

Dear Patricia & Leon:

I talked to your mom
on the phone. She had just
returned from San Fran-
cisco. Someone had taken
her up to The Cost Plus
store where I got (with your
help. PDC) my 2 chairs.

She says she must talk
with Leon tonight. She has
made an important ar-
rangement for him to see
someone ~~tomorrow~~ (A.M. I
think) & he must get home
in time.

She phoned to the Whitings
& learned that you already
were home but as you had
not phoned either her or me

she (Mrs. Whiting) now
is worried about Gore
and wants either you
or Doris to phone her as
soon as you've got together
+ everyone knows that
all is well.

Doris wants you to call
her no matter when you
get in even if it's mid-
night. I told her you'd
probably taken Lem to a
show.

Incidentally whenever
you want - Leon wants
to go home, I'll be glad to
drive one or both of you out-
tonight or in the morning,
whenever you say.

Carl.
Oh - your mom thought you were
going to be home Fri. night.
