Emergency Services Organization

Villages Readies For Disaster Preparedness Exercise

By Bob Atz

Leisure Village residents, under the direction of the Emergency Services Organization, continue preparations for coping with emergency situations. This effort is to support a county-wide Disaster Preparedness Exercise to be held on Oct 27.

Organized units within the ESO have been reviewing their assignments to establish communication centers, first aid facilities and management of emergencies. The following instructions have been prepared for villagers' use. It is suggested that this article be clipped from this paper and be kept for reference.

1. Prepare a white flag (this says "I'm OK") which can be attached to your garage door handle or a post on your carport (visible from the street), if

you do not have a garage. This flag can be a handkerchief, towel or any white material.

2. On Oct 27 at 10:00 a.m. post this flag, remove it at 11:00 a.m.

3. Watch Ch 12 for additional instructions during this period. (Ch 12 may not be available during a real emergency, but we'll use it if we can.)

During the period the flags are being displayed Village Coordinators will travel through the villages to see how many residents are participating in the exercise. If a flag is not displayed the coordinator will NOT contact the resident this time. The coordinator will record information such as the number of residences surveyed, number of flags observed and other pertinent data. The information

A Day Filled With Bargains, Food and Fun

By Jeanne Carlson

Since it is a presidential election year and the second year of the Constitutional Bicentennial, Women's Club has chosen "Wave the Flag" as the theme for the annual Bazaar and Leisure Village's Birthday Celebration.

So come out, Saturday, Oct 15, and prepare to celebrate in the all-day activity.

Bazaar Day is always fun. There's food, fun, festivity, and friendship. You'll see neighbors (long time no see). It's a full day.

From 9:00 to 4:30, the AR will be open and a multitude of sales items will be available (at barrrrr-gain prices).

Jenny Hall invites you to visit her apron booth. Mary Dullam and her ladies offer unusually beautiful decorations. Grace Lane requests the honor of your presence at the

Boutique. The toy booth will be under the direction of Mary Smith and Alice Bay. Edna McCormick points out the bargains at the Needlework counter. (Have you priced hand-knits in the shops lately?) Bea O'Brien and her talented crew will be serving coffee, hot dogs and home-made cake all day. Fern Joy will be hostess at the Woodworkers booth. (Fern and Dorothy Sparks are both members of the "Sawdusters" but Dorothy will be unable to help because of recent surgery.) Bert Kunz and lots of helpers will preside over the Bake Sale of goodies to serve at home. Didn't Shakespeare say, "What foods these morsels be"?

Don't forget the Super-Post with Gertie Dorward and her loyal workers selling the donated treasures -- everything from aardvarks to zoology books! Prepare to browse and See BAZAAR.....Pg 14

Rules Versus Visitors

Both grandparents and their grandchildren benefit greatly by togetherness. But with the rules now extant in the Village, it is difficult to make a visit enjoyable for either the adults or the children. It is not always possible for resident host to walk with guests. For this reason guests carrying a pass or wearing a guest badge should be allowed to walk alone.

A family of four will exceed the limit for the number of guests at the swimming pool. Why can't this number be increased for family members? It might even be possible when there is a guard on duty for the host to identify *adult* children and not stay for the full time with them.

At certain times of the day many facilities such as the tennis courts, the shuffleboard lanes, etc. are deserted. What a waste! Why would it not be possible for the respective clubs to research these times and allow properly supervised teenagers to use these areas?

It is important that there be relaxed fun times between younger and older members of a family without having to worry about breaking rules to do so.

Rules that are too restrictive tend to encourage disregard for them.

Vote General Election In November

Now that you know who the candidates are and are trying to make up your mind whom to vote for, let's think about the election on Nov 8 in Leisure Village.

We have been looked on as having 75% or better turnout in all elections and we hope this will continue. One thing must be mentioned. There will be at least 6 to 7 voting cards and most of these will be voted on both sides. This is the present information and can change. If you have any kind of a handicap, perhaps you should consider sending in for an absentee ballot. About the 1st or 2nd week in October you will receive your sample ballot and with this there will be a form to mail in for

your absentee ballot. We also want to remind folks who will be away on a trip to send for an absentee ballot.

Please come to the A.R. on Tuesday, Nov 8 to vote - as always the polls will be open from 7:00 a.m. to 8 p.m. It is also a help to the volunteers serving on the election boards if you will bring the part of the ballot with your name and address on it, as the clerks must check your name and address before registering you.

Someone said Americans will cross the ocean to fight for democracy, but won't cross the street to vote! Let's not be guilty of that in Leisure Village.

LETTERS

A neighbor came to our gate Sept 5, asking our opinion concerning the current controversy regarding smoking in the Recreation Center. Considering the overwhelming majority who desired a smoke-free environment, we felt the only fair way to deal with the issue was to carry out the action recently taken by the Camarillo City Council.

We learned, on Thursday, that the die had already been cast against the desires of those with emphysema, smoke allergies and cardio-vascular problems so common in our age group.

I don't know any of the personalities involved and claim only to be an interested bystander, as we do not go to play bingo, billiards or do ballroom dancing. But for those who do, it seems an issue of fairness, when the smokers could so easily step outside in the sheltered areas, even in inclement weather.

Will the non-smokers have to organize their own games and dances, or would a boycott prove more effective?

Leisure Village has so much that it is wonderful to offer. Let's make it even better with a pristine ambience.

