BACHELOR OF VOCATIONAL EDUCATION DEGREE

This degree is limited to candidates recommended by the State Board of Examiners for Vocational Teachers. The applicant will have received, through this Board of Examiners, credit for occupational, managerial, and supervisory experience of from 20 to 40 units to be applied toward the major. Credits earned in Trade and Industrial Teacher Training will be applied toward a minor.

Each applicant for the degree shall have completed 124 units with a grade-point average of 2.0 or better (on a four grade-point system), including credits allowed by the Board of Examiners.

	<i>Units</i>
General Education	45
Major in Vocational Education (24 lower division; 12 upper division)	36
(Board of Examiners evaluation plus upper division courses to total 36 units.)	
Minor in Vocational Teacher Training	18
Electives (general or professional)	25
	<hr/> 124

CREDENTIAL PROGRAM

For information on the current credential program, consult departmental advisers and see the sections on *Public School Credentials* and the *School of Education*. Under the revised credential structure effective January 1, 1964, a candidate for a standard teaching credential must complete a subject matter major and a minor, one of which must be classified as academic. A minor used with a nonacademic major must contain 12 upper division or graduate units. Majors and minors must be in subjects normally taught in the public schools.

MASTER OF ARTS DEGREE

The graduate program for the master of arts degree in industrial arts is based on the equivalent of the undergraduate major at Fresno State College. Twenty of the 30 units required for the degree must be in industrial arts. For specific require-
