

# CITY OF OXNARD

## MEMORANDUM

August 17, 1973

**To:** Mayor Tolmach

**From:** Administrative Assistant II

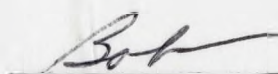

**SUBJECT:** Visit by Group of Russian Teachers

On Friday, August 17, the City will host a group of Russian teachers who are spending this summer at U.C.L.A., studying English. This group of some two dozen professors reportedly teach English at colleges and business schools in Russia. They are participating in this teacher exchange program to refine their English skills. Their visit to Oxnard was arranged by Bea Hartman; Bea's daughter has apparently helped to host the Russians during their stay in Southern California. They will arrive at City Hall at approximately 11:30 a.m. for a one-hour visit before continuing on to Santa Barbara. Your role in this program will be to informally "welcome" them to Oxnard and chat with them for a few minutes about their program.
