

00:00:06:14 - 00:00:18:24

Speaker 1

Interesting.

00:00:18:26 - 00:00:34:27

Speaker 2

Guys, myself. If I could, I could, I could, you know, I always think we. Right. And it's was because. And it's not because, you know, an emotional or anything, but it's because I'm happy to relinquish, you know, because it's been a good year for me. But that was two years ago for me.

00:00:34:28 - 00:00:37:05

Speaker 3

Because I was a teacher.

00:00:37:07 - 00:01:05:02

Speaker 2

Yeah, I know, it's cute. I have to tell you, I love those kids. I met them this past year. My teacher invited me to the class to speak to them. And when I when I kind of was, you know, scared, even though it was kids. But you look up to, you don't want to mess up because it you know, kids and the especially the boys you get to meet at school and I have a notebook because we played a game where you can't you can't talk to write notes to each other.

00:01:05:04 - 00:01:20:28

Speaker 2

And these kids wrote notes to me, like most beautiful girl I've ever seen, you know, put on. They don't know any better, you know, it's like, look why he said, Will you marry me? And, you know, I threw.

00:01:21:01 - 00:01:21:25

Unknown

And you know.

00:01:22:01 - 00:01:46:14

Speaker 2

I was I have never been so touched in my life when I got those notes. So I put those notes in carefully. I think you know, and it tipped them up and it to this whole you come home last week during finals, I was going through studying finals, being up, trying to prepare for this coronation because I wanted to put all I had to win it instead of only I could.

00:01:46:14 - 00:02:05:29

Speaker 2

We can still open longer here. So I got up in the first place. So, you know, I know if you read those notes, I see the first. And I didn't mean to use Library Coast, you know. So not thank you for coming here. Thank you for your spend your time stamps. Wonderful. And for bringing your kids. I'm so happy to see them.

00:02:06:06 - 00:02:31:29

Speaker 2

Now it's time to the National Academy. First, let me begin with my one of the things that you we I don't know, this is what I do when they know that this is for us. If people want to get it to somebody else who has to is that it's like, yeah, there's because it is in.

00:02:32:02 - 00:02:34:27

Speaker 2

Quotes person and in fact forget it's.

00:02:34:27 - 00:02:35:14

Speaker 1

The remember.

00:02:35:14 - 00:02:48:09

Speaker 2

The let me be the noise person that allows you to this in your ego by people. This feels like like the across the field is very.

00:02:48:12 - 00:03:09:20

Speaker 2

This we now getting to know these new ladies this year or actually I think you will come on for a while now, but I just met mostly all them on Thursday. And as you know, before I to go on, I want to say, this is the first time that you've to go over the coronation. I'm talking about it for my children.

00:03:09:23 - 00:03:28:27

Speaker 2

And I wanted to help here because I don't want that thing to go wrong. I'm sorry. Really, but those would be under control. It's easy for you to. You pretend it hasn't started. Did you hear the music about what are they doing? Easy for you to complain. I'm not pointing fingers or anything that want you to know how much.

00:03:28:27 - 00:03:42:21

Speaker 2

Put a heart into. So I want you. Please. I want to hear.

00:03:42:23 - 00:04:06:27

Speaker 2

Moments like this. It's all right. Is open and free. Like I said, I want to actually, share with you something that happened Thursday. Like I said, it's the first time that you takes it over. And you. It's doing it. We we know what they need and what they need to do their best tonight. So Thursday we do a little ceremony for the kind of an event that April they planned.

00:04:07:00 - 00:04:12:05

Speaker 2

we did them well. We blindfolded them first and we took them for a little ride and didn't know.

00:04:12:05 - 00:04:12:28

Speaker 3

Where we were going.

00:04:12:28 - 00:04:33:10

Speaker 2

And we went up to Mount Hamilton every once in a little bit, the hills up there somewhere. And we took them up there and it was at night time. And our surprise to them what it took him out of the car, put them on the street somewhere, you know, actually kind of I was away from the cars and came by and we put up.

