Ventura County Commission for Women  
Attn: Diana Goodrow, President  

Dear Ventura County Commission for Women:

We would like to express to your Board of Directors and organization membership our appreciation of the persons listed below who contributed their volunteer time and effort to the BPW Conejo Valley Days Fund Raising Opportunity. During this operation we had 22 volunteers who contributed 255 hours over 5 days to raise funds for the 5 organizations who participated. The BPW portion of the total funds raised were distributed based upon the total hours the volunteers contributed in the Quarter Toss Booth.

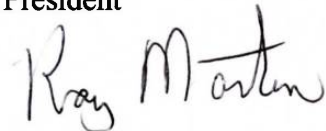

We recognize Volunteer: Diana Goodrow  
Volunteer: Debbi Steele  
Volunteer: Ina Howard

Enclosed is a check for your share of the funds raised and a certificate of appreciation to your organization and to the individuals. Your organization is to be commended for its ability to recruit such professional, committed, and passionate individuals. We could not have done this project without this help.

Sincerely,

Mary Lou Wetter  
President
