CLASSICAL STUDIES

Although the university does not offer a bachelor's degree program in classical studies, many courses in several disciplines are concerned with this subject. By appropriate selection from these courses as electives or within the requirements of various majors, a student can secure a useful background of study as preparation either for graduate study or for his or her vocation.

MINOR

The Classical Studies minor is designed for students who are interested in classical civilization and for those who wish to have a chance to teach classical languages and culture or who wish to enter a graduate school where such a minor would give a sound foundation for further work in any of the areas mentioned above.

The minor in Classical Studies consists of 20 units; the student's program of study is arranged from the courses listed below with the approval of the Coordinator of Classical Studies.
