2. If the information is required to validate the prompt response, please include as an attachment. Reviewers are not required to search website URLs for information regarding the proposal.

Additional Information:

Notification of Implementation:

Under Standard One, it is the institution's responsibility to notify WSCUC when a program begins. You are required to confirm implementation of the program in order for the program or location to be listed on the WSCUC website for purposes of financial aid eligibility verification by the U.S. Department of Education.

Login to the Accreditation Management Portal and mark this program as Active within 30 days of implementation. Failure to report implementation may result in the suspension of financial

aid eligibility for enrolled students. Repeated non-compliance with this requirement could also lead to a sanction of the entire institution under Standard One.

Representation of Status:

Commission approval of a new degree program signifies that the program is covered by the WSCUC accreditation of the institution as a whole. Approval by WSCUC should not be represented, in marketing materials or any other form of communication, as program-specific accreditation, such as that bestowed by a specialized, professional, or programmatic accrediting organizations.
