

Dear Michelle Berros,

I really liked what you told us. You told us a lot of interesting things. I liked listening to your stories. Your stories are very interesting. I like your stories because they are about true stories and they are funny. Some speakers were boring to listen to but your speech was very interesting and informative. I liked looking at the slides that you brought. Thank you very much for coming and speaking to my class. You were interesting and I would like for you to come back some other time and speak to us some more.

Love  
Genevieve Wild
