Dear Jane,

Just a brief note to let you know how much I appreciate your support of my re-election as the Southern California Chairman of the Democratic Party. Your endorsement means a great deal to me and I hope that I may continue to merit both your confidence and respect.

During the next few weeks I will be releasing to the convention delegates the names of those who have endorsed my candidacy. It will both be a pleasure and a privilege to include your name among my supporters.

Once again thank you and my best wishes for a most happy holiday season.
