CONDENSED MEN

Tu cara cambia cada día

El rostro del mar azul como el cielo

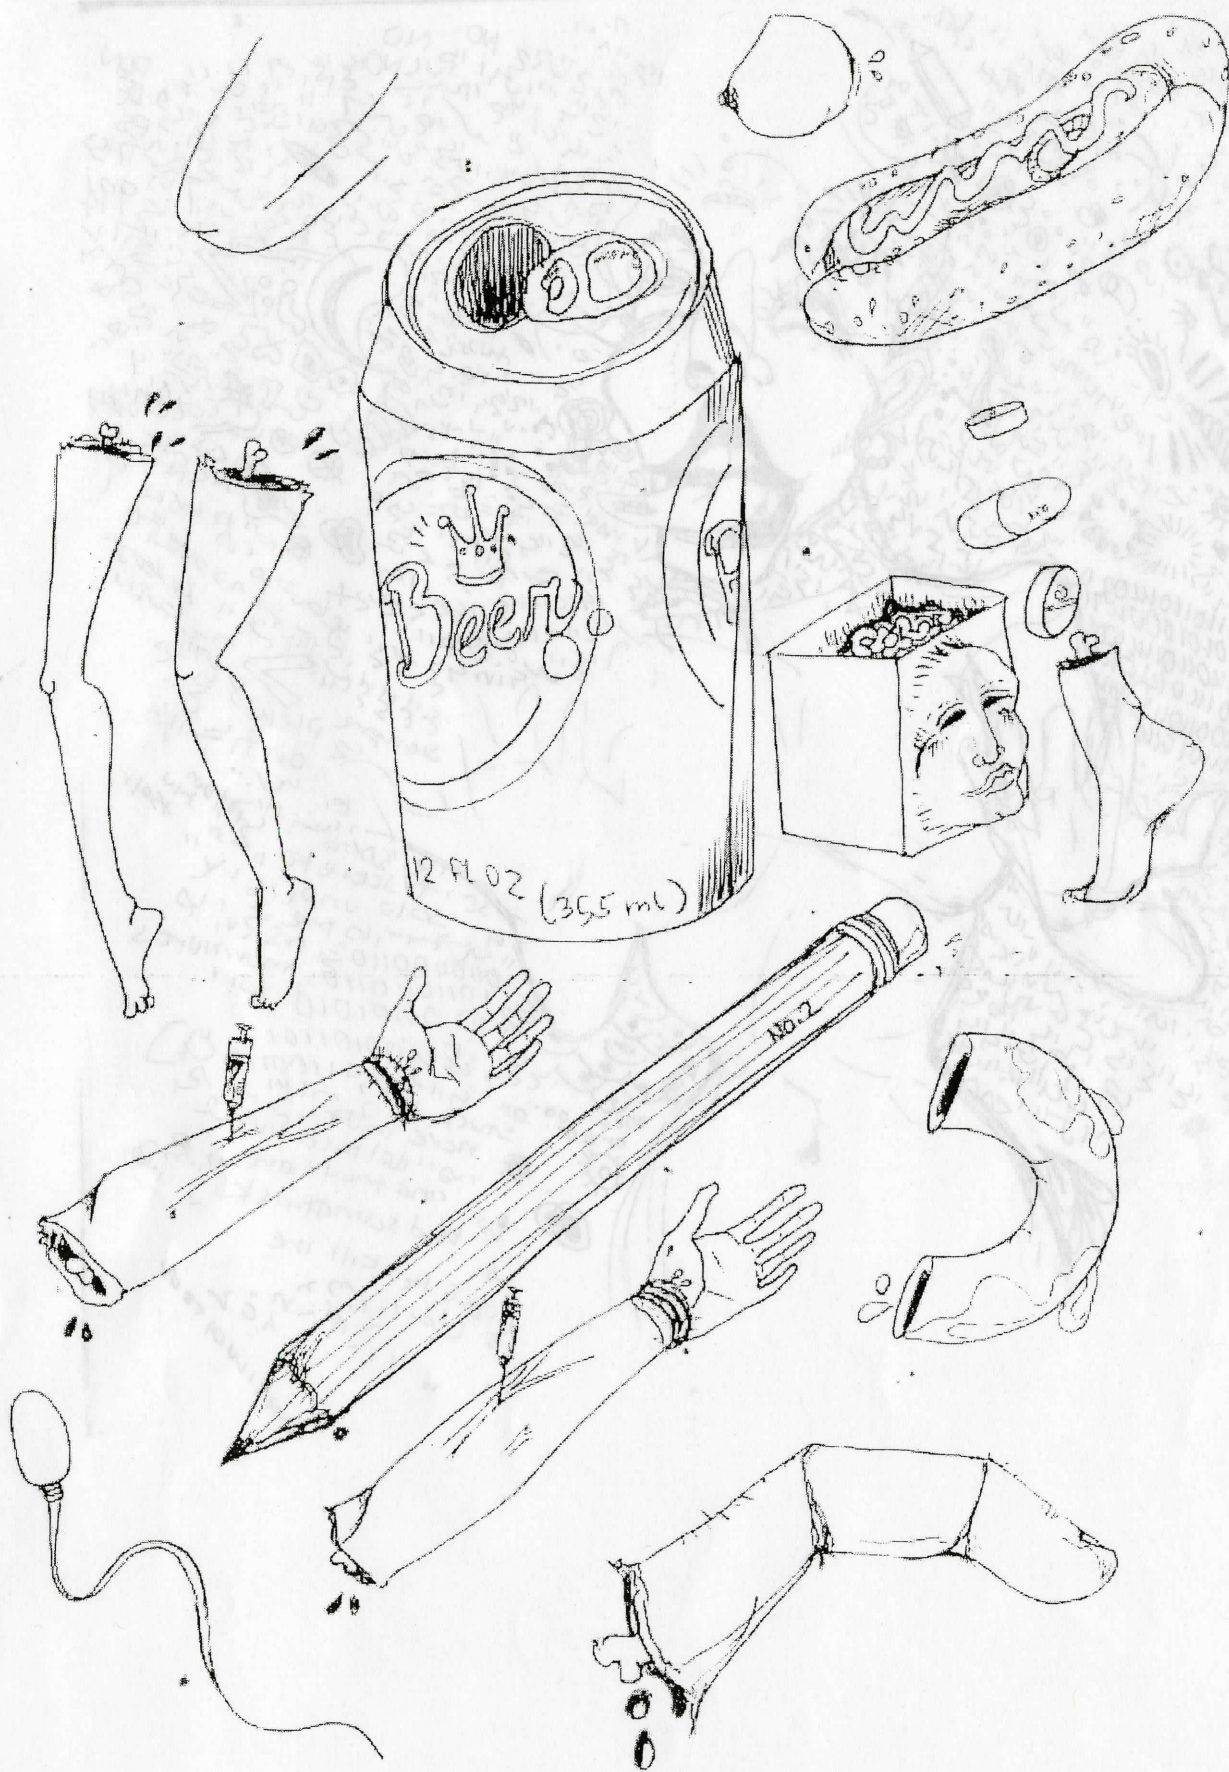

