Student Academic Petitions. The Student Academic Petitions Committee has the authority to permit exceptions to university baccalaureate degree requirements when fulfilling the degree requirement would prove to be an undue hardship for the student and/or such an exception can be demonstrated to be educationally justifiable. The committee will take action only upon the submission of a formal petition by the student that sets forth the facts and circumstances that may warrant special consideration. Petitions and procedural information are available in the Office of Advising and Orientation. The Petitions Committee does *not* make decisions pertaining to substitutions for undergraduate and graduate major requirements. Such requests are appropriately initiated through the student's department. Requests to waive established university policy governing graduate study may be addressed to the dean, Division of Graduate Studies and Research. If a request cannot be accommodated, it is forwarded to the Graduate Council.

The Student Academic Petitions Committee also has the responsibility of handling grade protests for all students, undergraduate and postbaccalaureate. If a student believes that he/she has been graded prejudicially or capriciously by an instructor, the student should consult first with the faculty member concerned within the first 15 working days of the following semester and make every effort to resolve the issue. (On many occasions when a student contacts an instructor about a grade thought to be assigned unfairly, the student learns that the instructor actually made a recording error, which is remedied when the instructor obtains a Grade Correction Request Form from the departmental secretary and submits the completed form to the Petitions Committee.)

However, if the issue is not resolved, the student should then consult with the department chair. If the student still believes that the grade was assigned prejudicially or capriciously after completing this process, the student then may request that the Student Academic Petitions Committee review the issue. To request such a review, the student must submit no later than mid-semester a written statement setting forth all pertinent details to the director of advising and orientation, who chairs the Petitions Committee.

A full statement regarding "Protection Against Improper Academic Evaluation" and additional procedural instructions may be obtained from the Office of the Dean of Student Affairs. An associate dean of student affairs is available for clarification of grade protest procedures.

Scholarship Status

Satisfactory Scholarship. Satisfactory scholarship means at least a *C* average (2.0 grade point average or twice as many grade points as units attempted) and satisfactory progress toward a degree for undergraduate and post-baccalaureate students without a master's degree objective. Graduate (master's degree) students must maintain at least a *B* average.

A student (undergraduate, postbaccalaureate or graduate) whose grade point average falls below the satisfactory scholarship level is placed on probation and is disqualified if the grade point average falls below probation levels. (For details see below.) All probation and disqualification actions are recorded on the student's permanent record (transcript).