Ken & Ele Johnson, V 9

I want to thank all the many wonderful people in Leisure Village for their good wishes, cards and prayers during George's recent hospital stay. I know it all helped to bring him home again. There were too many to thank individually and I'm happy to have the opportunity to use this forum to thank you from the bottom of my heart.

I also want to express my appreciation and thanks to our wonderful Security Dept. who answered so promptly and efficiently when I put in a

call for help. They are the best.

Edna McCormick V 1

FOWLING OUR POOL

There are quite a few "dirty birds" who only make a pretense of taking a shower. I agree with Kay Murray's article in last month's ILV. I wish to continue in the same vein and ask those who do not take a cleansing, nude shower to reply in ILV why they do not do so. It is the only decent and correct thing to do. What is your reason for stepping into the shower, with your swimming attire on, and letting a little water run over you? Those of us observing that usually say nothing in the interest of keeping things congenial as possible. Those I've remonstrated with get insulting or say it's none of my business. So I'm asking those of you who wish to in LV to write on this subject in ILV. I know there are others who feel as I do. Some have said they know of people who quit coming to the pool because of what they'd observed.

Paul Kelwin, V 32

I would like to thank the many friends that sent cards, flowers and gifts, and especially the prayers that were said for me during my recovery from bypass heart surgery.

I also want to thank friends that have phoned

to wish me a speedy recovery. The day I arrived home from the hospital there was a large sign on my garage door, "Welcome Home, Clary." It was made by Joe Selden, and it really made me feel lucky to be back home in the Village.

Clary Morgan, V 7

TO BD OF DIRECTORS

We want to thank you for instituting the new rule and regulation governing smoking in the Recreation Center.

Your draft of this rule was intelligent and wise, and shows a great deal of thought and calm consideration was given in arriving at the final form. It is a practical solution which can be lived with by thinking, reasonable people.

We realize the difficulty in attempting to satisfy those on both sides of this sticky and sometimes sticky and sometimes emotional problem. Obviously, there is no perfect solution possible, but you have arrived at a great compromise which should allow the great majority of smokers and non-smokers in our Village to live together in relative peace and harmony - as friends.

In all the years of this controversy, yours is the first Board which has tackled the problem head-on and made a firm, official decision. We applaud

Security And Safety Notes

The City of Camarillo, in cooperation with our LV Security Department, has been conducting a survey of traffic patterns around Leisure Village. Preliminary data for the 7-day period during August indicated that 22,344 cars left the Village through the three gates and 23,096 entered. (We're still trying to figure where the extra 752 cars went!)

The maximum traffic volume seems to occur between the hours of 11:00 a.m. and 12:00 noon on Fridays. More in-

formation will be presented as the data are reviewed.

Max Moses, Chief of Security, was asked by the Camarillo Police Department if any LV residents would like to work as crosswalk officers during school hours. Call Senior Deputy John Hensen at 482-9844 during office hours if you are interested.

(Note: this is the first in a series of short articles about Security-related events in the Village.)

10:00 a.m. This John Zoller production is rated as one of the very best and we are looking to a large viewership.

The October Board of Directors monthly meeting will be televised live at 10:00 a.m. on Mon, Oct 3.

Several people have re-

cently volunteered to help. Dorothy Konecko with typing the "pages" as shown on Ch 12. With lots of holidays and vacations coming in the months ahead, one or two people who might be able to donate 2-3 hours several times a month would be welcomed by Dorothy.

WALKING OUT

Bully for Rob Karlin! I agree with his letter (ILV Aug 88), with a few modifications, and lustily join with him in his vehement protest against the lecturers on non-smoking and who then walked out when the subject was finished. I was attending on Ch 12. Then for a subsequent speaker to excuse these persons by saying "they were disheartened by what they heard."

In other words this is how religious persecution, racial discrimination and all the evils of unchangeable opinion stem. This world and the Village might be a more perfect

place if the LV Board said "no smoke" - but undoubtedly something else would take its place and once again some part of the group would have to be eliminated.

I am a reformed smoker and cannot tolerate smoke. My husband died of emphysema 6 years ago - not from the smoke of others but all by himself. I'm sorry for those who can't or don't want to quit smoking - but we can't all be so strong!

On Karlin's suggestions about Village repair, he is so right, but I do part company on the way it should be financed. I am sorry I did not vote for the use of the funds just sitting there making money for us and yet, it is just as well. I don't think all the projects have to be done at once and I also think it should be done out of Association fees.

I do want our property to be maintained. I have

observed rundown neighborhoods and I do not want to live in one and am willing to pay for keeping it up.

Today I looked up the word "friendly" in the dictionary...and I found "Amity, kindness, neighborly, close, familiar, cordiality and sociability..."

Mr. Webster must have been thinking of the people in LV when he wrote his Thesaurus.

How else could I describe the people — my friends — my good neighbors, people I love, who were so concerned for myself and Bill during and after my recent surgery.

My very special thanks to you all for your thoughtfulness and concern, for your wonderful cards and gifts and your support.

Many villagers displayed their work at the Ventura County Fair last month and garnered a number of awards in the competitions. This is a listing of those ILV heard about. There may be more to acknowledge.

Betty Murray won a ribbon for her handmade quilt.

Camera Club member won 7 ribbons, including Bill Stabler, Rankin McIntyre and Dorothy Levy winning in color prints; Max Klapperman won in black and white prints; Sam Weinstein and Dorothy Levy won with slides.

