

SUSAN JORDAN

FOR ASSEMBLY

Dec. 5, 2009

Dear Lupe Anguiano, *Dearest Lupe,*

I am writing to express my gratitude for your support of my campaign for the State Assembly.

I have spent a lifetime fighting for improved health care for all, quality education and environmental protection – and your generous donation of \$75.00 helps us get our message across.

I understand that taking the politically safe road does not always serve the public good and I have never been afraid to take on the special interests and fight for what is right. This is more important now than ever before, because our state is facing some critical choices in the upcoming years and we need strong leadership to face these challenges.

Your support in these tough economic times is even more meaningful. The trust and confidence you have placed in me is inspirational and I promise to work hard to get our state back on track.

Sincerely,

Susan Jordan

P.S. You are always an inspiration to me!
