VILLAGE JUDGES NEEDED FOR ACADEMIC OLYMPICS

By Bill Himstreet

The Camarillo Academic Olympics program recognizes excellence in ten academic areas for students in grades 4-8 in all public and private schools in the Camarillo area. Since the program began in 1984, Leisure Village Women's Club has sponsored competition in Creative Writing, and residents have served as judges for this competition.

First round competition will take place in all schools on February 8 with finals scheduled for February 29. Volunteer judges are needed to assist in rating student papers. It's easy and fun. Please call Bill or Maxine Himstreet at 987-2193 or John or Evelyn Lacy at 987-2709 to offer your help.

February

February is the shortest month of the year but it contains a number of special days. There's a day combining Lincoln's and Washington's birthday celebrations; Presidents Holiday is observed on February 21. Valentines Day falls on February 14. Then, because the year 2000 is a leap year, there's an added day, February 29.

Next Open Board Meeting in the AR is Monday, February 7.

Consecrated Colors Unveiled in January

Naval brass from Pt. Mugu took part in the dedication. Navy Comdr. Andrew Barton and the four color guards are shown, with retired Army Col Paul Kirschner and retired Navy Chief Ben Racowsky, both LV residents, who unveiled the plaque. M.C. was Mel Frank, v.p. of the LV Vets, and President Ed Vasquez, of the Vets, was the speaker. Joe Ettenberg, current commander of the local Jewish War Vets, attended. Ret. Col. Warren Eastman made the closing remarks; he is a 22-year resident of LV Commander Alfonso Jones, Naval Chaplain, gave the benediction. Caroline Pratt, ILV pres., introduced guests Bill Liebmann, Camarillo mayor, Councilman Mile Morgan, and Cmdr. Dave Tennesson of the Camarillo Police Dept. LV resident Miriam Hasen sang "Wind Beneath My Wings." Bob Hasen was advisor on the ribbons of the plaque from WW II, Korean and Vietnam wars, and Fred Ervest of the LV Gem and Mineral Club, helped.

By Col. Paul Kirschner, AUS (Ret.)

Over 200 Leisure Village veterans, spouses and honored guests were present on a lovely Monday morning, January 3, 2000, for the Veterans Memorial dedication service. It was an emotional dedication to many of the veterans, spouses and friends with memories of World War II, and the Korean, and Vietnam wars.

Credit should be given to President Ed Vasquez for this idea and most of the work in the implementation of this memorial. This 2-by-2 foot ceramic plaque is mounted on a 3-by-3 foot, 3600 pound granite rock that has been placed behind the flag pole in front of the Recreation Center. Only 45 ribbons in colored ceramics represents the medals awarded to a limited number of our Leisure Village veterans and it is a story of the dedication of veterans of all the services who were there to protect us in that war time. There are about 800 veterans or veteran's spouses in the Village.

Leisure Village Board President Caroline Pratt introduced the honored guests which included Navy Commander Andrew Barton, Navy Honor Guard, Camarillo Mayor Bill Lieberman, Councilman Mike Morgan and Cmdr. Dave Tennessen of the Camarillo Police Department, Ret. Army Col. Warren Eastman, resident of the Village, made the closing remarks.

Commander Barton of the Naval Air Station at Point Mugu described the memorial as "a reminder of the courageous men and women who have served in all branches of the services. The Silver Star is the highest reward." The plaque included ribbons for World War II, the Korean and Vietnam wars.

President Ed Vasquez presented an moving dedication speech. Col Paul Kirschner, retired army and retired Navy Chief Ben Racowsky unveiled the plaque. Mike Shapiro, Leisure Village Treasurer, said "that this memorial dedication was one of the finest presentations during his time in Leisure Village."

Thanks go to Robert Hasen and Fred Ervast for their assistance in forming the plaque and to Miriam Hasen for singing "Wind Beneath My Wings" during the ceremony.

Voters League Brings Pros and Cons Feb. 18 to Village Forum

By Jack Whalen

California's "love affair" with direct democracy will flare anew in March when voters will be asked to decide on as many as 21 ballot measures, addressing everything from same-sex marriages to the state's dilapidated parks.