Five Gem and Mineral club members won awards: Bill Marshall, Indian jewelry and novelty jewelry; Ed Lyman, faceted stones; Bill Brown, faceted stones and gold jewelry; Haig Ayanian,

jewelry, handmade mounting with inlaid work; Kal Haber, hand made novelty jewelry.

We add our congratulations to these villagers.

Ruth and Jim Zupa of Village 6 can look back with pride on 8 years of exciting local community theater participation. After joining the LV Variety Guild in 1982, they started writing one-act plays for the Guild's monthly meeting. In the next five years they wrote, produced and directed five one-act plays in the Village.

In 1983 Ruth and Jim ventured out of the Village to put on a fundraiser for AMC. The play was "The Gin Game," superbly performed by Phil Aaronson and Ruth Zupa. In 1984 Ruth and Jim produced "Nuts" which was performed at the Camarillo Airport Theater. In 1986 they produced "The Rainmaker", and in 1987 they produced "Arsenic and Old Lace."

Currently they are producing for B'nai B'rith Camarillo Lodge the popular drama, "Inherit The Wind," which will be presented Oct. 14, 15, 21 and 22 at 7:30 p.m. and Oct. 23 at 3:00 p.m. in the City Council Chamber, Camarillo City Hall, Carmen and Ponderosa. **The Leisure
Village
Women's Club**

By Jeanne Carlson

The August meeting of Women's Club was one of the best of the year. There was a good crowd, a good Trading Post, lots of up-to-minute Bazaar plans, and Sandy Linka, Program Chm, outdid herself with a charming dance recital, "Travel Through Time," by the Pageant Dancers of Ventura.

President Kay LaPrell reminded all the members to sell and buy tickets for the Big Bazaar Drawing (get them from Doris LaPrell) and announced that the new benches bought by the Women's Club for the Village are now in place.

Gertie Dorward told of plans for the club to offer a cash award at the 1989 high school graduation to the student chosen for best all-around record

(not just academic achievement alone).

Dorothy Fencil, Bazaar Chm, described recent Workshop Activities. Connie Mayer, tireless worker, brought in a record number of items she had made — a baby blanket, 8 pairs of booties, and 4 baby sweaters. Dorothy Skuro brought in several attractive fashion sweat-shirts, and all the tables are working frantically to make more sales items.

The Nominations Committee reported that things were going well for so early in the year.

Looking ahead — Oct 6, next meeting, professional Fashion Show by Powers; Oct 15 THE BAZAAR!; Nov 3, Appreciation Luncheon and meeting (half price to members).

The program was performed by 12 dance students ranging in age from teeny to teen-ager. They were so talented and beautiful, glowing with

youth and health, that the members (those over 39) were struck with nostalgia and, frankly, a little envy.

Tap and jazz are the specialties of the Pageant Dancers. The choreographers are certainly to be complimented for their originality. The show opened with the smallest student doing a record-pantomime to "Makin' Whoopee." She was so

earnest in her efforts and so precise in her rhythms that she brought the house down.

The rest of the program followed with high spirits and high jinks — songs from the past — "Ma, He's Makin' Eyes at Me," "Varsity Drag," "Ramblin' Rose" were a few. The costumes were as bright and beautiful as the dancers. Thank you, Sandy!

**Thanks, Guys,
From Women's Club**

It is amazing how many men get involved in the Bazaar and the Women's Club would like to thank them. First, all the "Sawdusters," who make such beautiful wooden items for sale - Carl Sparks, Ed Joy, Joe Seldon, Clary Morgan, Bill Stabler - are just some of them.

A good many men get mixed up with Trading Post too. Fred Dorward, Roger LaPrell, Harold Keeler are always there and provide a lot of muscle - badly needed.

Others are Carl Carlson who contributes items he makes to the Boutique, the crew of Ch 12 under the leadership of Gerry Sills, and don't forget Tom O'Brien who often gets into the kitchen clean-up.

Thank you, gentlemen!

Help With Your Cost Of Living

By Rolland Barbeau
FOOD SHARE can help with your "cost of living." Because of inflating prices at the supermarket as well as everywhere else, including L.V. Association fees, fixed incomes do not go as far as they once did.

Food Share distributes food every week in L.V. to those less fortunate who could use a helping hand. It is sponsored by Your Neighbors Care Group and is absolutely confidential. Please don't hesitate to call us if we can help. You need not even identify yourself to get any information you want.

We have plenty of food available. Please call Valerie Barbeau at 482-6114.

LV EXERCISE GROUP

By Shiprah Maller

The LV Exercise Group has been growing in leaps and bounds. Whenever a new face appears and we inquire as to what brought them out, invariably the answer is "Ch 12." We want to thank the staff of Ch 12 and also the ILV newspaper for the cooperation that they have given to us.

Join us at poolside Mon-Fri from 8:30-9:00 a.m. Plans are being made for another group breakfast which proved so successful in the past.

In the very near future the Exercise Group will have a visit from Sue Chambers, R.N. of Pleasant Valley Hospital Cardiac Rehabilitation Dept. who is the originator of the stretching exercises that are performed by our group.

