

December 7, 1920.

Note enclosed letter from Mr. O'Reilly
with list of contents of fifth carload.

Dear Mr. Bogart :

When this car arrives, please have everything put
in very safe and careful storage in some San Francisco warehouse,
and have Miss Morgan pick out what is required for San Simeon and
have those goods forwarded as she needs them there.

The other goods can stay in the warehouse until the San
Simeon building is completed and then be sent to the Hacienda.

Sincerely,

JW
