

MODEL ARRIVED PREFER HIGH TOWERS DONT OBJECT TO CHIMNEYS  
WHOLE THING WONDERFULLY GOOD ONLY QUESTION ONE OF TIME  
WHEN WILL TOWERS BE COMPLETED SO WE CAN LIVE IN THE HOUSE

MR WILLIAM RANDOLPH HEARST

137 RIVERSIDE DRIVE, NEW YORK, N.Y.

WOULD YOU CONSIDER MAKING THE TOWERS OF WOOD FRAME AND  
STUCCO CONSTRUCTION WHICH COULD BE ERECTED WIHTOUT OPENING  
UP ROOF. IF OF CONCRETE WOULD HAVE TO RISK STORM DAMAGE OR  
WAIT TILL SETTLED WEATHER AS COULD NOT KEEP TEMPORARY COVERS  
OVER IN [?] WE HAVE BEEN HAVING. MARKED GARDEN PLOTS FRIDAY. DO  
CHIMNEYS [?]