GARDEN
CLUB

By Madelyn McKean
Dana Abercrombe entertained and instructed the Garden Club Sept 7 with a presentation including slides showing the work of the Petoseed Co, an international hybrid seed company headquartered in Saticoy. Their speciality is vegetable seeds which are designed to produce almost any superior characteristic desired. Their scientists strive to accommodate all varieties of climate throughout the world, from drought to ideal. They are particularly proud of the many seeds which produce disease resistant plants. Commercial growers find them most useful.

They have developed a seedless watermelon, a purple pepper, a yellow tomato, and the Celebrity tomato, "the very best" red tomato in the world. Near unbelievable amounts of hand pollinating are done in Central and South America and Asian countries where the labor costs are less. Millions of growing acres throughout the world produce their seeds.

On Oct 13, Bernice Knebel will help us to get a head start on the holiday season by presenting "Holiday Decorations". Included are items for tables, walls, and doors, as well as how to spruce up any decorations from last year, and using and reusing candles. The time is 9:30 a.m. for refreshments and 10:00 a.m. for the meeting in the MPR. All Villagers are welcome to this timely and delightful presentation.

WATER FACTS - A shower takes up to 15 gallons of water per minute; tooth brushing uses 10 gallons, one dishwasher load uses 15 gallons. Conserve when you can.

What is TEL-MED?

Camarillo Health Care District's Tel-Med program is a library of health information tapes. The library consists of 125 tapes, each 3 to 5 minutes in length, covering a wide variety of health matters. The purpose of the tapes is to provide callers with accurate information and aid in early recognition of the signs of illness. The tapes do not take the place of a personal physician, diagnose an illness or serve as emergency treatment.

How to Use TEL-MED?

Review the tapes listed below. Select the tape you wish to hear. Then, simply call the Tel-Med number, (805) 484-2797 and indicate your selection by pressing the buttons on your telephone. Tel-Med callers remain totally anonymous. There is no charge for Tel-Med.

When to Use TEL-MED?

The Tel-Med library is open 24 hours a day, unless you have a rotary dial telephone. Assistance for rotary dial telephones is available weekdays from 8:00 a.m. to 4:30 p.m., excluding holidays.

C-Span Drive Over The Top

Photo by Stabler

Last November the Village received word that C-SPAN would move to a new TV satellite which LV did not receive. An additional dish satellite was needed, but there was no money in the LVA budget for this unexpected expenditure. Harry Becker, V. 28, proposed that the Board authorize the collection of contributions to reimburse the Association for the new C-SPAN connection. A favorable response resulted in Becker getting the job. With the help of Ed Salzer and a committee of volunteer solicitors, Becker made many phone calls to Villagers and clubs. The drive was so successful that Becker presented a check at each Board meeting, and stretched the fund drive to include C-SPAN 2. The committee collected a grand total of \$4,053.59! At the September Board meeting Becker presented the final check to Board member Art Wilson, the occasion pictured above. Everyone involved thanks the Board, the solicitors, the many clubs and individuals for their support and generosity. C-SPAN 1 (congress) is received here on Ch 20, C-SPAN 2 (senate) on Ch 23.

At the Sept. meeting of the Sawdusters Club, Dan Davis gave a most interesting talk on "Practical Home Repairs and Improvements." Subjects touched on included the use, sharpening and care of various tools, patching of drywall, how to find wall studs in our walls, safety with regards to electricity, hanging doors, etc.

In our "Show & Tell" portion of the meeting, George Mustaparta demonstrated a miniature steam generator which he built. It worked like the real thing - steam, lights and all. Robert Servis showed a very functional "built-in" kitchen working table with a pop-up spice rack, all designed and built by him.

Our next regular meeting will be held on Thurs. Oct. 6 at 2:00 p.m. in the

MPR. We are privileged to have as our speaker Doris Howard, a professional woodcarver, who at present is teaching woodcarving at the Simi Valley Senior Center through the Simi Valley Adult School Program. Doris is a former teacher and Jr. High school asst. principal who took up woodcarving about 20 years ago.

She states: "It started as a hobby and now is almost compulsive." She is a founder and charter member of the Simi Valley Woodcarvers chapter of the California Carvers Guild, and teaches carving to new members of the Guild. At present nine Leisure Village residents are in her classes at the Simi Valley Senior center.

Her talk is titled "Woodcarving - the development of a hobby". She will show how to develop and finish a carving from a block of wood. We look forward to her presentation. All villagers are invited to attend on Oct. 6.

Swing Disco Jazz Dance Group will host the Harvest Moon Dance Sat, Oct 1. Emcees for the evening's event will be Don and Ginny Womack.

In the absence of the vacationing Abdelnours on Sept 17, assistant directors Henry Carfagna and Paul Kelwin will carry out the hosting duties for the Swing Disco Jazz Dance Group's Autumn Leaves dance.

Emcee Irv Dubin really took us across the border Sept. 3 at the South of the Border Dance with his vocal and harmonica rendition of Cielito Lindo. Latin dancing was the highlight of the evening. The Anniversary Waltz was led by David and Beatrice Robbins, who celebrated their 52nd wedding anniversary with us. Congratulations, David and Beatrice, and many more happy years together in good health and much happiness.

Swing Disco Jazz Dance Group is approaching the eighth year of bringing fine dance music to the villagers, and will celebrate the occasion Nov 5. Cake and champagne punch will be in order on this festive evening. Plan to come, admission is \$1.00, payable at the door.

