

County of Ventura

Office of the County Executive
Loren W. Enoch
County Executive

July 30, 1971

City Managers
Cities of Ventura County

Gentlemen:

DISCUSSION WITH SENATOR ALAN CRANSTON

The enclosed letter from Senator Cranston indicates that the subject of discussion on August 13 will be revenue sharing rather than Association of Governments.

This subject has also been of major interest to municipalities and counties, and possibly the enclosed letter from the Senator should be made available to the Mayors.

Very truly yours,

LOREN W. ENOCH
County Executive

LWE:mj