00:04:33:14 - 00:04:56:19

Speaker 2

So we took off with like we could see our city of San Jose. And then we're going to continue with a little ceremony. And when we before we took off the blindfold, you know, they're like trying not to trip and maybe even perfectly state, but you and a cop rules up. Oh so I go to the coffee trying to be really nice and I think I look too nice, almost drive nice.

00:04:56:21 - 00:05:17:00

Speaker 2

And then I tell him, oh, you know, these are Queen and they're blindfolded, so you want to kill them now? I know they're quite good, even though then he says, oh, okay, well, what are you doing? Who's in charge? In charge? We're all right. I'm 22, you know, we're the only with the the labels on. And they're just standing there this.

00:05:17:03 - 00:05:34:02

Speaker 2

And then the girls are waving and smiling and and then finally, well, let's take a picture with the car. So the girl, they're trying to get to the car right next to the car, they're all smiling with their blindfolds on and, and I'm looking at them and going, I've never seen this before. And I think we've all never seen that before either.

00:05:34:02 - 00:05:53:23

Speaker 2

But I've never seen what the queen, what I saw, they're all smiling, holding hands. They couldn't see each other, but still they're always smiling in front of the car. And then of any further complex, the we're

going to do that picture to give to the mercury. You know it was mad a policeman. Well, don't worry, I'm gonna I'm gonna go to the police.

00:05:53:27 - 00:06:13:24

Speaker 2

Little did you know that I saw him this morning and I told him about it. So, you know. But after that, we, we had a little a special, special ceremony between us. Will we like, over here years. And we came and we liked it. Our hopes. And I think that's what helped me today and helps us on the track that we came back retirement to see.

00:06:13:27 - 00:06:35:13

Speaker 2

Friday we woke up. We were all related yesterday we went to the Veterans Hospital and we were in the hospital. This is the first time that the Cleveland ever does. And once again, so the youth is taking over this part forever and after this. But we've done that idea and it worked. It so wonderful because we want let me say hi to all the veterans.

00:06:35:16 - 00:06:57:06

Speaker 2

We went into this one room and this man has been, you know, committed for years to his stomach. And he was if he looked like he was so much pain. And when you saw it, he was smiling, you know, when I hugged him. And that was such a smile to the face. So I encourage whoever you know continues with this.

00:06:57:08 - 00:07:06:05

Speaker 2

No, I'm just the Queen. I want the people, especially when I can him to make an effort to go see something to him.

00:07:06:07 - 00:07:21:02

Speaker 3

Because these men was really so.

00:07:21:04 - 00:07:22:02

Speaker 2

So so so.

00:07:22:06 - 00:07:30:21

Speaker 3

But he didn't think that he was. A professional fighter.

00:07:30:24 - 00:07:32:29

Speaker 1

Would.

00:07:33:01 - 00:07:46:11

Speaker 2

Get there with all this excitement, with everything that's happened to me, changed person. I feel I am the last person when I would like him. I like to get my things. My mom, well, was always.

00:07:46:13 - 00:07:46:16

Speaker 3

My.

00:07:46:21 - 00:07:59:09

Speaker 2

Baby. One of the group of.

00:07:59:12 - 00:08:13:16

Speaker 2

Moms that you guys in my extended family that it was supporting me my whole life. But this past year, I learned that you taught me how much you love.

00:08:13:17 - 00:08:15:07

Speaker 3

You can important.

00:08:15:09 - 00:08:18:03

Speaker 2

This year, I learned that was his gift.

00:08:18:03 - 00:08:20:14

Speaker 3

I never got. But.

00:08:20:15 - 00:08:29:20

Speaker 2

But here what he told.

00:08:29:23 - 00:08:33:25

Speaker 2

My.

00:08:33:27 - 00:08:53:02

Speaker 2

These are my second year. You know, I hope that my parents do both for basically for a better life up here. And but they're local people on with us. And my whole family's on place and go. But I feel myself is here though, if you know, they're my family. But this is what I came to. So we made new friends.