A lovely picnic was enjoyed by members of the Dance Workshop in August in the LV picnic area. Pres. Trudy Orsan thanked all of those who helped with the picnic, with special thanks to Marguerite Abdelnour for the beautiful fitted tablecloths she made for the picnic tables. Thanks to Ed Abdelnour for his musical contribution. Several of our members performed dance routines led by dance instructors Marguerite Abdelnour, Tom Endo, and Rhoda Smithkin.

After 6 years of waiting and inaction, the Billiard Club purchased from its own limited funds additional chairs. This helps alleviate the chronic shortage of seating and makes available 4 chairs at each table: a group of 3 plus 1 loose chair. We hope that there will be no more dragging chairs from one end of the room to the other.

We need morning players! Between the hours of 8:00 a.m. and 12:30 p.m. there are always available tables. At present, the billiard and snooker tables and 2-3 pool tables are

After lunch, our music director Piff DeSimone checked everyone out for sound with their instruments, a few at a time, then seated them accordingly. We are looking ahead toward bigger and better accomplishments, with Piff directing, and Selma Simon, our talented pianist, always ready to play any music that comes along.

Our Annual Dinner is coming up in December. Be sure to buy your tickets soon, as seating will be limited. We've worked out a deal at a very reasonable price with the restaurant with no skimping on anything. Non-member guests will be welcome but only members and their spouses will be entitled to the special price.

From now on, there will be no more cancelled meetings. Please attend. You may become a winner of a valuable lottery ticket or special door prize. To win, you must attend meetings.

VISION LIMITED

By Florence Block

What a talented entertainer! Esther Robbins in her own inimitable way entertained at the Vision Limited September meeting. Her rendition of two original monologues, both so humorous, was flawless. Her reading of a letter written by her sister brought tears to everyone's eyes. Thank you, Esther, for an enchanting afternoon.

Next meeting will be Oct. 3 at 1:00 p.m. in the new room next to the Ch 12 studio (notice change of room). Guest speaker will be Tia Perlman. Everyone is welcome. Call 484-5838 or 482-7085.

Musical theme of the September Organ Club meeting was "Latin Tunes." Theme for the Oct. 28 meeting will be "Old Favorites."

All keyboard players in the Village are urged to join the Organ Club and to play for each other at the meetings. Prior to the music, a short business session will be held.

Members may sign up at the meetings for practice time in the AR on the second and fourth Monday mornings. This is good preparation for playing at the meetings.

As the L.V. Bowling League starts its new season with 26 teams, we are looking forward to a fun filled and successful year.

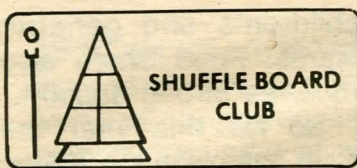

With the addition of a large number of new members to the League, it was necessary to rearrange all teams so total averages were as closely matched as possible.

Regretfully, we were unable to place everyone that signed up on teams for now, but don't despair, you will be used as substitutes until a vacancy occurs.

Throughout the year, there are usually dropouts because of personal reasons or illnesses, so hang in there and if you want to bowl regularly, you no doubt will get the opportunity.

For those bowlers that were with the same teammates over the years and were reluctant to change, you may find making new friends is pretty special. We have!

Don't forget, all bowlers who know they will be absent, please contact your Captain, and he or she in turn will contact Syd Weinberg to get a sub for you.

Shuffleboard Club held its annual BBQ-picnic on Sept 8 and it proved to be a huge success. We thank Ben Garman, Al Sullivan, Sid Friedman and Irv Lowe, all who took turns at the grill, and our women members who served the food.

The highlight of the event was when Louise Colbert, our tournament director, announced the results of the Aug 25 tournament. Awards were presented to Will Schreiber and Elaine Dorff for first place; Hal Hughes and Gladys Gray took second place honors, with Mildred Harris and Mary Decarlo finishing third. All contestants were awarded lottery tickets.

Bee Schreiber, membership chairperson, announced the signing of seven new members; Dave and Beatrice Robins, Irv and Bea Lowe, Harold and Trudy Wolpa and Maury Weinberg.

Once again we invite all villagers to participate in our organized play sessions held on Mon-Fri at 9:30 a.m., Tues and Thur evenings at 7:15 p.m. and Sat and Sun at 2:00 p.m. Qualified instructors are always present.

Next meeting of the Racquet Club is Oct 10, 7:30 p.m. in the AR.

"An Evening with the Stars" is looming on the horizon on Oct 20 with champagne, dinner, dancing to a live band, prizes, fun with friends...just a small sampling of the enticements for the sum of \$13.50 per person. Cut-off date is Oct 10. Check Tennis bulletin board for details.

We certainly don't want to forget Oct 22 "The Offspring Challenge (Paddle & Tennis)" and the Picnic in the Park (LV's park). Sy Wyler is going to feed us again and you know how yummy that can be!

Tournament winners for the Aug 18 Paddle "Partnership Tournament" were Woolf Phillips and Yvonne Morgan; Jerry Banchik and Kay Bell; George Lampkin and Wanda Saari. The Aug 25 Tennis Tournament winners were: Lou Mickelson, Alma Burnett, Max Farber; tie: Guy Moshier and Al Zelmon; tie: Harry Lambert and Ernie Slobotsky; tie: Al Green and Roy Podors.

October dates to circle: 10, 20, and 22. Your club will be looking for you!

By Jack Whalen

August was a busy, busy month for male golfers. The Scotch Twosome, early in the month, found Henry Heller/Floyd Case team taking top honors with George Dennis/Francis Cronyn taking second.

