ALVISO C.S.O. FAMILY HEALTH CENTER

Inaugural celebration Saturday, May 8th - 10:00 a.m.

The inaugural ceremonies will take place at 12 noon, to be followed by a traditional Mexican meal prepared and served by the women of the community. Beer will also be on sale. A Mariachi Band will provide music from 1:00 till 5:00 in the afternoon, special events will take place while the Mariachis are catching their breath, EL TEATRO URBANO from San Jose State will be on the Special Events to take place.

Children will be supervised in a special play area, there will be dancing from 8:00 p.m. till midnight. Several special guests have been invited. These include Cesar Chavez and Senator Robert Kennedy, but at present have not received confirmation from these people.

Below, in very brief chronological order, are the major events and actions that took place. It should first be noted that nothing could have been accomplished without heroic effort, co-operation and mutual trust of many people in the community.

Left to right: Bill Cole, Manuel Martinez and Plumbing contractor Inocente Diaz discuss plumbing technicalities.

1. Spring, 1966: A group of community people formed an organization called ACCION. This group was made up of both Anglos and Mexicans. The purpose was to try to solve community problems.

2. June, 1966: ACCION defines health problems as the community's greatest need. A health committee is formed to seek solutions to this problem.

3. July, 1966: ACCION dissolves due to language problems between Anglos and Mexicans. Health committee continues to seek ways to solve community health problems. The services of two doctors at 2 hours per night, 5 nights a week is arranged between the Adult Pro-

bation Dept., the I.R.S., and the Health Committee.

4. August, 1966: Interest in the Health Committee's progress grows in the Mexican community and a new group is formed, called the Community Service Organization. The C.S.O. is a chapter of a national organization. The Community Service Organization assumes leadership in seeking ways to establish an out-patient clinic. They secure the use of a small room in the back of the local Community Action Agency's (local office of O.E.O.'s War on Poverty) Office, and after many trips and much haggling with Santa Clara County Hospital, receiving enough cast off equipment to furnish an examination room. Sample drugs are solicited from area doctors and a small out-patient night clinic is opened.

5. September, 1966: The C.S.O. Health Committee begins to administer the night clinic. They do their own book-keeping, pay bills, collect accounts receivable, set up records system. This is all done on a volunteer basis.

6. October, 1966: C.S.O. recognizes a need for a much more adequate health services program and starts to seek funds to establish a more comprehensive program with a building of their own. The group makes contact with Dr. Ernesto Garlarza, a consultant with the Ford Foundation. Dr. Garlarza advises C.S.O. that if they could put together a proposal of what the group could do with \$10,000, he will present it to the Ford Foundation. A 4-unit motel structure, that is for sale, is located by one of the members. A delegation, with violins and sad song, visits the owner and he agrees to give the structure to C.S.O.

7. November, 1966: C.S.O. submits application to Ford Foundation. C. S.O. also gets a 20 year lease of a 50' X 135' city lot from the City of Alviso after exerting much pressure on the City Council. A delegation of C.S.O. members visit the Santa Clara County Public Works Department to get some fill dirt to bring the clinic site above street level (Alviso is 8 feet below sea level).

8. December, 1966: The County

Public Works Dept. agrees to provide 3,000 yards of fill dirt. C.S.O. buys dump-truck drivers a bottle or two and receive 12,000 yards of fill dirt.

9. January, 1967: C.S.O. is notified by Ford Foundation that it is awarded a \$10,000 grant as seed money to start and operate their clinic. O.E.O. hears of C.S.O. activities and the Ford Foundation grant and sends a representative to Alviso to offer C.S.O. assistance. The C.S.O. Health Committee and C.S.O. Board of Directors agrees to apply for O.E.O. funds on two conditions. First, that funds go directly for C.S.O. in Alviso and O.E.O. in Washington, D.C. Second, that C.S.O. be allowed to design its own program to fit its own needs.

10. February, 1967: C.S.O. starts work on preparing a proposal for a comprehensive Neighborhood Health Center. The motel unit is moved from South San Jose (15 miles) to its present location. The members of C.S.O. start remodeling the building.