Te sigo esperando, te sigo esperando

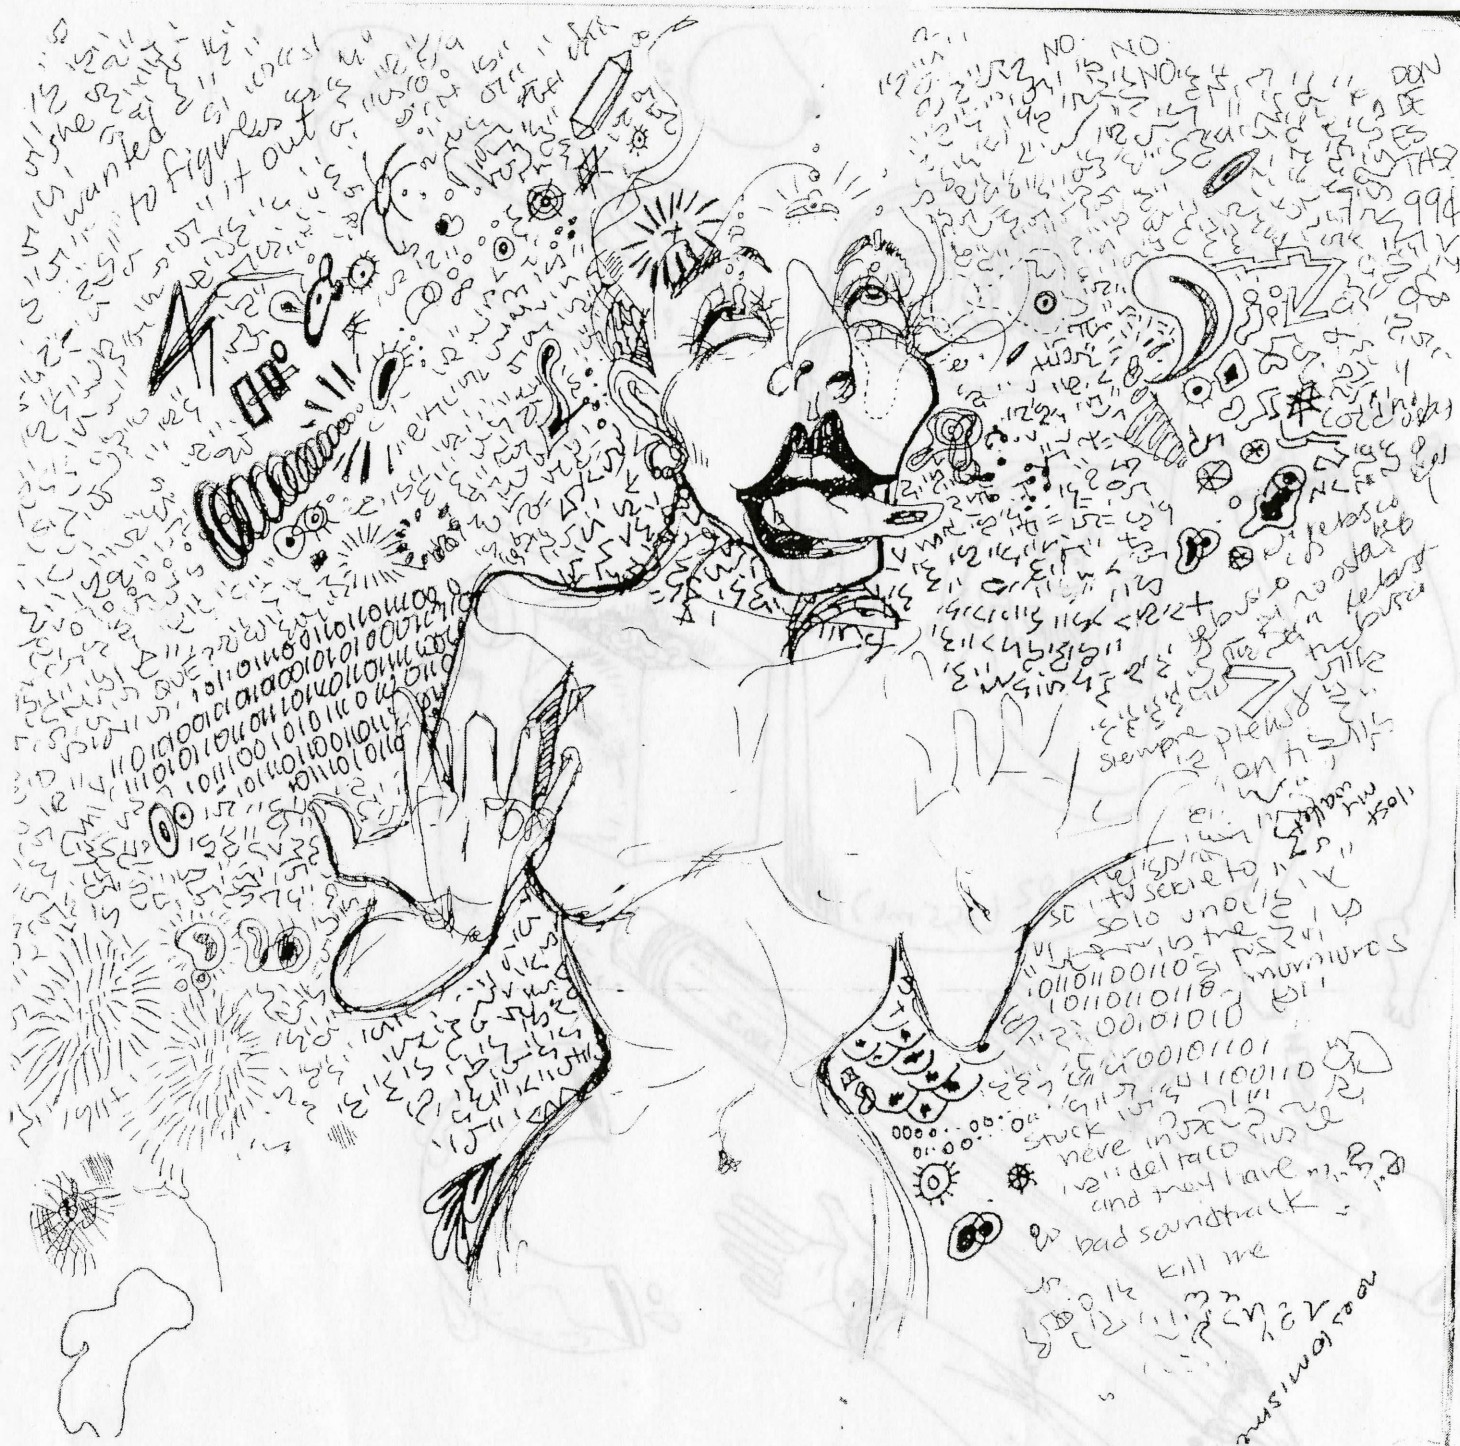

Solo un día mas

4-16-15

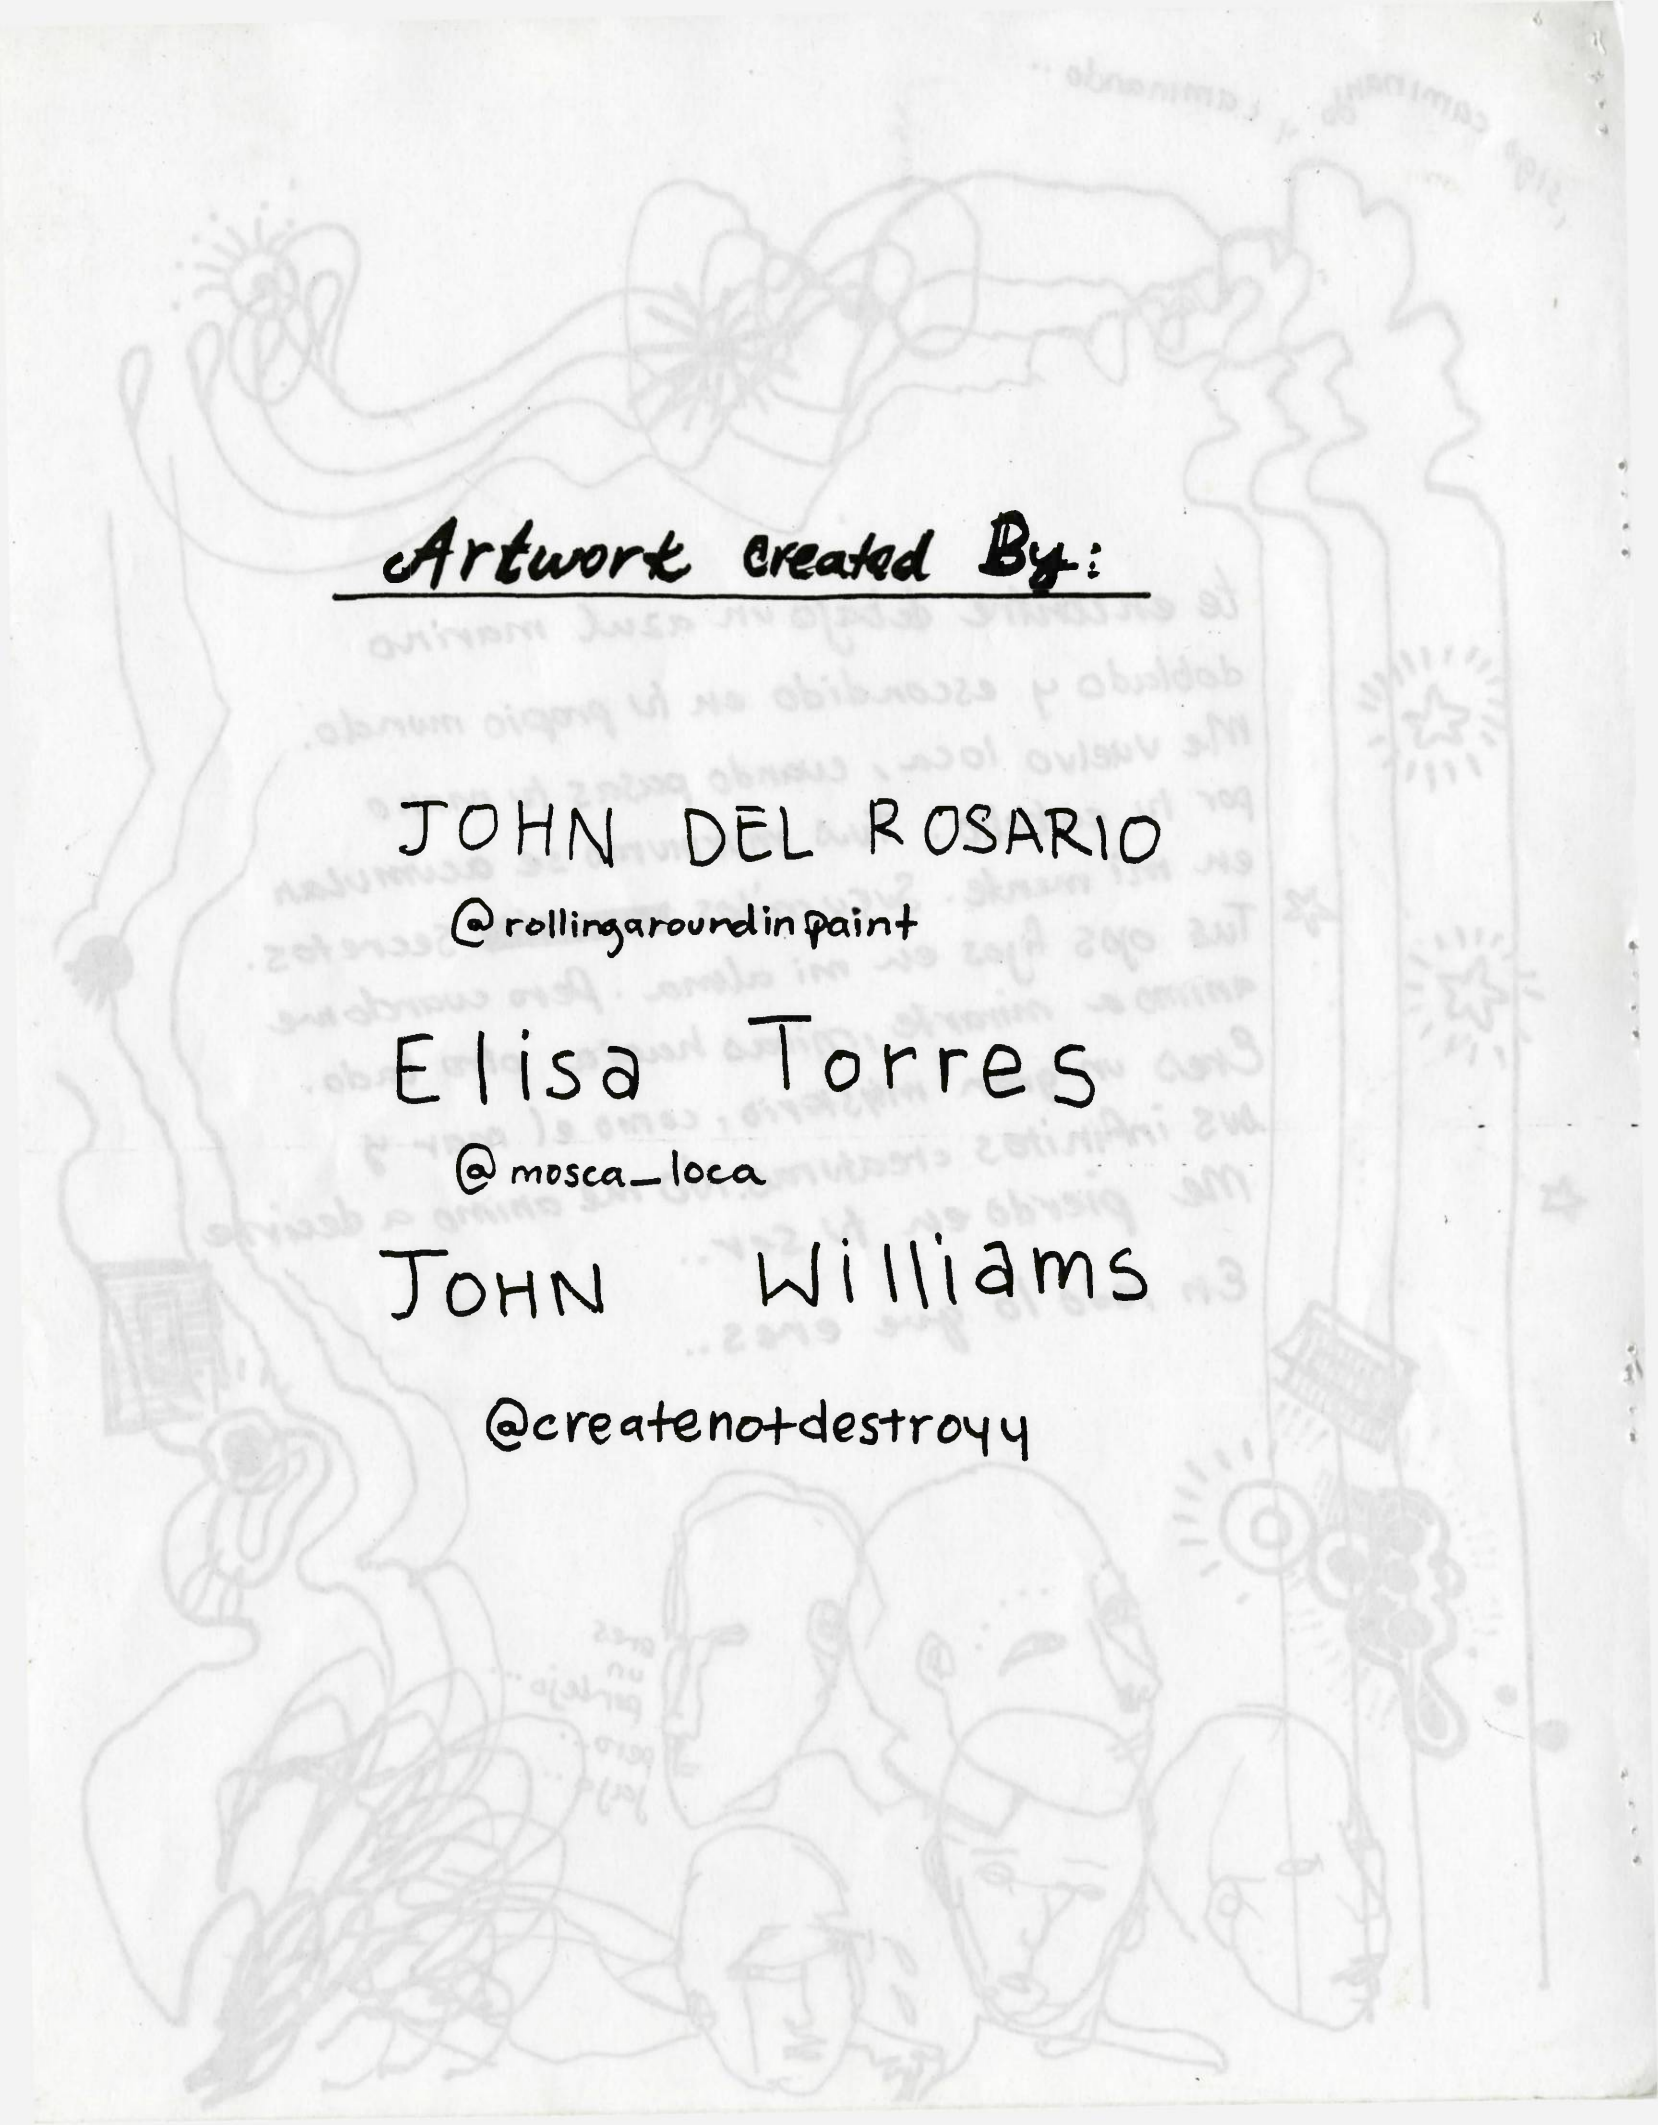

algo caminando y caminando...

te encuentre debajo un azul marino
doblado y escondido en tu propio mundo.
Me vuelvo loca, cuando pasas tu mano
por tu cabello. Tus murmuraciones se acumulan
en mi mente. Susurridos ~~secretos~~ secretos.
Tus ojos fijos en mi alma. Pero cuando me
animo a mirarte, miras hacia otro lado.
Eres un gran misterio, como el mar y
sus infinitas creaturas. No me animo a decirte
Me pierdo en tu ser..
En todo lo que eres..

eres
un
perfejo...
pero...
jaja...
