Winifred M. Singleton

The general monthly meetings which are always held on the second Friday at 10 a.m. in the AR contain announcements of new programs and classes. First-time visitors and new members are introduced at this time. Following the treasurer's report and Special Interest Group reports, a program of general interest is given, usually by a member of the club who has special knowledge of various programs to pass on to members who may be new to those programs.

Details of other meetings and classes are given on Channel 8 and in printed schedules available at the general meetings, and in the rack outside the Computer Lab. The Club Library is also outside the Lab, and there are many give-away items in addition to current magazines and books which may be borrowed for limited times by signing for them.

One of the most successful meetings of the week is the Thursday Open House, held from 3 to 5 p.m. at the Lab when mentors are present to answer questions and self instruction CDs may be checked out.

Members who have not yet paid dues for 2003 are now delinquent and should place a check for \$5 in the box outside the Computer Lab before the proposed increase in dues takes effect.

For more information, call Mort Marcovitz at 482-4492.

L.V. New York Club

By Robert Sklarz

Unable to get the Cotillion Dancers to perform on a regular Thursday meeting night (a school night), the New York Club had a special meeting on Friday, March 28 and invited all to watch the famed Cotillion Dancers go through their routines.

The Cotillion Dancers, a group of young boys and girls, from 12 to 17, under the direction of Gaye S. Smith, presented a flawless and varied series of dances. The poised young people seemed like polished professionals. Applause interrupted each set, as the grandparent-aged audience relived their youth. When a young group did a spirited Charleston, the crowd went wild. At the conclusion of their performance, the Dancers, in full costume, went around the seated audience, greeting each member with a courtly handshake and bow. These young people have learned more than dancing.

Ice cream and cookies were served, and a good time was had by all.

Art Kaufman taped the performance, and it will be on Channel 8 next month.

At the regular meeting on Thursday, April 3, a representative of RAIN, a local charity for the homeless, accepted a check from the New York Club, as well as cans of food that members had donated.

The members were then entertained by Rebecca Wave, who sang a wide variety of songs. Members joined in on some of them. As usual, refreshments were

served.

Tickets were put on sale for the annual Strawberry Festival Dinner Dance, to be held on Thursday, June 5. Cost of tickets is \$15 for members; \$17 for non-members.

The May meeting will feature a tape, "Hollywood vs. History," an examination of "The Gangs of New York."

this year. One could say
that the date was appropri-
ate except for the fact that
the "Old and Older Men"
defied the universal belief
that over 75 is "over the
hill" and over 80 is "really
over the hill." What was lost
in distance is made up by
the short game. The compe-
tition was keen and the
winners did not have a walk
in the park. These old guys
have grit. If you didn't play,
you missed out on the
opportunity to play against
your peers.

On April 8, the
Nominating Committee sub-
mitted the following mem-
bers as the slate of officers
it recommended for the
next Board of Directors:

Curtis Couch for First Vice President; Jack Kirkland for Second Vice President; Bob Zaas for Treasurer and Ernie "Alex" Alexander for Secretary. Assuming there will be no further nominations from the floor, these men will be sworn in and take the reins to lead us for the next year. The new Board will be sworn in and officially take office on June 18 at the Installation of Officers & Awards Luncheon in the Assembly Room. Mark your calendar to be sure to attend.

The Tee Timers Tournament and Luncheon was scheduled for April 15. The men were the hosts this time, and Dick Deeley promised good food and entertainment after the tournament.

On April 24, we play at Elkins Ranch. Watch Channel 8 and the bulletin board for further information. This will be the warm-up tournament for the Tournament of Champions

that will take place at Cam Springs on May 15.

The President's Cup Tournament on our LV Course will be held on May 6 and 13.

Carl Waite reports that the reconstruction of the 5th green is completed. Depending on the growth of the grass, it should be open for play by May 15. The back of the green has been raised to eliminate the penalty we suffered when a shot rolled over the green and down the hill. The left side bunker has been made smaller and a new pot bunker has been added on the right side. They have started leveling the two tees on the ninth hole. They plan on starting the 5th tee box reconstruction back toward the sidewalk next. This change should make the 5th hole more attractive and fair to play.

You should have noticed the new "collars" around the greens. This is being done so you can pitch and run the ball up to the hole. After the collars are shaped,

the grass will be cut to leave a nice area for your approach shots to the green. This was done at the request of our greens committee.

Dues must be paid no later than June 1 to have your name in the handbook. Put a \$10 check to LVMGA in the box above the water fountain at the Golf Shack, or give the check to Ted Rose.

Billiard Club

By Milan Weiss

The Billiard Club Spring 8-Ball Tournament was a big success! There's more excitement during these tournaments than ever before. Because of the long hours of practice, many players are making shots you only find in the movies or on television. And, the new players coming out of the classes are better than ever!

Be sure to attend the Tuesday, April 22, meeting

at 7:30 p.m. in the MPR. The awards for the winners of this tournament will be given out at this meeting. Bring a check to this meeting for tickets to the Sunday, June 8, Picnic in the Park. Tickets are \$9 per person. Don't miss it! This is the fun picnic of the year and will be a fully catered picnic. No member help is needed for food prep or cooking. The menu and food at the picnic has been creatively planned and thought out by the team of Barbara Swartz and Betty Herrmann.

