Hello Sanoe,

My name is Michele Serros and I like to take this opportunity to tell you how much I am inspired by you. Okay, here it goes, I am inspired by you! I have your book, *Surfer Girl*, and at age forty, it has helped me a lot with many of my surfing fears. Still haven't gotten over the shark factor...yet. I'd like to give you a copy of my new book, *Honey Blonde Chica* – A story of friendship, designer flip-flops and fat free Mexican sweet bread. Yes, it's your basic young adult novel about the "Haves and the Have *Mas*. The protagonist, Evie Gomez, is actually inspired by your role in *Blue Crush*!

I hope you enjoy my book. I'd love to get your opinion on it and perhaps have you share in future celebrations for *Honey Blonde Chica*.

Thank you!

Sincerely,
