

Evacuation Center Needs Materials

Miss Helen Aihara, former student at San Jose State college, now at the Japanese evacuation center in Salinas, is interested in starting an educational activities program at the center and needs materials for craft work, according to Mrs. Louise Carver, personnel office.

Materials needed by Miss Aihara are: Scraps of material, string, rope, empty spools, wheels of all kinds, clothes, rags, crayons, paper, books, magazines, pencils, paints and screens.

Anyone wishing to help in this project by donating some of these necessary materials may bring them into the Publications office. Mrs. James C. DeVoss will arrange for sending the collection to Miss Aihara, Mrs. Carver announced.
