Leslie P. Arnberger, Superintendent Yosemite National Park P. O. Box 577 Yosemite California 95389

Dear Leslie Arnberger,

It is my understanding that the National Park Service will soon be releasing a proposed Master Plan for Yosemite National Park and a proposed Development Concept Plan for Yosemite Valley. It is also my understanding that a public meeting or meetings will be held for the purpose of soliciting public input on these proposed plans.

I would certainly appreciate receiving copies of these documents when they become available, and I would also like to be notified as soon as the time and place for the public meetings have been announced.

I trust you will see to it that my name is placed on the proper lists. Thank you.

Sincerely,

George W. Whitmore