11. March, 1967: Every weekend members spend their time remodeling the building. The women of the community prepare lunch for the men working on the Health Center. C.S.O. completes its proposal and sends it off to O.E.O.

12. April, 1967: C.S.O. elects a delegation from the membership to represent the community in Washington, D.C. when the proposal is negotiated with O.E.O. officials. Accompanying the C.S.O. delegation is Dr. Robert Alway from the Stanford University and Dr. Joseph Ignatius of El Camino Hospital. The session is very emotional and the C.S.O. delegation is ready to walk out because any real understanding of the problems of low-income people is lacking on the part of some of the O.E.O. officials. Compromises on a few major areas of disagreement are reached, and the delegation returns to Alviso.

13. June, 1967: C.S.O. receives telegram from O.E.O. that it has been awarded a \$447,638 grant to establish a comprehensive Neighborhood Health Center program. Work continues on remo-

deling Health Center building. Every Saturday and Sunday 10-40 community people go down to the center and work. Women in the community prepare a hot lunch (which is really a feast) and bring it down to the center.

The rest of the story is one of hard work and dedication by many people in the community. Some members have attended meetings at least once a week for the past 12 to 14 months and given up their weekends with their families in order to work on the clinic.

The walls in the center are covered with vinyl through the cooperation of Mr. Rod Thompson, of the Resilient Floor Coverers Association. He arranged for C.S.O. to acquire all the leftover material from the Los Angeles Airport. He also arranged for an apprenticeship class to lay the tile and carpet on the floors. 95% of the work on the Center has been done by community people on a volunteer basis. The electrical, plumbing, heating and air conditioning was contracted on a low bid or at cost basis. Nicholson-Brown Construction Co. has provided a building and construction supervisor on a cost basis. He has earned his weight in gold in showing us how to do things right, and how to cover up mistakes. It must be stated that the center has been built twice. Wrong the first time and right the second time. The end result, in dollars and cents, has been the investment of \$30,000 to produce a building worth over \$100,000. On another level, the end result has been the investment of thousands of volunteer hours to produce real involvement in community affairs.

NEW ARRIVAL

The stork finally arrived for the Henry family. Chris had a baby girl on May 16, at 8:40 at the Doctors Hospital. Her name is Andrea Nadine. She weighed 7 lbs. 12 1/2 ounces and was 19 1/2 inches long. She sure is a pretty baby, Chris and Ron. But remember while sitting there in a houseful of girls Ronnie, you still have Nikki!! Maybe next time.

SPORTS

Our ball team has been doing all right I guess. We won our first game 1 to 0 against Latin Barber Shop. I wasn't able to attend the game but I hear it was a good game. Our second game we lost to Los Torres 2 to 1. Come on boys lets see some home runs!!

BIRTHDAYS

I would like to wish Mrs. Beverly Espinoza a very happy birthday, on May 24. Hope you have many more Babe.

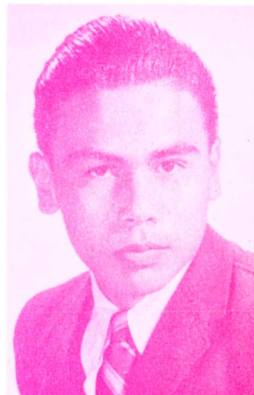

Also to Mark Anthony Munoz who was 2 years old on May 22. And coming up last is Tom Alvarez who had his birth-

THE MEXICAN-AMERICAN
YOUTH ORGANIZATION
(M.A.Y.O.)

" Creators of a New Image "

M.A.Y.O. is composed of high school students, primarily Spanish named, but not limited to them. Our organization of whereby we can work together towards higher education. Unity, to provide an opportunity for social and service activities which will enrich our lives and our community's. Unity, to develop self-assertion and leadership. We have a long, hard road ahead of us, a road which runs in many directions, and we want only one. The direction to achieve our goals and follow that road, as PROUD MEXICAN-AMERICANS.

It turned out to be a warm, sunny day after all on Saturday, May 25, to the relief of 15 to 20 students from James Lick High School Mayo Chapter. These students raised \$40.00 by washing cars for the purpose of contributing in a small way towards the Washington "Poor People's March". The Mexican-American Community Services Agency, The Central Mayo Office and The Mayo Chapter of James Lick High have now raised \$77.00.