Regulation golf at Buenaventura saw Harvey Shirk with low gross, with George Nolte taking Flight B honors and Ted Rose with low gross in Flight C.

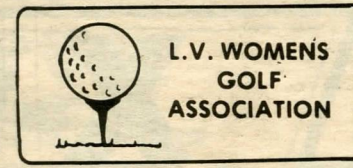

Low net winners that day were Ross Houser in A, Al DeFusco in B and George Dennis in Flight C.

The last Sunday of the month, in mixed couples golf, found Ike Abrams with low gross while Alan Bruce took Flight B honors and there was a tie in C between Charlie Kent and Bob Fornes.

Low net honors for the day saw Jack Kassel in A, June Niles in B and Jack Barber in Flight C.

What may have been a first in LV history occurred recently when a husband-wife team took top honors in low gross in their own weekly play. Recently, on a Tuesday, George Kroll took top honors with a 59 and the next day during ladies play, Alda carded a 62 to lead all golfers. Congratulations are due the Krolls!

Officers of the Men's Golf Club and volunteer starters are disturbed over the number of "no shows" and "late shows" during the quarterly Two-Day Mixed Scotch Twosomes. While the violators are few in number, they do cause lots of problems in setting-up teams. Let's all try to keep the starters free from extra work by being there 20 minutes ahead and/or letting someone know when you must cancel.

By Betty Bruce

The Women's Golf Assn. enjoyed a delicious barbecue on Aug. 17 after the Scotch Twosome golf tournament. Our hostess, Audrey Zhe, is to be complimented for a super job. Sincere thanks go to the many volunteers who worked very hard to make it a success. The wonderful music was an added attraction which we all enjoyed.

The 1st place winners in the Scotch Twosome were Ellen Moore and Charlie Bellante with a low net of 48½. Marie Bremberg and Roy Zhe tied with Lindsey Merrill and Carl Santangelo to finish in 2nd place with 50½. Dorothy Zukerman, our historian, took pictures of the winners.

There were lots of "no shows" and "late shows" at the Scotch Twosome. This presents a problem for the starter. Please let him know ahead of time if you can't play. Also come early so he knows all your group is there.

The M/W golf tournament held Aug 28 was fun, as always. The 19th hole party was delightful. We truly enjoyed the beautiful Hawaiian dances performed by Grace Back, Tess Kueffer, Irene Marstella and Mike Mancusi. Also Donna Duke shot a blazing 51 gross. The low gross honor has been held for almost 8 years by Dorothy Caster with a 55. Congratulations, Donna.

Mixed Couples golf and picnic will be on Oct. 18 and 19. Medal Play tournament starts Oct. 26.

New members who joined within the last three years, please come to a "Friendship Tee" in the MPR, Thurs Oct 6, 1988, 11:30 to 1:30. Sign up sheet is in women's window at the Golf Shack.

Camera Club members have been active during the summer months with meetings and participation in the Ventura County Fair. We submitted 34 prints and 13 slides in various categories at the fair, which had a large photography exhibit.

LV Camera Club members received a total of seven awards as follows: in the color print groups, Bill Stabler won a 2nd

award, Rankin McIntyre a 3rd award with a 4th award to Dorothy Levy; in B&W prints, Max Klapperman won a 2nd award; in the slides, Sam Weinstein won a first and a 5th, with Dorothy Levy a 4th. We congratulate ourselves!

Photographer Dan Murphy was our speaker at a meeting late in August. His discussion covered the use of flash to aid in good portraiture, the best use of various types of film, and how to sell pictures. He illustrated his points with a slide show.

Early in Sept. our monthly competition was

about "trees." Marion Sevren was first with a lovely shot of a tree branch with a shadowy copy behind it. Dorothy Levy was second with a view of Conejo Mt. back of a slim eucalyptus tree and a third was a beautiful picture of the leaves of a tree screening a scene, by M. Lefkowitz.

Our next competition will be on Oct 5 when our subject will be "action." There is always something to see and to learn at our meetings. If you are interested, be sure to come.

I stand behind my work. I've been working on cars for over 25 years, and have found that the greatest need of a client is to be confident that the problem will be fixed properly the first time. save. You may even discover a rhinestone cuspidor!

And then the drawing! Better than quick-picks. This will be at 4 o'clock but you need not be present to be a winner. A \$1.00 ticket gives you a chance on the following: 1st prize, \$300 cash; 2nd, \$100 cash; 3rd, hand-made afghan; 4th, toaster-oven, 5th, dinner for two at Ellington's Restaurant.

The best part of the Bazaar is the fact that everybody gains -- nobody loses. This is because Women's Club turns the profits right back into assistance of all kinds. The funds are devoted to Village improvements, community involvement, and local charity -- particularly for children and seniors. Two of the standard gifts are always made to Tony Lamb's Senior Survival organization and the Camarillo State Hospital,

children's and geriatric wards. Food Share also receives strong support.

So far this year the Club has given the Village a new chlorinator for the swimming pool (badly needed) and a new terminal for the computer in the Business Office. It has also helped Ch 12 and C-span.

Community involvement has included help with the Christmas Parade, the Bicentennial celebration, and the Camarillo Historical Museum. The Foster Children's auxiliary is another pet of the club.

But this is only the beginning. As soon as Bazaar results are evaluated, more funds will be contributed.

