Well, pueden ampliar images that there hay process algo stopping Que bueno. En hacer por exactamente eso Design thinking. Gracias. Vuelve a mí Ashley Tinker that Os acabo de averiguar. Es esa energía Energy una aparece When we say something and we sounds like ministero things Deben in famous is there's a lot of energy project a lot of our Spurs spirit Buddy last but I start gas que.

00:03:29:21 - 00:03:58:29

Speaker 2

Conservaré en Power Energy and so lot of things think that the way and start sphere as a lot. Todo el mundo and in some other max for some and with some good interest. Something beneficial power.

00:03:59:02 - 00:04:01:10

Speaker 2

Action things like that.

00:04:01:13 - 00:04:02:17

Speaker 1

A.

00:04:02:20 - 00:04:10:07

Speaker 2

Stretch of that as a canalización of like. Esta mafia.

00:04:10:10 - 00:05:03:22

Speaker 2

That's esta church structure. Church Butcher and the way for instance Church understand the power of the church of the power structure. Churches beyond and last but priest harness after. Estas basically la estrategia. De peso every masters account. For that power to that means that means that I don't want testers up to reclutadores. So, it's important I think to understand that there's a lot of how are in and I've never echa.

00:05:03:23 - 00:05:38:16

Speaker 2

That's what I am a energy basic plugins and energy the right powerful Topaz. That's badges that we are in and you and we can direct that energy can captured. That's all around and others and how it others to uh with you that starts expanding. Howard Stacks influences chicos.

Speaker 2

To say that has dado nuestro plan hosting together and and implicit y administration very family en el nuevo espacio de mis fans. We've got the administration. It's just like John John. Ellos went to Franklin Delano Roosevelt and we want. In our laptops.

00:12:14:06 - 00:12:16:21

Speaker 2

That's all.

00:12:16:24 - 00:12:27:21

Speaker 2

A Congress. En esta conferencia. And they were can go and organized with pressure pressure on the.

00:12:27:24 - 00:13:16:01

Speaker 2

COVID 19 is good morning. ¿That's what does basically traders understand that that if? Principal it works never do for any. But it s zelenski. Anybody. Never because we do you very very basic freedom. Entonces, so I guess matters of the definition of command mutant energy. Because that's the kind of power that we've needed to make a different this campus en otro lado.

00:13:16:03 - 00:13:59:00

Speaker 2

¿Sabes que our respect our webinar? A lot of Apple and we don't have some of the traditional definition of that they stands. We still have number still have this and we have this is for the command and that's that's the revolution. And this is the in order to challenge our I have to understand. ¿What is to?

00:13:59:03 - 00:14:23:23

Speaker 2

Latin American. And we speak up and there's a fuerte lazo. Entender esta revolución. But we both really if it's about the latin American government quarter lazo over existing concurso and that's how you do isn't institutional found change invasores.

00:14:23:25 - 00:14:24:24

Speaker 1

More.

00:14:24:27 - 00:14:33:03

Speaker 2

And that's revolution a family change. ¿Compartir es igual a What about?

00:14:33:06 - 00:14:57:19

Speaker 2

70 That's what we have to understand. Just because it's just to get a building it to get a budget shopping number one respect number to.

00:14:57:21 - 00:15:09:27

Speaker 2

Number three to see that our children terms and I'm going to investments. Escuchastes.

00:15:10:00 - 00:15:40:20

Speaker 2

A lot of things that acting out en tu chicana mortal. We have been so. Que in expression hanger and our in No tengo and to capture anything stride for that. We've just like. So much tiene violation. But.

00:15:40:23 - 00:16:11:26

Speaker 2

First and I agree with with an. Actualizadas. Al process. We have to think have to reflect. Tal cual. It is we do one for ourselves. What we want to look what we want to be, David or dos that sits in our full officers that you have something to make decisions.

00:16:11:28 - 00:16:24:00

Speaker 2

Gran here and so one of my classes talk about happening En la Guadalupe.

00:16:24:02 - 00:16:38:06

Speaker 2

Organización aplicados a their presentation And that we reach up there. Try and get to find a.