I would like to especially thank Mr. Oscar Gonzalez for letting us use his Texaco Service Station on Alum Rock and Jackson Avenues, and its facilities free of charge. He helped make our M.A.Y.O. carwash possible. A special thank you to Lucille Bueno and all the James Lick MAYO Members who provided a magnificent job of labor.

M.A.Y.O. is having its third quarterly meeting on June 8, 1968, at the Santa Clara County Welfare Building, from 2:30 p.m. to 7:00 p.m.

Sincerely,
Sallie Beltran,

CARTA ABIERTA Al Mister Daniel Saldaña

De la manera mas ENERGICA y ante los buenos Mexicanos de nuestra comunidad protestamos por la indigna y grosera actitud asumida por usted el Domingo 5 de Mayo de los corrientes, en el Jardin St. James de esta Ciudad.

Personas como usted, no solamente se desprestigian a si mismos, sino que - tambien son un descrédito para la Organizaci6n o agrupaciones a que pertenezca usted, Mister Saldaña.

En que forma o? Por que le molestó usted nuestra presencia a la celebraci6n que se verificaba en dicho lugar, para que por ello le merecieramos los insultos que no dirigió por el microfono? Sería que por nuestra desinteresada cooperaci6n demostrabamos un Mexicanismo del que usted carece, ya que usted renunci6 a la CIUDADNIA MEXICANA -- "dizque" con la excusa de que así usted prestaría mejor ayuda a los Mexicanos, cosa que nunca ha hecho, o así interpreta la cooperaci6n insultándonos publicamente?

La Charrería es la simbólica representaci6n del Mexicano. Así se simboliza a Mexico con la figura de un Charro. La Republica Argentina, con un Gaucho, y usted Mister Saldaña ha tenido la osadía grosera de insultar a lo que representa a Mexico. Eso es ser un buen Mexicano? Donde qued6 su literatura, sus buenas maneras que presume usted tener? Su educaci6n y su talento quedaron a la altura de las pezuñas de nuestros caballos.

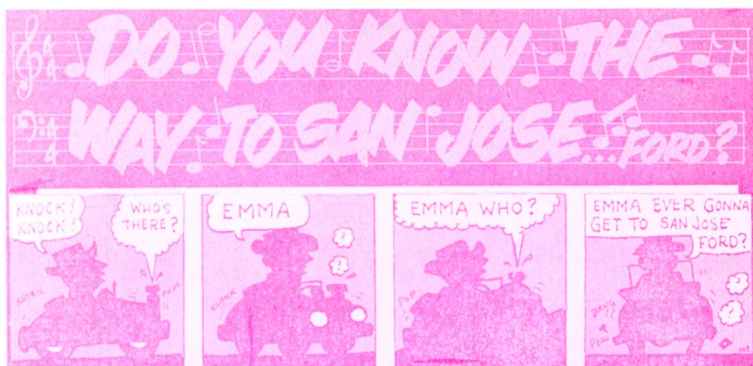

Nosotros no nos creemos de alta categoría, somos personas humildes, respetuosas y sencillas. Pero hemos tenido la suficiente educaci6n para no haberle contestado como se contesta un insulto.

Hemos preferido protestar publicamente, y así hacer del conocimiento de quien lo escucho a usted proferir insultos, y de los que no lo escucharon, para que conozcan la clase de persona que es Mister Saldaña. Este Mister Saldaña nos llamo un publico "CHARROS MONTAPERROS" y sepa usted que todas las Asociaciones que estuvieron allí representadas son personas que al portar el traje de Charro y montados a caballo, se sienten sumamente orgullosos. No solamente de ser MEXICANOS, sino de representar uno de los SIMBOLOS MAS DIGNOS DE MEXICO, como lo es la "CHARRERIA MEXICANA".

Considerese usted Mister Saldaña, indigno de llamarse Mexicano, y abstengase de concurrir a actos Cívicos Patrióticos Mexicanos, por que con su presencia y su actuaci6n denigra nuestra Nacionalidad.

