Miss Julia Morgan,
Merchants Exchange Building,
San Francisco, California.

Dear Miss Morgan:

I would be glad to try the housekeeper who was at San Luis Obispo provided we are reasonably sure that she would succeed. I would not want to take her away from a job otherwise.

2. I do not know about the salary for the new housekeeper. She should certainly not receive more than Mrs. O'Brien receives.

3. I would want to be liberal in notice to Mrs. O'Brien; that is to say I would be willing to pay her for three months.

4. I think the new housekeeper should go over the accounts with Mr. Sokolow.

5. I would not want Signa Erickson back. She was very ill natured to everybody and I was glad to get rid of her.

6. I do not think the uniform is necessary.

7. I will interview the woman from Hollywood and let you know the situation there before you speak again to the San Luis Obispo woman.

Sincerely,
