California State College, Bakersfield is proud to honor this evening, Mr. Leonard Thorp, the College's Acquisitions Librarian. Mr. Thorp will retire this summer from a career that spans over 49 years of library work. From his first post in 1923 as the librarian at Umapine High School in Umapine, Oregon to his present post at Cal State, he has served public schools, colleges and universities with integrity and dedication.

Mr. Thorp, librarian at the Bakersfield Center of Fresno State, was instrumental in assisting in the opening of our College library two years ago. We at Cal State Bakersfield were indeed fortunate to have him as a member of the staff in the early stages of our operation. His knowledge and expertise have been invaluable to the establishment of the fine library that serves our campus.

The entire college community wishes Mr. Thorp a most enjoyable and rewarding retirement.
