

**Re-elect
the President.**

The Record

Vietnam: The President has brought 400,000 Americans home from Vietnam. He has reduced American ground combat involvement by 90%. He has reduced casualties by 95%. He has reduced spending by two-thirds. He has laid the foundations for a lasting peace in Southeast Asia.

The Economy: President Nixon has taken strong steps to flatten inflation, change the tax structure, and avert an international money crisis. He created 125,000 more jobs, caused \$1.5 billion to be loaned to small business. He initiated a 90-day freeze on wages and prices. Housing starts are up 42% over last year.

Welfare Reform: The present welfare system strips the recipient of dignity and promises no end to the vicious welfare cycle. President Nixon has proposed a major change in the system. His program provides training and work incentives, and it would prevent the break-up of families and relieve the mounting burden on taxpayers.

The Environment: President Nixon is the first President to really do something about our environment. He has proposed 25 separate bills regarding our environment. He has initiated plans and programs that are *working* against air pollution, water pollution, waste disposal, radiation and noise pollution.

Young Americans: President Nixon has given 18-year olds the right to vote by supporting the bill and signing it into law. And he has overhauled the selective service system toward the goal of an all-volunteer Army.

Revenue Sharing: The President has proposed a dramatically new program that would cause power to flow back to local officials away from the Federal Government. The program features the sharing of Federal tax revenues with State and Local governments, with no strings attached.

Older Americans: The President has developed a strategy to increase Social Security benefits to the nation's elderly by one-third. He has advanced programs to enable more of the elderly to live in their own homes, to improve nursing home care, and increase jobs for older people.

Health Care: President Nixon's proposals will make health care available to *everyone*, with the emphasis on *keeping* people well as well as taking care of the sick. He is leading the fight to eliminate cancer and sickle cell anemia.

Drugs: The President is negotiating the end of opium production in Turkey. He has an agreement with France to help stop the traffic of drugs. He has stepped up arrests of pushers. He is spending 6 times more for rehabilitation and 5 times more for drug education than ever before.

Foreign Policy: President Nixon is the first American President to visit China. The talks were the first between leaders of the countries since 1949. He will also visit Moscow this year. His administration has brought crisis diplomacy to an end, opened negotiations to reduce tension in nuclear weapons, and the Middle East.

America Needs President Nixon. And the President Needs You.
