Dear John,

Million thanks for honoring me with the  
Ventura County Climate Change Hero Award.

I was truly surprised and delighted to have been chosen  
out of so many worthy candidates. I have been showing the  
Award to many of my family and friends and with me are enjoying the honor.  
Be assured of my continued dedication to proceed with great enthusiasm,  
to work with you and others, on Climate Change Actions, needed to  
accomplish healthy sustainable Oxnard and Ventura Communities.

Again, Thank you.
