

Dearest Patricia:

If you get home by 5:00, phone + tell me about your exams. I leave at 5:00 for the evening.

Tomorrow morning I see Mr. Burchill about the contract for 457 Los Padres. Couldn't see him today. | but may be reached after 8:30 at 968-0418 if there's any need for it, which means if you wish it.

I have my books back in the cases but will leave the magazines + notebooks till I come back (over)

from Lassen. I've cancelled out of Fallen
Leaf, but I'll run over & see the group at
Asilomar. (and I'll think of you at
your desk in the room at the south end
of the building.)

As always - Carl.
