University Scholarship Program

Fresno State awards more than a thousand scholarships totaling more than \$3.8 million to incoming and continuing students. Institutional scholarships range from \$100 to almost \$12,000 and are awarded to both undergraduate and graduate students. Factors for Consideration Scholastic Achievement

- Academic major or career interests
- Involvement in school organizations
- Leadership and participation in community activities
- Full-time enrollment

Depending on specific donor criteria these factors can vary, so regardless of accomplishments, interests, or background, we encourage all students to apply online for consideration of general and departmental scholarships.
Scholarship Application Procedures

The 2014/2015 scholarship application for Fresno State will be available online starting October 1, 2013. The “priority” application deadline is February 28, 2014. However, several scholarship opportunities will remain open beyond that deadline for specific majors, programs, or student groups. Therefore, we encourage all students to occasionally log-in to check their application status and to see if there are any new scholarship opportunities available.

The University Scholarship website provides a one-stop opportunity to apply for hundreds of institutional scholarships by submitting just one application. Simply log on to <http://www.fresnostate.edu/studentaffairs/scholarships/index.html> to complete and submit the online scholarship application.