Women's Club realizes very well that the success of the Bazaar is due to our wonderful loyal customers. Couldn't do it without you! Many thanks to you all from everyone in the club. Please come and join us on Oct. 15.

Book review did not meet in September but will be back in action Mon, Oct. 10, 10:00 a.m., GR. Program will be two books by Ardyth Kennelly - "The Peaceable Kingdom" and "Up Home". If you enjoyed such a gentle book as "Friendly Persuasion" you will enjoy reading about turn-of-the-century days in Utah and the problems of polygamy from the point of view of the women involved - very funny.

Book Review is always open to suggestions for programs. If you have some book in mind, please let us know. We are not a club - no officers, no dues. Everyone welcome.

The Leisure Village Orchestra is advertising in local, outside-the village publications that we are having auditions for musicians, particularly wind instrument players. We would prefer to keep the orchestra all-village, but this, apparently is not possible, so we will welcome "outsiders." If you have any musician friends, please urge them to come.

Director Don Holmes took a 2 week vacation early in September, and our principal flutist, Connie Andrews, conducted the orchestra during that time. From what I hear, we may swap jobs. One number we are working on is "Fiddle Faddle," by Leroy Anderson. As the title suggests, it is a violin show-off piece. Not happy with that, though, our concertmaster Seth Cary arranged it for full orchestra - a mind boggling project - and so everyone has to work. You've heard our "Orange Blossom Special"; someday we'll play "Fiddle Faddle" for you - maybe both, if the violins hold up.

And speaking of playing for you, if you are passing by the MPR when we are rehearsing, please feel free to stop and listen. If you have a moment, you are welcome to come in and sit with our Librarian, Zo Simmions. Just remember, these are rehearsals, and there will be rough spots, particularly when we are reading a number for the first time. But come and listen and urge your musician friends to join us. 7:00 p.m. each Thursday in the MPR.

VILLAGE SWINGERS SQUARE DANCE CLUB

By Romaine Lambert
The Village Swingers Square Dance Club is conducting a Membership Drive. To qualify for membership a couple must live in the Village and be able to dance at Plus Level. Prospective members must attend three dances and their level of dancing must be approved by the Membership Comm. If approved, the Committee will submit their names to the Board and recommend membership.

Being a member of the Village Swingers has many advantages. A member may take part in all special events such as pot-lucks, the annual picnic, and trips out of the Village to other Square Dances, and, of course, the privilege (?) of holding office. It also has obligations, such as attending the weekly dances regu-

larly and participating in kitchen duties periodically. If a member loses a spouse, the surviving member may retain membership.

All of the Swingers' dances are open to any qualified Villager, and the admission price is the same as for a member, \$2.00 a person. Non-member villagers and guests are welcome.

Dancers accepted for membership receive a Swingers Badge and are given a copy of the Club By-laws, which should be read carefully. At present, the Board is stressing the need for all old members, too, to be acquainted with the by-laws. They were composed by a committee of members well-versed in Square Dancing and Square Dance Club rules, and have served the Club well for over a decade. If each of us had made ourselves more familiar with them, a recent unpleasant and embarrassing incident could

First V.P. in charge of Programs is Ruth Acker who arranged special entertainment for September in the form of a Fashion Show. The beautiful clothes were modeled by our own Swingers Joan Guhl, Suzanne Stern, Ruth Acker, Fran Gunningham, Bernadine Nelson and Mae Wagner, all of whom performed like pros.

It is to be hoped that Bill Kramer has not sung himself out after an All Singing Call dance last month, because he is game for another on Oct. 18. Gary Dane will be guest caller for the Halloween Costume Dance on Oct. 25.

Tell your friends: one doesn't have to be a member to be eligible for the jack pot at the first dance of the month. Any dancer present during the last dance might win. This is new.

Thanks are due to Vern and Ruth Brown for coming to the rescue in taking over the vacant position of Second V.P., sharing with Al and Dottie Sickels the responsibility for the kitchen.

**HAPPY
HOOFERS**

By Vi Cohen

The Happy Hoofers are moving on with new officers at the helm. We recently experienced a very stimulating 1½ hours of learning a dance routine from Marc Reina, a charming, talented young choreographer. The dance studio was a hub of excitement. Now, all we have to do is practice it, polish it and, we hope, perform it for you in the not too distant future.

These hot, humid days may have dampened our bodies, but not our spirits. We look forward to each practice session with much gusto.

**VILLAGE
PLAYERS**

By Irwin Steinhart

Village Players met Sept 15 in the AR and were brought up-to-date on the rehearsal progress of our upcoming November presentation of "The Solid Gold Cadillac." The names of all participants, both on and off stage, were announced.

John Fahringer directed another amusing play in the "Ethel and Albert" series. It was delightfully acted by two comparative newcomers to the Players, Lorraine Kaplan and Ed Pollaire. Their talent ensures that we will be seeing more of them, and soon.

