Mrs. Jane Tolmach  
656 W. Douglas  
Oxnard, California

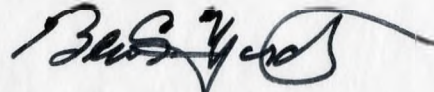

Dear Jane:

Please accept my somewhat belated congratulations upon becoming the city's first councilwoman and further let me add that I am very glad we have your will signed as it may now become more important than ever before.

Seriously I think you have holes in your head, as you know, but it should be interesting and again congratulations.

Kindest personal regards.

Sincerely,

Ben E. Nordman