Support your Billiard

Club by being a member. Pay your \$7 annual dues. Put a check in the box in the Billiard Room or bring a check to the next monthly meeting. We all look forward to seeing everyone at the club events!

Insects." He will discuss insects and creatures that are good for the garden and also those that are bad and ugly. Also, he'll give information on how to manage home gardens in tandem with nature.

A trip to Lotusland is scheduled for June 20. The Botanic Garden is located in the foothills of Montecito on a 37-acre estate. Located here are some of the most unusual and endangered plants in the world. You will be in for an interesting tour. The cost is \$26.50, which includes the bus and tour. Lunch will be on your own at Fresh Choice or Souplantation. Contact Fran Cohen at 383-0483 for information and reservations. Handicap accessibility should be available. Please advise Fran if you need this service.

If you haven't paid your \$5 dues for this year, be sure to do so at this meeting. Hope to see you at the May meeting. Social time is 9:30 a.m., and the meeting will begin at 10 a.m.

Country Western Line Dancers

By Ida Kubica

All former members of the Dance Workshop, as

well as new Villagers, are invited to join us here on Tuesdays from 3 to 4:30 p.m. in the AR. Is there a need to review the steps? Then come 15 minutes before classtime for instructions. To be successful, the first thing to do is fall in love with dance and the music. Also, regular attendance helps imprint the steps in the mind. The dues are just \$2 per year, and the first three classes are free. Check us out on Tuesdays by observing the class. Watching is the first step to learning.

Any questions? Call Rhoda at 484-8132.

Square Dance

By Mary Kovach

The Village Swingers will be giving free square dance lessons to beginners and brush-ups! Bring a partner, or come solo and we will match you up with another dancer. Casual dress!

Camarillo Health Care District says that square dancing is an excellent aerobic activity that can reduce stress, lower blood pressure, improve cholesterol, and develop strength, muscle tone, and coordination. Mayo Clinic says that you can burn 200 to 400 calories in a half-hour, pre-

vent or slow osteoporosis, and reduce anxiety and depression.

Starting promptly at 7 p.m. on May 6 in AR, Bill Kramer, professional caller, will get the dancing under way. Refreshments will be served.

For information, call Mary at 484-9928 or Shirley at 987-5674.

Keyboard Club

By Joyce Turner

The Keyboard Club will meet on the fourth Friday, April 25, at 1:30 p.m. in the AR.

Members and friends were very pleased to see such a great turnout on March 31. All were very glad that Jules is doing so well. He is improving day by day.

There is a concert scheduled to be held on May 9, Friday, in the AR. Harve Mann, a star from Las Vegas, will entertain all music lovers. Harve has

been here before. He was very well received. He is a vocalist and a musician. I am sure you will enjoy hearing him again. Tickets will be \$4.

Everyone is looking forward to seeing members and friends on April 25. Delicious refreshments will be served.

L.V. Chorale

By Miriam Hasen

It isn't too late for you wannabes to join the Chorale. Our Spring Concert, "From Broadway to the Met," will be presented May 30, at 7:30 p.m. Tickets are \$5.

Our choice of music will delight you, as well as bringing back "that song." Where else could one participate in a joyful event, sing our hearts out, and not even have to memorize? Watch Channel 8 for further information as to ticket sales.

Judging from the audience response after our

January concert, you are in for a memorable evening.

RV Club

By Charlie Hartman

The March monthly RV Club dinner, sponsored by Roger and Bette Williams and held at Mimi's in Thousand Oaks, was enjoyed by all. Thanks to both.

Mark your calendar on June 14 for the annual pancake breakfast. Information on ticket sales will soon be available. It's important to remember that the pancake breakfast is the major fundraising event of the club, which donated \$1,500 to local charities this past year.

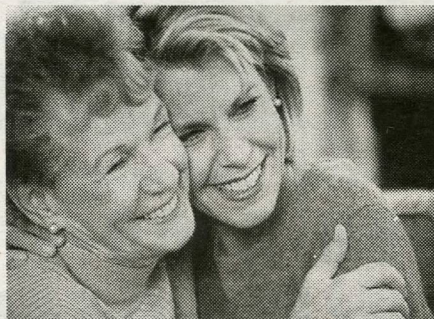

Start planning ahead for the club's May campout, May May 12-15, at Pechanga RV Resort in Temecula. Art and Jean Thomson and Sandy Daugherty are the wagon masters.

CONGRATULATIONS

Our March ad for Inside Leisure Village stated that March 30th was the date to set forward our clocks. This was true if you lived in the U.K. As we are sure you are aware by now, April 6th was the date for our Daylight Savings Time to begin.

We have wondered how many people read our ad. Wow, we found out. We had many phone calls. Thank you to all those who called in. As we stated on the phone, those who called in were entered into a drawing for a dinner for two at Petrucci's Restaurant. The winner of the drawing is:

BEN GARMAN

Watch for future drawings on our ad each month!