00:08:53:02 - 00:09:13:29

Speaker 2

I'm an American, just born people that love me surrounded by these are my. This is my, you know, my, you know. But I prefer to sit there with you so much as you're at home. Point your hand because I want you with all my new mechanical engineering courses, traveling everywhere. And then I want to come home with you guys with your barbecue for a few moments.

00:09:13:29 - 00:09:44:19

Speaker 2

And we have almost over, you know, keep going, keep going. That's what made me go be different this year. You know, I present to you. Is that like my brother? What can I say with brothers is very honest. And when you come make this experience because our friends on this. Oh let's go this.

00:09:44:21 - 00:10:02:14

Speaker 2

Moment. I have friends to go long. But I have lot to say. This is the last time I'm in step before. You have to tell if you please. I'm trying to get every moment I can, Oh my God. Oh, my. Next. I want to thank you. April to April wants to come up here with me. thank you.

00:10:02:16 - 00:10:15:28

Speaker 2

Okay. I don't know if you noticed she was talking. She doesn't have anything else to say. I'm sorry. She said she tried. She tried really hard. And I want you to know.

00:10:16:01 - 00:10:19:10

Unknown

I went through the crisis.

00:10:19:13 - 00:10:40:00

Speaker 2

You taught the way. She taught me not to waste tons of time. Do what you can, you know, feel the pressure. And, Because I know how I do this, I you. Yeah. It's just it's so hard. It's it's pretty. You do little big things from here. We grow 3000 of these things. A lot of work went into this.

00:10:40:00 - 00:11:13:28

Speaker 2

But you'll never know. But it's okay. This is all that matters. If you. If you thought I bought it for me, I bought it for you. Let's see what you preach.

00:11:14:00 - 00:11:26:26

Speaker 2

Okay. We're just so nervous about. So I'm telling you what impressed me so much. for those of.

00:11:26:29 - 00:11:34:01

Speaker 2

Okay. And the last individual things goes to my then question for you.

00:11:34:04 - 00:11:40:05

Unknown

Well, there you guess. You.

00:11:40:08 - 00:11:41:18

Unknown

You come here.

00:11:41:20 - 00:12:04:15

Speaker 2

You know, when I met you, I had some reservations because I had heard about, you know, but but, you know, you told me yesterday that I had never met the doctor, but you said I carry his spirit like you. Some you members that really care. I think I've gotten to know the doctor once. And that's why, even though I never met.

00:12:04:17 - 00:12:17:01

Speaker 2

I hear you in memory of him. Because I told him throughout this whole conference I wanted to keep his spirit alive. I'd like to thank you for listening to the doctors and wish him that.

00:12:17:04 - 00:12:23:16

Speaker 3

I love you so much. Thank.

00:12:23:19 - 00:12:25:25

Unknown

You talk to you because.

00:12:25:25 - 00:12:49:00

Speaker 2

You brought me to state last year. I thank you so much. Thank you for the coming. I got it right before I came in. That wasn't one of those. Thank you, Modesto, over last year for your hospitality. I had a lot of fun. And of those social programs that. Ortega. I'm glad I met a friend like you from Houston to DC, Colorado to Modesto.

00:12:49:02 - 00:13:16:04

Speaker 2

When you go back to San Jose, down to Santa Maria, everywhere I go, I'll represent you. How? The spirit. I represent you with the honor that you deserve. And I'm sure that our next state that Veronica. But yeah. So a good other than those are the worst. I'm going to tell you something that I've been wanting to tell you, but I will wait so me to blow.

00:13:16:07 - 00:13:37:13

Speaker 2

But after, you know, listening to your speeches, reading your bios, getting to know you. I'm so glad I'm not a judge. I've never. I've never seen competition like this before. I mean, told me on this, this is a national. This is like a national level competition. This is. So does any one of these girls tonight, any one of these young women could have represented California for whoever it is.

