

Congratulations
And
Best Wishes

Dear Jane-

I was so thrilled to hear your news, especially of your becoming the Mayor of Oxnard !! I am sure you will be an excellent one. Am enclosing an article, which was in our paper, just after I received your card. Lawrence, Kansas is a college town (Kansas Univ) about 40 miles from Kansas City.

Was sorry to hear of the deaths

Wishing you continued success

and happiness in the days ahead

in your family. It is a
terrible loss and leaves
such a vacant spot.

Glad the earthquake
didn't affect you.

Do want to get this
mailed. Will be "listening"
for interesting develop-
ments in Oxnard in
the coming year! I know
everyone is very proud
of you.

Fondly,
Laurelle