Two representatives of The League Of Women Voters of Ventura County will discuss the pros and cons of each ballot measures in the AR at 7:30 p.m. on Friday, February 18. It is to be clearly understood that the League does not support or oppose any political party or candidate, nor does it show partisanship toward any measure. Their mission, as nonpartisan political organization, encourages the informed and active participation of citizens in government, and influences public policy through education and advocacy. Topics on the ballot will include tobacco tax, school bond votes, Indian gambling, congressional term limits and juvenile crime. There will be time for questions.

TROUBLED AMENDMENT MAY NOT PASS

Ideally, an amendment to the CC&Rs should cover just one topic, Whomever drafted the wording of this proposed amendment chose to overlay it with changes management, taking control of architectural matters from the Architecture Committee and transferring it over to the Board of Directors. The Architecture committee has functioned well, especially over the past 3 years. If this proposed amendment is adopted the Committee will be reduced in function to clerks. Just fill out the paperwork and send it to the Board for approval. Isn't the Board busy enough already? Or do they want more and more control over Village functions?

Homeowners must decide, if the drive to encourage slumpstone walls is to be passed, should this amendment, muddy as it is presented to us now, be passed or do we defeat the entire amendment?

The drafters of this proposed amendment may have ulterior motives. Some of us may not accept this amendment with the extra baggage written into what was originally a popular measure.

ABOUT NEXT MONTH

Deadline for the February 25, 2000 issue will be Monday, February 7, 2000 at 5:00 p.m. To arrange for a photographer, call coordinator at least 3 days in advance. Do not call photographer. Type copy double space or submit hand written material **early** to allow for typing.

There is no way that I can adequately thank the lovely, caring lady who drove me home on December 24. I had fallen about a block and a half from home (Village 33). She was driving on her way to an appointment, still she insisted on taking me to the hospital. I told her that my husband was home and that he would take care of me, so she drove me home. There is no way I could have walked! I believe she said her name was Dorothy. I think I probably messed up her car and would like very much to reimburse her for whatever cleaning costs are involved. Again, "Dorothy" you were a life saver—I will never forget your kindness.

Re: Changes to swimming pool.

Avid swimming enthusiasts are dismayed by the prospect of \$3000 worth of concrete being used to shallow out our already sufficiently shallow pool.

At this time, north and south ends are only 31/2 feet deep across all six lanes. Why do we need a third shallow side? Are there that many serious water walkers? How about the people who

RESIDENTS' OPINIONS

benefit from and enjoy lap swimming?

The current configuration has served us well for 25 years. Why change? The proposed plan would create an image of a large wading pool rather than a swimming facility.

My family and I wish to thank all our friends and neighbors for their thoughts and compassion with respect to the passing of my husband, Joe Gaynes. I deeply appreciate the cards, phone calls, and the memorial donations made under Joe's name. In addition I want to thank all those who generously provided food to us. All of these acts of kindness have been a source of comfort to me and my family.

Anne Gaynes V. 29

I take this opportunity to thank you for the wonderful presentation of the "Consecrated Color" plaque honoring all Veterans; from you heartfelt dedication at the beginning of the program to the Navy Honor color Guard to the unfurling of the flag. Also to have all the branches of our Armed Forces represented was a bonus.

All of your tireless and sincere efforts paid off—for you gave the villagers a tremendous feeling of pride. It was a memorable and touching experience.

Lorraine Kaplan, V. 31

To all of her many friends who marked the passing of my Esther, go my deepest thanks.

Larry Sawyer, V. 16

Eunice and I wish to thank all of our friends and neighbors for the many get well cards and phone calls we received following my recent surgery. It was heart warming to receive these messages and reminds us once again that this is a wonderful place to live. Many thanks.

We thank all our friends and neighbors for the tremendous out pouring of warmth, love, help, tributes and prayers when our beloved son Mel died so suddenly. We thank you all.

While General Patton's contribution toward winning the war in Europe is appreciated even to this day, his speech to his troops is not. Other generals such as Bradley, Marshall, and Eisenhower directed in a message to American Forces on August 13, 1943, that the only way the enemy should be allowed to survive would be through surrender.

However, after the war, he wrote that experience in fighting does not engender any love of the battlefield.

As well as contributing to the war effort, these men helped build a peaceful world.

