

EDMUND G. BROWN
GOVERNOR
SACRAMENTO, CALIFORNIA

TO THE CALIFORNIA DELEGATES AT THE DEMOCRATIC NATIONAL
CONVENTION

It is a privilege and honor for me to participate with you in this most important national convention, particularly since I have been chosen to serve as your chairman. I earnestly solicit your active support and cooperation.

The eyes of Democrats in the 50 states--indeed the eyes of the entire nation--will be on the California delegation because we represent the leading and fastest-growing state in the United States.

Together we will help nominate President Lyndon B. Johnson and his choice for a running-mate. Together we will help adopt a platform which will embody the progressive ideals and programs of the Democratic Party which have been so apparent in California since our party regained control in 1958.

To insure the California delegation's fullest participation in this process, I hope that you will feel free to express your thoughts on any and all matters to me.

Together, we can be a reliable and potent political force. With responsible conduct, responsive to the needs of our great state and nation, we can leave Atlantic City with a genuine feeling of accomplishment and get on with the business of electing Lyndon B. Johnson President of the United States.

EDMUND G. BROWN, Governor
