

Phone any day between now and April 14th, election day.

Say:

"Hello, Mrs. \_\_\_\_\_

I'm calling for Jane Tolmach for Oxnard City Council.

The election is Tuesday, April 14th." If they seem friendly ask if they know their polling place. It is listed at the bottom of your phone sheet.

My stand on some of the issues asked about is:

Airport I am opposed to jet airport pattern over homes.

Industry For good clean industries that pay good wages. These must be located away from residential areas

Conflict of interest We own no land on the Oxnard Plain except our home. I would vote free of any possible conflict of interest.