Marjorie Lorraine, V.
41

To all of the friends who have called and sent cards and good wishes to me during my stay in the hospital and during my ongoing recuperation, I send my heartfelt

thanks. They have helped me improve to where I am today. Not yet ready for the gym at this point but in the very near future I'll be on the treadmill-panting away. All I can say is thank goodness for Leisure Village and all the caring, wonderful people here. If somebody asks where I live, I answer God's Country.

Jack Kassel, V. 42

'My family and I were overwhelmed by the outpouring of love and affection, first during Charlie's illness and later by his death. Our thanks to all of you for the phone calls and warm wishes, for the cards, notes and offers of help, and for the generous gifts to charities and organizations in his memory. He would have been pleased to know that he had made an impact on the lives of so many friends in Leisure Village.

55 ALIVE CLASSES

By Naomi Balfour

On February 17 and 18 at 1:00 p.m. in the MPR, the Educational and Recreation committee is offering the 55 Alive classes to Leisure Village residents who are licensed drivers. Classes are taught by an instructor from AARP and are aimed at helping drivers over 55 deal with age related changes so they may continue safe driving.

California law requires all insurance companies to give a discount on automobile insurance for 3 years to each driver who takes the course. Check with your own insurance company for the exact amount of discount, since it may vary. The course can also be helpful in preparing to take the test for driver's license renewal, which is required for drivers over 70.

Each class is limited to 30, so you must be pre-registered and pre-paid. The cost is \$10.00 per person. For registration and payment or more information call Naomi Balfour 987-9851 or Zo Simmons 484-5205.

Thanks to Your Neighbor's Care Group and especially to Sandy Okum, about two hundred Villagers got the good news about Pleasant Valley Hospital's Seismic Upgrade and Renovation Project which will bring the facility up to the State's newest earthquake code. Fortunately FEMA will pay 90% of the seismic upgrade which will strengthen the building in every way. During this process, it will be possible to expand many of the facilities, add several modern fast elevators and complete the entire third floor. It is expected

that every aspect of the hospital will be improved. During construction, the hospital will continue to operate in the normal way. The project should start later this year and finish by the end of 2002.

The second part of the meeting was an introduction to the housing facility adjacent to R-N Market on Santa Rosa Road, given by personnel of Marriott's Brighton Gardens. The facility for retirement living offers studio apartments, one bedroom and two bedroom apartments on a rental basis. Three meals a day are served in a large dining room and many other amenities are included in the monthly fee. For

those who require more help on a daily basis, there are Nursing and Rehabilitative Service. For those with Alzheimer's and related memory disorders there is a Special Care Unit. Move-in time will be some day between May 15 and June 15.

After both presentations, many questions were asked by villagers and answered by Bill Clearwater of Pleasant Valley Hospital and Stan Main for Brighton Gardens. It was an informative evening. Refreshments were furnished by Marriott.

Next Open Board meeting is Monday, Feburary 7 at 10 a.m. in the AR.

Morrison Has Two Planes To Fly

Photo By Vic Fledge

By Jack Whalen

Last month we told you the story of Joe Morrison who spent some 17 years building a plane that now soars over Camarillo. It is housed at nearby Camarillo airport.

You may think that 's the end of the story—but we want to tell you ab-

out another plane he has. Yes, just down from the hanger that houses his Q2 homemade beauty, is a powerful Bellanca Super Viking, a 300-horsepower plane that seats three plus a pilot.

He purchased this gem in 1989 and one of the purposes is for wife

Sylvia and him to visit a son in Roseburg, Oregon and a daughter in Eugene, Oregon.

"It's about a 4-hour 30-minute flight to see them and with my plane's range of 800-1,000 miles, we make it easily with one fuel stop," says Joe. Joe has been flying since 1936 and has recorded about 1,000 hours in the air. He also loves to sail-plane and has some 25 hours in the sport, flying from Lake Elsinore.

Since aviation has consumed so much of his life over the past 63+years, we asked him if he had been an engineer or somehow related to the aviation industry. "No," he replied, "I was in the furniture business."

