Oxnard, California 93030

Dear Jane:

Congratulations!!! I am pleased by your election to the Oxnard City Council. I am confident that you will do a good job for our City. I know that doing your best is one of your strong points. This the people recognized in sending you to the Council to represent them.

Being a close observer of both City and County government, I know some of the challenges you face. Many of these can be best solved by the joint efforts of the City Council and Ventura County. I therefore look forward to renewed efforts in partnership with the City in solving problems common to both entities. Be assured that the office of Supervisor Tom Laubacher is always open to Councilwoman Jane Tolmach.

Best regards,
