Twenty-fifth Annual Commencement
CALIFORNIA STATE UNIVERSITY, FULLERTON

From the President

It is with sincere pleasure that I welcome you to California State University, Fullerton for our 25th annual commencement. Commencement is a very special time for graduates, their families and friends, and the campus community; we are delighted we can share the experience with you.

During our six individualized ceremonies on May 26-27, the University honors some 4,800 undergraduate and graduate students who completed degree requirements in January or who expect to do so in May or August. It is fitting that recognition of their accomplishments should be in your presence, for as professors, relatives, or friends you have participated in a variety of ways in helping them attain their academic goals.

On behalf of all of us at Fullerton, I offer hearty congratulations to this class of 1984 upon reaching this educational milestone. May you have continuing success in all of your future endeavors.

Jewel Plummer Cobb
President
California State University, Fullerton

From the Alumni

Today marks a very special day in your academic career. As President of the Conference of CSUF Alumni representing the more than 50,000 alumni of the University, I am very pleased to congratulate you on your accomplishments and graduation from Cal State Fullerton.

As your education has provided you with a foundation for your personal and professional life in the years to come, CSUF Alumni wish you great success!

You are automatically a member of the Conference of CSUF Alumni as you graduate. You will soon be receiving your first newsletter. We encourage you to participate energetically and enthusiastically in alumni activities.

A. Terrance Dickens ('67)
President
Conference of CSUF Alumni

School of Mathematics, Science and Engineering Exercises	42

Explanatory Notes

LIST OF CANDIDATES: Students eligible to participate in the 1984 commencement exercises are January 1984 graduates and May 1984 and August 1984 candidates who filed for graduation prior to the announced deadlines. This program does not constitute an official degree listing. The appropriate diplomas will be issued to candidates who have completed all requirements.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade-point averages follow: Honors, 3.5; High Honors, 3.85; Highest Honors, 4.0. Honors and High Honors notations appearing in lists of May 1984 and August 1984 candidates are based on the students' records at the end of the fall semester of 1983. Highest Honors notations are carried only after the students either have completed their degree requirements or have performed at the 4.0 level in their final courses at the time this program went to press. Official designations are dependent upon the students' complete records.

PRESIDENT'S SCHOLARS: Students who are President's Scholars are noted in the list of candidates. This program to recognize academic and extracurricular excellence is sponsored by the President's Associates.

PHI KAPPA PHI: Among those participating in commencement exercises are students wearing a white ribbon with a zigzag design. These students have been elected to membership in the Honor Society of Phi Kappa Phi, a national organization founded in 1897. Students are selected for membership from all of the recognized academic disciplines based on records of outstanding scholarly achievement.

THE CONSORTIUM OF THE CALIFORNIA STATE UNIVERSITY: The Consortium is a separate, fully accredited, degree-granting entity of the California State University that draws on the resources of the 19 campuses to offer external statewide and regional degree, certificate and teaching credential programs.

PHOTOGRAPHY: The Conference of CSUF Alumni has arranged for a commercial firm to photograph each graduate at the moment he or she crosses the platform. Graduates are informed before their exercise of how to receive a proof without obligation and how to order prints. While guests may take photographs during the ceremonies, in the interest of decorum they are not allowed between the seating area and the platform.

RECEPTIONS/FOOD SERVICE: Reception will follow several of the exercises and feature complimentary refreshments. For persons desiring to purchase food or beverages, the Snack Bar in the University Center will operate from noon-5 p.m. May 26-27.

Regalia

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. United States universities have standardized the academic dress so that its features are generally uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. Light blue gowns are worn by candidates for associate degrees in terminal technical curriculums. The pattern varies with the degree held: pointed sleeves for the bachelor's degree; short sleeves for the master's degree; and round, full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down the front with black velvet and trimmed with three bars of the same material across the sleeves — or the color of this velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining to the subject of the degree.

THE CAP: The standard cap is the mortarboard, usually the color of the gown. The standard tassel is black, but at Cal State Fullerton many students wear tassels reflecting their disciplines. Doctoral caps have gold tassels.

TRIMMINGS: Color trimmings on doctoral gowns and hoods indicate the following: light blue, Doctor of Education; dark blue, Philosophy; white, Letters; brown, Fine Arts; golden yellow, Science; purple, Laws; pink, Music; green, Medicine; scarlet, Divinity; crimson, Humane Letters, and light coffee (drab), Business Administration.

THE MACE: The mace, first used in 1975, and the mace holder, first used in 1979, were designed especially for Cal State Fullerton by John L. Berg, who earned his Bachelor of Arts in Communications in 1973 and Master of Arts in Art in 1976. The design of the mace reflects the University's architecture colors (blue and white) and location — the site of the first commercially grown valencia orange grove. The stem is of cocobolo, a wood orange in color, while the University's colors are represented through the use of ivory and niello. At the top of the mace is the University seal.

PRESIDENT'S MEDALLION: The medallion worn by the President at Commencement was commissioned in 1983 by the Friends of the State University and created by Frank E. Cummings III, associate dean of the School of the Arts who earned his Master of Arts in art from the University.

Acknowledgments

Commencement Steering Committee: Marlys K. Rietman (Chair), Ronald Andris, David D. Baird, Dennis F. Berg, Janis M. Blake, Charles B. Blanton, Stanley Blood, Martin E. Carbone, Michael H. Clapp, Daniel Galitz, Janice Haga, William D. Huffman, Thomas Jones, Jerry J. Keating, Marc Kellenberger, Judy Melchior, Todd Miller, Walter Nowacki, Gary W. Parker, Frances P. Pospisil, Spergeon Taylor

School of the Arts Exercises: Frank E. Cummings III (Chair), Thomas J. Holste, William D. Nicholls, Ronald D. Wood