To My Friends and Supporters at Leisure Village:

The financial crisis facing Ventura County is outrageous and deplorable! It's simply unacceptable. Financial chaos didn't just happen in our county government, our County Supervisor voted for it! It took an outsider to bring the truth to the public. Since Mr. Baker's resignation, the supervisors have been trying to answer the all-important question; **"How are we going to solve this crisis and when?"** My opponent's vote on an illegal merger of the Mental Health and Social Services Departments has thus far caused Ventura County a loss of more than \$30 million.

It is the lack of direction and mismanagement exhibited by my opponent that convinced me to enter the race for County Supervisor for the 3rd District. I've had to make tough decisions as a former Mayor and a 20-year City Council member, to keep Camarillo fiscally sound.

Ventura County needs a Supervisor with experience in financial management. I know that one voice of reason can make a difference, and with your vote, I will be that voice!

New music will be given out and a start made in rehearsing for the Spring Concert, to be presented at the end of May. Songs of several decades will be sung. All singers are invited to join the group on that day or any Monday to see if they would like to be one of the group.

Joining the Chorale once again will be the talented accompanist Dorothy Weiss and the incomparable director, Marcine Jardine, whom we have come to depend on so very much.

Please bring all Chorale music with you on Monday and dues if you haven't paid them.

For more information call Sally Yale, 482-2554.

The Village Painters

The Village Painters enjoyed an interesting video on Norman Rockwell at their first meeting of the New Year. The second half of the video will be shown at a future meeting. The next meeting will be held, in the MPR, at 1 p.m., on Wednesday, February 2.

At that meeting, Louise Waln will give a demonstration of her wonderful work with Origami. This will be a "hands-on" demonstration and, because of the proximity to Valentine's Day, the emphasis will be on making valentines that will be donated to the children at Casa Pacifica.

Everyone is welcome to come and join in the fun! Club dues of \$4.00 are now being collected for the New Year. If any one is interested in making "Art" a part of their life, this is a worthwhile club to investigate.

The Art Class that is sponsored by the Village Painters, continues on Mondays in the Lanai Room from 1-3 p.m. Help is offered with composition, color, and techniques. Materials are supplied or bring your own. It is always rewarding to share the companionship with others.

Cal. Sr. Leg Lobbies For Sr. Issues

By Joe Ellenbogen
V. 16

When it comes to legislation on behalf of seniors, there is a great disparity between wishful thinking and reality. Of the more than 1,000 bills Governor Gray Davis signed into law last year, those specifically designed for seniors were difficult to find. And in Washington, despite the rhetoric, real progress on Social Security, Medicare and Universal Health Care, is just that—talk. Taxes, Education, Environment, Crime, Guns, Consumer Issues, Cars and Drivers—all seem to have priority. Nevertheless, the California Senior Legislature, in its annual legislative session held in Sacramento in October, considered more than 100 proposals offered by the 120 member organization, each of which would improve the lives of California seniors. After 4 days of debate and balloting, the CSL prioritized

the top 10 state and top 4 federal proposals. Those, and other proposals which did not make the top 10 and 4, are currently being lobbied to seek sponsors amongst the Legislative members in the Assembly and Senate in order to eventually find their way to the Governor's Desk and into law. The interest which Leisure Village residents are showing in the soon-to-be completed and occupied Marriott Brighton Gardens assisted-living complex outside the Leisure Village gate, is an indication that as seniors age, additional services are required. Many Leisure Village residents already have taken up occupancy in other such facilities as the Ventura TowneHouse.

For many years Leisure Village was represented in the California Senior Legislature by the much loved and respected Joe Gaynes who also served on one of the early Leisure Village Boards. Joe died this year and his wise, dedicated efforts are difficult to replace. Since Leisure

Village is home to the largest number of Ventura County seniors, it seems fitting that the County be represented in the California Senior Legislature by a Leisure Village resident. It is hoped that one will step forward as a candidate at the next CSL election. Through the courtesy of Ventura County Senior Senator Bob Warnagieris and Genie Wheeler, Ventura County Star columnist and former Senior Assemblywoman, Inside Leisure Village offers the following summary of the top CSL proposals:

1. Would authorize use of an unclaimed decedent's estate for which there are no heirs to provide affordable housing for persons over age 62 with an income of \$50,000 or less.
2. Provides for relief from prescribed fare box ratios for rural counties so elders can receive more transit assistance.
3. Would establish a statewide respite care program for caregivers of the frail elderly and others needing 24-

hour supervision.