Many of you might be very anxious to stop studying, but believe me someday you might say "why didn't I keep on studying"? God Bless all of you. I would like to thank the graduates who have been sending me invitations, and I hope to attend them all and next time I hope to mention some more. Happiness to Kiko Morales and Elvira Robles on their marriage June 8th. Thanks for the invitation, we hope to cover this event and let all our readers read about it, in our next issue.

It was not my intention to cause so much commotion with the initials I wrote of girls that wear long skirts. The fact of the matter is that they didn't belong to anyone especially, they were just picked at random, but if you are one of the persons that talked to me about it, it could make you guilty, but than if you want to wear long skirts it's your prerogative. Punto y aparte.

Club San Felipe offers its' sincere sympathy to the Marquez family in the loss of their beloved one, Mr. Jose Marquez, may he rest in peace.

Club San Felipe president Joe Flores has just returned from the Post Office State Convention in Stockton and in August he will attend the National Convention in Minnesota. Keep up the good work Joe.

Harry Evans, Bossman of the Starlight Ballroom is off to Europe for a months vacation. Good luck and have a good time, Harry.

I can't figure how a club that bought one hundred and thirty dollars worth of fryers for the 5th of May celebration sold them all and only made \$100.00. Que batalla!!

GOLF TOURNAMENT

Maria's Club had a Golf Tournament on Mother's Day under the leadership of Armando Palacios. Fatman Lew and Cruz chickened out - too much booze the day before! Angel Dominguez took First place, Mark Esparza - Second, Al Palacios - Third, and Dan Aguirre made a hole in one, so he says, no witnesses. Dan was also voted the man most likely to beat De Vicencio. Armando will only scratch his head.

Exerpts taken from actual letters

received by I ain't saying:

1. I am forwarding my marriage certificate and my six children. I had seven but one died which was baptised on a half a sheet of paper.

2. I am writing to say my baby was born 2 years old, when do I get my money? (Sanchez is waiting)

3. I am glad to report that my husband who was reported missing is dead. (Sanchez is taking his place)

4. Mrs. Jones has not had any clothes for a year and has been visited regularly by the clergy. (No Sanchez here)

5. I can not get any sick pay. I have six children, can you tell me why?

6. This is my eighth child, what are you going to do about it. (Ask Sanchez)

7. Please find for certain if my husband is dead. The man I live with now can't eat or do nothing till he knows. (He is not a real Sanchez)

8. I am forwarding my marriage certificate and my three children, one of which was a mistake, as you can see. (Sanchez slipped)

9. In answer to your letter I have given birth to a boy weighing ten pounds. I hope this is satisfactory. (Viva Sanchez)

10. My husband got his project cut off two weeks ago, and I haven't had any relief since. (Where is Sanchez)

11. Unless I get my money very soon, I will be forced to lead an immoral life.

12. You have changed my little boy to a little girl, will this make any difference? (Sanchez means money wise)

13. Please send money at once, I have fallen in error with my landlord. (Sanchez no want to pay)

14. I have no children as yet, as my husband is a bus driver, and works night and day. (Where is and what happened to Sanchez)

15. In accordance with instructions, I have given birth to twins in the enclosed envelope, (Sanchez never fails)

16. I want money as quick as I can get it. I have been in bed with the

17. I am very much annoyed to find that you have branded my boy as illiterate and this is a dirty lie. I was married to his father a week before he was born. (One week before - one after, so what! a true Sanchez deal)

ALL ABOUT SANCHEZ

Once upon a time there were some Mexican-American soldiers stationed with one anglo soldier. The anglo would always hear the chicanos mention "El Sancho". He thought that sancho and Sanchez were the same. (Sanchez is a last name, sancho is the gigalo that's with the wife when the husband is away). The anglo wanted to know how to catch Sanchez so the chicanos told him to leave earlier than usual and take a bat - knock at the front door, run to the back door and wait. The anglo did just that, a man came running out the back door and the anglo grabbed him by the neck and said, "are you Sanchez?" "No! No! me Garcia - well get the hell out of the way I am waiting for Sanchez!

LETTERS TO THE EDITOR

Sr. Humberto Garcia
Dorector del Excentrico
Muy distinguido señor director

Siendo usted la unica persona que se preocupa por que los Mexicanos tengamos un periodico que ve por nosotros le paso a decir lo siguiente.

