

Patricia:

I went out to Los Padres
& visited with your mom & the
kids tonight. Tomorrow I'll get
your mom some more celery
juice & take it to her.
Tonight I brought the little
table you want back with me.
Phone me tonight (I'll be up quite
a while yet) or tomorrow early &
tell me when you'd like me to

bring the table to you. I left it
in my car tonight.
While your mom took Leon to
catechism + went to the laun-
dry I talked with Connie. She
told me a lot about her school,
but more about last summer
at Lassen. - Also about her trips to
Hawaii to be bridesmaid for
her girl friend. I enjoy talking
with her. Will see you when
I bring the table. Love - Carl