00:13:37:13 - 00:13:48:11

Speaker 2

It's also for us.

00:13:48:13 - 00:14:13:03

Speaker 2

Ladies and gentlemen, they exemplify what our youth is doing. Like one of them said, you hear about high school dropout. Negative. Tonight. You're witness to see what we're made up and what we're going to continue to motivate others to follow in your footsteps. And we have two more messages. I want to them to the youth. You know, not everyone's meant to be a doctor or a lawyer.

00:14:13:05 - 00:14:34:26

Speaker 2

God gave us our own special gift. We were all doctors and lawyers and kind of hard. We're all, you know, and teachers of so many professions, so don't let anyone force you into something that you know your heart still want to do. God be with God, each one of you a gift. It's your freedom to look inside you and see what that is.

00:14:34:26 - 00:14:37:00

Speaker 2

And once you know what it is, that's your.

00:14:37:00 - 00:14:38:08

Speaker 1

Passion, life.

00:14:38:10 - 00:14:57:03

Speaker 2

And what you do from there. If you get educated, continue educated and what you're passionate in life is so you're successful, you're having a great time and you're happy because it's always about, you know, you're going to go to school and get bad grades sometimes all that. It's nothing. People criticize you. It's nothing to you. That's all that matters.

00:14:57:06 - 00:15:15:09

Speaker 2

So I hope to you that more focused on you. Do what your heart desires. Don't anyone deviating from it. Please keep going and make yourself parents. Everyone come.

00:15:15:11 - 00:15:22:05

Speaker 2

To America and you go for the next time you're in a meeting. So I want everyone's attention, though, because.

00:15:22:08 - 00:15:25:24

Speaker 3

I wonder what.

00:15:25:27 - 00:15:40:01

Speaker 2

I know that you there. Please. I want to get to. But it's my husband. next time you're in a meeting, this is for the member who goes for you for the health and security. You proposed an idea. Next time you.

00:15:40:01 - 00:15:41:05

Speaker 3

Have, you have more.

00:15:41:05 - 00:16:03:12

Speaker 2

We want to say a little concert. Different. Next time you're involved in discussion with another member, it's time for you to join in. And let's do it. Let the spirit of the doctor guide you, because then whatever you do, it will be a roller coaster ride. And I just want to do with this next time I can get I on.

00:16:03:15 - 00:17:05:15

Speaker 2

When you do something, think about the doctor and say, am I living this mission in life? I vision. Thank you very.

00:17:05:18 - 00:17:23:07

Speaker 1

As you can see. Really. Don't clean up. Became a friend. I will be the first to say that. No other day from here on out. Whoever it let us know. Because there are times in your life I don't need this right so long.

00:17:23:08 - 00:17:25:28

Speaker 2

But as as well as is difficult.

00:17:26:01 - 00:17:56:11

Speaker 1

But you are my inspiration. I remember that I did some of that before I do is I always tell you this. Thank you. When I was received by you, you tell me full hearts, full of love. It is a complete 2019 activity. Find anywhere to represent all of you, especially our young women. I want to tell you how proud of your me, how proud I am of us this year.

00:17:56:13 - 00:18:11:24

Speaker 1

It will never be as you like to do, but it is a brand.

00:18:11:26 - 00:18:18:05

Speaker 1

Thank you so much for. Your message. You can I it.

00:18:18:08 - 00:18:20:20

Speaker 3

Say, hey, know what?

00:18:20:23 - 00:18:31:03

Speaker 1

Not every time she says that, she says it with her heart. Every time somebody, she means it to her head. How do we go ahead? Like I said, it's not.

00:18:31:03 - 00:18:31:14

Speaker 2

Any.

00:18:31:21 - 00:19:12:07

Speaker 1

Kind of ordinary stock on the board. It's full of heart. And that's what we to recognize in the rest of our tonight, to look at the heart instead of the words, to look at the inner beauty instead of the outer feeling and take heart because, you know, when you all stop to look at ourselves, especially how you are with yourself, for each other person over there just to sit down, let us prepare ourselves for so much that.