Señor Garcia he vivido en San Jose muchos años y me gusta ir a las fiestas mexicanas pero me doy cuenta de la habladas que se dicen nuestros paisanos nos tiramos pedradas unos a otros y los gueros estan muertos de risa. Yo creo que lo mejor que teniamos que acer es reconocer que tenemos gentes muy inteligentes entre nosotros los paisanos y juntarnos con ellos para conseguir la dignificacion del Mexicano, como dice el Señor Saldaña cuando nos echa sus espiches en publico.

El Señor Saldaña que es escritor del Excentrico renuncio a la Presidencia de la Comision Honorifica Mexicana le pidio al doctor Torres Bodett unos libros en Español que ya estan en la libreria de Alum Rock, el Señor Saldaña es un gran Mexicano. No se por que renuncio de seguir de Presidente siendo que cuando el estaba se vio como que tenia una cabeza y un corazon para nosotros los Mexicanos.

La estatura moral del Señor Saldaña su cultura, sus conocimientos de la Historia Mexicana y su honradez le daban a la Comision Honorifica Mexicana Inc. de San Jose, un sello seriedad y de dignidad y se vio muy clarito que el Señor Saldaña no se encumbro en la Presidencia de la Comision, fue la Presidencia de la Comision la que ascendio hasta el Señor Saldaña. Tal vez usted Señor Garcia me pueda decir por que cuando hay alguie que quiere a nuestra gente con la caveza y con el corazon nos tienen que

abandonar cuando mas los necesitamos.

Yo no soy escritor pero como los compañeros escritores del Señor Saldaña cieran el tintero y se hacen los que nc saben es mejor que los haga yo aunque no sepa ni como. Yo que me perdona usted Señor Garcia y tambien el distinguido y culto Señor Saldaña.

Muchas gracias le doy por esta,
Jose Garcia Lopez, Mexicano.

How can you tell when you are in LOVE?? (Question was asked at Angie Coronado's Beauty Salon).

The following answers are from her clientele and staff:

CECILIA RAMOS No comment!

HENRIETTA Q My husband makes me very happy; it's a sincere affection and I'm just very happy.

LUPE CUELLAR I have never loved, so I can't answer that question.

DOLORES GONZALEZ, Beauty Operator It's hard to say how I can tell when I'm in LOVE, but lately I have a tendency to drop things or trip against objects. (About this time she dropped her comb, must have been thinking about "Him".)

L.N. In our first LOVE everything seems easy and we take things for granted. But if a person is lucky to fall in LOVE the second time, it's even more beautiful because of the past experiences especially when they reach middle age. We have to distinguish between being in LOVE or being INFATUATED with someone; many dreamers can't tell the difference until they wake up.

SUSIE, Alias different names I have been in LOVE so many times that now I can't tell the difference. Although I'm always ready to learn the "feeling" of LOVE. I know this much, when you are not in LOVE there is a feeling of loneliness and an emptiness within you. What else is there to live for if there is no LOVE? (You are right SUSIE, without some LOVING you just aren't living right.)

ESTHER REYNOSO, (engaged to be married soon) I don't think anybody can tell when they are in LOVE, it just happens, sort of creeps up on you. If a

couple can overlook each other's bad points or can put up with each other's faults, then they should be able to get along together, and love each other forever.

MARCELLA B I have been married 11 years and am very happy with my family. When you find somebody you want to share your life with and can put up with their faults and they can put up with yours and still RESPECT each other then you can say there is LOVE in your family.

RACHEL PATINO How can you define LOVE? It's an everyday thing for without it you can't exist. It's so much part of me that I can't separate LOVE from myself; it's my very existence for without it I would just be a "Vegetable". (Aha, now I know, those that don't know how to LOVE serán "Vegetales").

SAD NEWS?? Backers of the movement to recall Gov. Reagan claim they now have 500,000 signatures on petitions and need 280,000 more before July 31st in order to force the issue into the November general election ballot. If it gets on the ballot you may vote to impeach him out of office. "The sad news is that many of us aren't registered to vote".
