1. Chris provided updates on the course reviews remaining from fall 2016, including:
 - Physics 168S 5-year review: Recommendations were sent to Department and a revised syllabus is still pending. Chris will continue to follow-up and provide a deadline of April 24th, after which the course will not be listed as an S class in the fall 2017 schedule. (Note: syllabus revision for Physics 168S was received on 3/6/17 and is under review.)
 - EES 199S: Requested changes were submitted and the course was approved for S designation on 12/5/16.
2. New Five Year S Course Reviews were discussed.
 - ENGL 286S: Chris shared that the department elects to not renew the course for S designation.
 - PHTH 565S: Ben Boone shared the working group's review findings. Bhupinder Singh will carry those suggestions back to the department. A revised syllabus will be submitted for final review and, if all required changes are made, the course will be approved for re-certification.
 - LEE 144S: Matt Jendian shared the working group's review findings. Minor enhancements are recommended and Steve Hart will provide a revised syllabus for final review and approval, pending recommended changes are made. (Note: Dr. Hart made all changes and provided a revised syllabus. Matt Jendian and Chris Fiorentino reviewed and the course was recertified for S designation.)

Regarding this same course, it was suggested that a similar course should be considered for the Master and Doctoral Degrees in Educational Leadership. Chris will email Dean Paul Beare (KSOEHD) and Dean Jim Marshall (Graduate Studies) regarding this recommendation.
