- We will host the Children's Reading Celebration and Young Authors Event on Saturday April 4. We partner with the English program to provide experiential learning opportunities and the Ventura County Reading Association to bring in young authors from schools. This year we are also reaching out to First 5 and WIC.
- We are in the second year of our Information Literacy Grant, and are using several faculty as special consultants.
- We continue to focus on building & operations issues.

2. Members asked to provide Input on the Library Survey Questions

- A suggestion was made to consider using scales for gauging quality, relative use, importance and satisfaction for questions 1 & 2.