00:16:38:09 - 00:17:02:07

Speaker 2

Master class members gringos like they were. And so we have to tell him, John. Sociedades will go back tours will be there. But they don't speak English translate and to show you to talk to tipo after after.

00:17:02:10 - 00:17:32:18

Speaker 2

And then that. It was a. First, but we are in motion by fuerza. I mean, you know how they were not chicanos terms that you cuestioné a survey Laura Document. ¿What was happening? Peter hizo mi whatsapp mostly mexican people.

00:17:32:21 - 00:17:36:22

Speaker 2

Magic.

00:17:36:24 - 00:18:23:23

Speaker 2

Ya desesperado la oferta gira por lo que será para esta universidad en High Tech. And so we started that way and makes it really was. Setting up nation between that have. National kind of work. And I think that was. Podrían. So that. What happened to take the same as que lo que has ganado es que antes de entrar en some point para usar in order to have a good match change things the way they are especially impressed por de something better.

00:18:23:25 - 00:19:00:01

Speaker 2

¿Niveles actuales han estado and they have to know how do medidas in terms of enemy that sagemaker short and you have to see adversarias because that's how are you say that is everything adversarial? So

that you have to understand when you can, Francois. Las mujeres en que también reciben amenaza

Aparta. Reality. Because that all day speakers all the Earth. Las barandillas para.

00:33:54:21 - 00:34:37:24

Speaker 2

Empezar. Track personal presentation a lo way. Vamos a dar paso. Begin And that the same thing. ¿I don't think that is something that I hope as part of what? Estática may presentation understanding the

power structure is that is always arrest reciprocal or spending others others understand and you have some time sets, but everything.

00:34:37:27 - 00:35:15:14

Speaker 2

We go. ¿Respecto de esto, quieren ir? But there are reservado. Sean, but the other thing. ¿I know what is that? San Francisco, Pablo. But I know de esa conference 46 something, they said something to meet the fault. Igual I also no something about. That they say a lot and they don't know they much and they don't now what we've had.

00:35:15:16 - 00:35:20:29

Speaker 2

Ya has been morden conservative.

00:35:21:02 - 00:35:48:09

Speaker 2

And then lies part of the reason en understanding dos Power structure hangares en Finding out. Precisely there we do wanted understand that kind of what have to pick up to move on. But there will and there's el informed strategy that has to be mine one wants to pick.

00:35:48:12 - 00:36:03:23

Speaker 2

Dos changes after now we have to know what to to know what and I'm like that that you know what you. It's the same as.

00:36:03:25 - 00:36:12:28

Speaker 2

Back to.

00:36:13:01 - 00:37:02:20

Speaker 2

Remember standing. Because either chicanas that we are in electronics programs. And what is to to talk about it is and also the Legal Council Corporation think that the phone germinar. Boat.

00:38:35:29 - 00:39:10:21

Speaker 2

And I guess this is para mí. Think they andares in understanding. That on the shell of interest. You have to understand the politics and how they might end. So I'm sure that in there and the seems are they are going where the records. Todos sabemos water cantan important directors I know there's floyd and of there son padres de familia.

00:39:10:23 - 00:39:27:24

Speaker 2

That that line important people that are corporate leaders change owners changes dos círculos. ¿What are?

00:39:27:27 - 00:40:08:03

Speaker 2

Many people and I'm sure about okay. O sea. O aun si nadie puede hacer back space y out of this and yeah, yeah, That's not up and they they. Another. No, pequeña en esta going to bother animando con algunos a mentes straight en Twitter. They're not that that David usando harinas. David. Enough dos networks are there and with that know that they are there.

00:40:08:03 - 00:40:18:23

Speaker 2

And we know we can have any right now. Pornstars, I want to call Larry jack's.

00:40:18:25 - 00:41:15:13

Speaker 2

I find that number one. I would not west side. Something very important to I never try to just get to learn directly. I know that Larry change secretarios the same secretary. That's Virginia and. Make it business to get people that can be agendas. And and not know how are different. Los ingenieros, Larry. ¿What that? Hola, Michelle Asked. How many people cambiar que SketchUp estándar para mente gerente es a veces what we should have you say what instructions think is like the other side of a laxantes.
