

LYNDON B. JOHNSON

for President

NATIONAL FARMERS COMMITTEE FOR JOHNSON

Headquarters: STATE OFFICE BUILDING, NASHVILLE, TENNESSEE

WILLIAM (RED) MOSS
Chairman

June 29, 1960

JOHN WHITE
Co-Chairman

Mrs. James M. Tolmach
Oxnard, California

Dear Mrs. Tolmach:

The Republican failure to provide real leadership in meeting the problems of American Agriculture could well be a decisive factor in the coming defeat of the Republican Party. To take the greatest possible advantage of this shortcoming, we Democrats must choose a candidate who can gain the enthusiastic support of the farmers.

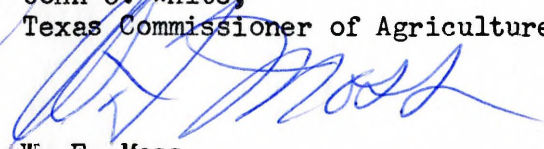

Senator LYNDON B. JOHNSON'S RECORD during his 23 years in the House and the Senate has already proved his position. The farm problems of the nation have been his problems.

We invite you to read the enclosed resume of his voting record.

Sincerely yours,

FARMERS FOR JOHNSON COMMITTEE

John C. White,
Texas Commissioner of Agriculture

W. F. Moss,
Tennessee Commissioner of Agriculture
