Subject: Ventana Photo Shoot

Hi again – The one and only day that works for everyone is **Friday, October 19**. The photographer will shoot the three of you on the sand in Oxnard with the sunset and Channel Islands in the background.

Please meet at the public Oxnard Beach Park next to the Mandalay Bay Embassy Suites hotel in Oxnard at **5:30 p.m.**

My cell phone is 453.7205 and I'll try to be there a little before 5:30.

Ventana goes to press shortly after this date, so it's extremely important that everyone shows up on time. Feel free to dress however you'd like to be represented, whether that's a business suit or a sweat suit.

Thanks again. Look forward to meeting you all.

Best,
Matt

Thank you Matt,
 Delighted Neilla's article, which seemed a labor of love, has been completed.

May I suggest meeting at the Public Oxnard Ocean Beach Park next to the Mandalay Hotel - we can walk from there to the Beach - many times the beautiful Channel Islands can be seen. I am available tomorrow Friday Oct. 12th all day; or Tuesday Oct. 16th at noon; Wednesday Oct. 17th around 2 pm and all day Thursday Oct. 18th or Friday 19th.

Hi everyone - I'm the editor of *Ventana*. We're preparing to run Neilla's article featuring the three of you in our next issue.

I'd like to coordinate a time when all of you can meet with a photographer for about an hour. Most likely location would be at a beach in Oxnard, somewhere near Channel Islands Harbor, and the best times would be either early morning (before 9:00...if there's no fog) or early evening. My first step is this email. Please respond and let me know which days and times are best and worst for each of you.

Thanks,
 Matt
