CALIFORNIA STATE UNIVERSITY, FULLERTON 39TH ANNUAL COMMENCEMENT

CAL STATE
FULLERTON

FROM THE PRESIDENT

As President of California State University, Fullerton, I am pleased to welcome you to our 39th annual commencement. Commencement is a very special time for degree candidates, families, friends and other members of the campus community. It is a time when we celebrate the successful conclusion of degree programs designed to foster the development of humane leaders prepared to meet the opportunities and challenges of a changing, diverse world.

During the six individualized ceremonies on May 30, 31 and June 1, the university honors some 6,000 undergraduate and graduate students who completed degree requirements in January or who are scheduled to do so in June or August. It is fitting that recognition of your accomplishments should be in the presence of your professors, relatives and friends who have participated in a variety of ways in helping you attain your academic goals. As candidates for graduation, you are the proud products of our academic enterprise.

We hope that you forever will be lifelong learners dedicated to the pursuit of excellence and the importance of life issues.

On behalf of the faculty, staff and students of California State University, Fullerton, I extend heartiest congratulations to the Class of 1998 upon reaching this educational milestone. I wish each and every one of you the happiness of a productive life, the respect of your fellow human beings, and the love of your family. The future is yours.

Milton A. Gordon
President

FROM THE ALUMNI

ABOUT THE PROGRAM

LIST OF CANDIDATES: Students eligible to participate in the 1998 commencement ceremonies are January 1998 graduates and June 1998 and August 1998 candidates who filed for graduation prior to the announced deadlines.

GRADUATION WITH HONORS: Honors at graduation are awarded to undergraduate students in three classifications and take into account all courses taken at Cal State Fullerton and other institutions of higher learning. The minimum grade point averages follow: Honors, 3.5 to 3.74; High Honors, 3.75 to 3.89; Highest Honors, 3.9 to 4.0. Students who have earned honors at graduation have been awarded ribbons with medallions that bear the seal of the university: white ribbons denote honors; orange ribbons denote high honors; and blue ribbons denote highest honors. Program notations indicating achievement of these awards are based on the students' records at the end of the fall 1997 semester. Official award of appropriate diplomas and recognition of honors achieved (which are indicated on the diplomas as appropriate) are contingent upon the candidates having met all university requirements and related criteria.

PRESIDENT'S SCHOLARS: Students who are President's Scholars are noted in the list of candidates. This program to recognize academic and extracurricular excellence is sponsored by the President's Associates.

FACULTY MARSHALS: The faculty marshal leading the procession in each commencement ceremony has been honored as the Distinguished Faculty Member of that particular school. This dis-

inction is bestowed by the president upon the nomination of fellow faculty members.

PHI KAPPA PHI: Among those participating in commencement ceremonies are students wearing a white ribbon with a zigzag design. These students have been elected to membership in the Honor Society of Phi Kappa Phi, a national organization founded in 1897. Students are selected for membership from all of the recognized academic disciplines based on records of outstanding scholarly achievement.

PHOTOGRAPHY: The CSUF Alumni Association has arranged for a commercial studio to photograph each graduate at the moment he or she crosses the platform. Proofs and information on ordering prints will be mailed, with no cost or obligation, to participants. Guests may take photographs during the ceremonies; in the interest of decorum, they are requested to do so from their seats.

ALCOHOLIC BEVERAGES: Alcoholic beverages will not be allowed at any time in the assembly area, at the commencement seating area or at other areas associated with commencement.

SMOKING: Please, no smoking during the ceremonies.

EMERGENCIES: Personnel from the Student Health Center and the Public Safety Department will be on duty to provide aid in the event of emergencies. The emergency telephone number is 278-3333.

REGALIA

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet of the color pertaining-
