Thousand Oaks, Calif.

December 2, 1968

Dear Mrs. Tolmach,

I stopped by to visit you in Oxnard near the beginning of the organization of the Conejo Valley campaign for Alan Cranston. I want to thank you for the encouragement you gave me at the time.

I'm still busy helping Alan but now I hope as a science advisor, though nothing really concrete has been worked out at this early time.

Sincerely yours,

Bob Futrelle

(Dr. Robert P. Futrelle)