00:19:12:09 - 00:19:22:20

Speaker 1

With that, I we in the church now makes the decision. Oh, we've been waiting for our whole night just like this. From here.

00:19:22:23 - 00:19:44:19

Speaker 1

Okay, but at this time, I would like to present this genealogy report this morning to young girls. And our last practice together. And they voted for the most congenial, the sports gene like or Brady like.

00:19:44:22 - 00:20:28:03

Speaker 1

And the young lady had the most kindness. Grace. I knew this just with grace, who love to. I decided to choose. I decided to ask Grace to present the continue award because I thought that continue. A woman should only serve for us to give the award.

00:20:28:06 - 00:20:35:13

Speaker 1

And she does want to say thank you. Could.

00:20:35:16 - 00:20:45:07

Speaker 1

I, I want to say thank you for being here.

00:20:45:10 - 00:21:05:06

Speaker 1

You.

00:21:05:09 - 00:21:38:12

Speaker 1

The young lady this morning decided that this congeniality this year for our state pageant is guaranteed to last. Great.

00:21:38:15 - 00:21:53:23

Speaker 1

I don't think that I would like you to come a little less overexcited. And these.

00:21:53:25 - 00:21:57:28

Speaker 1

I would just like to say they took me about.

00:21:58:00 - 00:22:00:09

Speaker 2

I would like to with them again. In all the.

00:22:00:09 - 00:22:15:14

Speaker 1

Way from Oceanside, a beautiful city by the. So this is about, they said, around eight hours, an eight hours drive. And I went to this six and six hours and 45 minutes. I have a lot of fun. Yes.

00:22:15:16 - 00:22:21:24

Unknown

I've never seen so many cows in my whole life. Yeah, thousands of cows.

00:22:21:27 - 00:22:54:05

Speaker 1

I've never seen so many in my life. San Jose is such a beautiful city. I enjoyed my stay here and with all the girls. I had a lot of fun and I learned a lot about myself and a lot about housing. I just have a lot of fun to grow and enjoy my stay in San Jose, thank you very much.

00:22:54:07 - 00:23:11:25

Speaker 1

To I would also like to follow any suggestions if I have on any of these young ladies that would like to say something about a weekend or any part of the same experience, so just please go places that would like the person I know to.

00:23:11:27 - 00:23:17:11

Speaker 1

Drive north this say one more thing.

00:23:17:14 - 00:23:29:15

Speaker 1

I want to say thank you girl. I'm surprised that you get tired of me knocking on their door all the time. I, I like, I love waking up early in the morning and I would wake them up.

00:23:29:18 - 00:23:36:02

Unknown

Not like it's moronic. I wake up morning and then I come back later again.

00:23:36:05 - 00:23:37:00

Speaker 2

Thank you guys.

00:23:37:00 - 00:23:48:21

Unknown

00:23:48:23 - 00:23:51:06

Unknown

00:24:11:22 - 00:24:18:12

Speaker 2

Face was wrong. It was flat. I was disappointed that you chose, you know. Oh, you want.

00:24:18:14 - 00:24:20:15

Speaker 1

You can always find friends. Like for me.

00:24:20:18 - 00:24:37:00

Speaker 2

We went, we talked and we talked and we talked and we talked again on our way up to the hill. People they find. Them. And I hope that if we still have it. Well, we know some men in America. It's so crazy. Didn't know it.

00:24:37:00 - 00:24:42:08

Unknown

Was so nice.

00:24:42:10 - 00:24:51:01

Speaker 2

You know that when we go to, you know, and like, we took pictures with the you guys, like, they're not supposed to me. It was the last.

00:24:51:02 - 00:24:54:11

Speaker 1

00:24:54:11 - 00:25:02:28

Speaker 2

Great. This is good. Anybody? Young girls. It's great. It just do it. If you have a chance to do it.

00:25:03:00 - 00:25:11:03