4. Would establish a statewide elder abuse reporting number.
5. Would establish an annual fee to be paid by long-term care facilities to be ombudsman training and meeting new elder abuse reporting requirements.
6. Would expand Medi-Cal benefits to cover the costs of long-term care in an individual's home.
7. Provides for Alzheimer's Caregiver Training and Certification.
8. Would provide for pharmaceutical expense relief for Medi-Cal and Medicare qualified seniors.
9. Would ensure funding for Area Agency on Aging programs so they would continue despite delayed approval of the state's budget.
10. Would preclude seniors from signing legal documents when they are under the influence of mind-altering drugs.

Federal proposals-top four:

1. Would prohibit privatization of Social Security investments.
2. Would restore full Social Security benefits to pension recipients.
3. Would expand Medicare to include dental, vision and audio benefits.
4. Would provide for unannounced nursing home inspections.

CLARIFICATION OF BOARD ACTION REGARDING RULE 9.02

By Marge Lorraine

The Leisure Village Board of Directors voted to amend Article IX, Rule 9:02 of the Rules and Regulations (Membership to Club/Organization) to read: Membership in any club, group activity, and/or organization using community facilities shall be restricted to Leisure Village residents. Any resident may hold office in said clubs, groups, or organizations.

In other words, residents who are renters may now be **club** officers, but not committees members or officers.

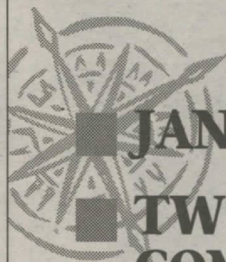

**GEM AND
MINERAL**

By Fred Ervast

A beginning class in lapidary has already started. Although the present class is filled, another beginners' class will start in the late March or early April. Watch Channel 8 for announcement of the classes. They will always be held in the afternoons in the mid-week period.

The Gem and Mineral Club was honored to have been a participant in the Salute to Colors program on January 3. Eddie Vasquez, President of the L.V. Veterans Club, is to be commended for the beautiful work in making the campaign ribbons from pieces of tile and mounting them on the boulder in front of the flagpole at the Recreation Center. To all those Club members who helped at the dedication ceremony, a big thanks!

Cutting Down Tall Trees is a Challenge

Holiday Snowman Visits AR

Photos by Betty Murray

Kay Murray V. 4 Stands on stump of tall pine tree.

By Betty Murray

Twenty-five years ago, the builders of Leisure Village planted trees profusely to develop quickly a garden-like look. Those trees have thrived. It has become very obvious in some areas that different species should have been chosen to enhance the beauty of the Village. Some trees have become giants, a nuisance and a hazard. The Board of Directors has allotted money to remove extra-neous trees, as needed, and it is not cheap.

Photographs here illustrate the steps required to remove a hazardous tree. Ropes and pulleys installed by the master "cutter" help control branches as they come down.

Twenty-five years of growth are removed in half a day, opening up the area, removing the source of needles and trash. New grass is planted. Another more suitable tree will soon be planted to replace the old.

GERONTOLOGY RESEARCH MEETING

By Lillian Hawthorne

In August 1999, approximately 90 Leisure Village volunteers participated in a special research project to study the possible effects of positive or negative emotions on memory. This project was sponsored by the Andrus Gerontology Center of USC; it was headed by Dr. Bob Knight of the University faculty; and it was conducted by a team of Ph.D graduate students.

After this Leisure Village project was completed, similar studies were conducted with another group of seniors elsewhere and also with another younger adult group. These studies have now been completed, and all their data collated and evaluated.

A meeting will be held in Leisure Village at which Dr. Knight will report back on these results, especially their meaning for us as seniors. This meeting will take place on Tuesday, February 29, at 1:00 p.m. in the MPR.

At that time, Dr. Knight will discuss the following:

- 1) What were the results of the study involving our senior participants?
- 2) How do these results compare with other seniors?
- 3) How do these results compare with younger age groups?
- 4) What is the significance of these findings?
- 5) How can this information be used personally as well as professionally?

All interested residents are welcome, and all those who participated in the project are especially urged to attend this meeting. For further information, please call Lillian Hawthorne at 987-6790.
