*Jack* 

I take pleasure in informing you that we have a new appointee to the Board replacing Dolly Villaflor. She is Jane McCormick Tolmach whose appointment was announced by the Governor's Office Friday, August 6.

Mrs. Tolmach is a resident of Oxnard where she has served as city council member, mayor, and member of the high school district. She is active in Democratic state and national politics.

We will all have a chance to get to know our new colleague quite soon because she will be attending the retreat. Welcome on board, Jane!
