My Dear Mr Hearst

On October 15th Miss Morgan was  
stricken with a <sup>serious</sup> intestinal illness which  
necessitated an immediate operation  
~~Since then she has been in grave~~  
~~There was an obstruction removed,~~  
~~The operation left her, of course, very~~  
~~sick & her life was in a dangerous condition~~  
~~until yesterday, when she began to~~  
~~show signs of recovery.~~

but she is now able to take food  
& her physician reports that her  
condition has turned toward recovery

She will be confined for several  
weeks

Yesterday she showed her <sup>renewed</sup> ~~first real~~  
<sup>interest</sup> in life ~~again~~ by asking what if any  
damage had been done by the earthquake  
at San Simeon

I know you will add your hopes to  
ours

Yours sincerely  
Thaddeus Dwyer

I shall be at San Simeon on the 27th & shall take  
up the matter of telephones etc among other things  
have something to report on the telephone matter then and

My Dear Mr. Hearst:

On October 15th Miss Morgan was stricken with a serious intestinal illness which necessitated an immediate operation. She was in a dangerous condition until yesterday, but she is now able to take food and her physician reports that her condition has turned toward recovery.

She will be confined for several weeks.

Yesterday she showed her renewed interest in life by asking if any damage had been done by the earthquake at San Simeon.

I know you will add your hope to ours.

I shall be at San Simeon on the 27th and shall have something to report on the telephone matter then and will also send you a report of how work is progressing.

Mr. Nusbaum visited the Santa Monica job last Monday.

Yours very truly,

Thaddeus Joy
