Dear Patricia:

While you were
in today, I forgot to
say - or to remind
you that tomorrow
A.M. is the occasion of
the Natl. Science break-
fast at Oak Meadow
Las Gatos. I'll be back
by noon however - so
should you want to
come over to read in

the afternoon I'll
be here - and I'll
be here Sunday most
or all of the day, and
you'll be welcome.

Have a good night's
rest and sweet
dreams!

Love - Carl