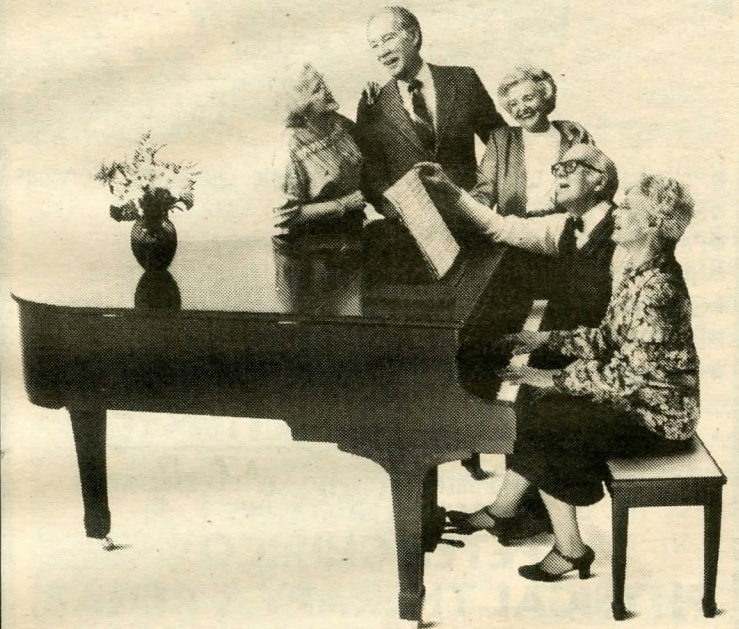

**GEM AND
MINERAL
CLUB**

By Don Holmes

This year for the first time, members of the Gem and Mineral Club entered competition at the Ventura County Fair, and walked off with an impressive group of first places: William Marshall, Indian jewelry and novelty jewelry; Ed Lyman, faceted stones; Bill Brown, faceted stones and gold jewelry; Haig Ayanian, jewelry, handmade mountings with inlaid work; Kal Haber, handmade novelty jewelry.

Kal Haber is also organizing the Annual Show and Sell, to be held during the Leisure Village Anniversary on Oct. 15.

*I traded a house full
of empty rooms for a
life full of friends.*

It was lonesome rattling around in a big empty house. And getting out to shop meant depending on busy people to drive me. Still, I was reluctant to think about moving.

Until my Bobby and his wife found Hillcrest Inn and took me to see it.

So here I am, in a luxurious building with my own apartment. I still have my independence. Only now I have lots of happy, healthy friends and wonderful activities to share with them.

Maid service is included and they serve three delicious meals in an elegant restaurant setting. It's delightful to be around the young people who serve us: they're so helpful and cheerful. There's also a beauty salon and a chauffeured van to take me shopping and to my doctor appointments.

And the kids have peace of mind knowing that there are the latest security and safety systems and caring staff to help me if I need it.

The surprising thing is it doesn't cost me any more to live here than it did in my old house.

They say it's a new idea in senior living. For me, it's a lifesaver.

If you're a Senior or a concerned family member, why not be our guest for a complimentary lunch or Sunday Brunch and tour?

VARIETY
GUILD

By Ethel Goldfarb
Installations can be fun! The meeting of Variety Guild in September proved to be a gala night with tables set festively, organ music in the background and an air of excitement. With a flare for humor, Roie Beck presented the new officers: Pres Robert Freedman, Exec VP Jackie Solway, 1st VP Miriam Hasen, 2nd VP Ethel Goldfarb, rec secy Anne Wolfson, treas Herb Schmidt, and corr secy Erma Hopkins.

Piff DeSimone, in elegant Siamese costume of "King and I" vintage, added to the presentation. Outgoing Pres Joan Johnson was honored with a much deserved "thank you" and an unusual gift. Irv Leeds, exec director of the upcoming show "Guys and Dolls" (May 3-7) gave a briefing on audi-

tions in November, with many parts to be filled.

Kay Avery, Tuptim in the "King and I", is a new bride. Lucky man is Tony Gregg.

After all the formalities and goodies there was organ music by Harold Wickham, Roie Beck, Piff DeSimone and Jules Nay-fack, which added to the evening's festivity.

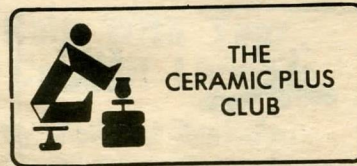

Oct. 13 meeting, hosted by "First Lady" Hilda Freedman, will feature photographer Bob Novick playing the ukelele, and then some.

TRADING POST

It is amazing how loyal the Trading Post workers love that hot, hard work. It is their favorite place to work because they always enjoy seeing what items come in - everything from apes, to grapes, to cassette tapes.

THE
CERAMIC PLUS
CLUB

By Don Holmes

The September meeting of the Ceramic Plus Club was a "Show and Tell" by club members, who showed off the work they had done in the past year. Plans were made for the annual sale, which comes on Saturday, Oct 15 this year, and will be held in the Ceramic Shop.

Gil Chuck showed his film on the Delft Holland Ceramic works, where they make the famous blue "Delft-ware." The blue color is actually black before it is fired. Gil's film included the sculptures by Figeland in Oslo, Norway, and Carl Mills work at Millesgarten, Stockholm, Sweden. Gil took all the pictures on a recent trip to Europe.

Irma showed samples and told the club of the new "Lusterware" glaze she has found. Since it has an unpleasant smell, she recommends using it on a day that few others are using the shop, or doing it at home.

Future activities: the club is hoping to have a trip to some place of ceramic interest, and is planning for the Art Show for Nov 6. The club now meets in the MPR every fourth Thursday at 10:30 a.m.

Village Painters

By Marion Jayne

Next meeting for the Village Painters will be Wed, Oct. 5 at 1:00 p.m. in the MPR. Members may bring paintings for critique. Plans for the November Art and Craft Show will be discussed. Nominations and ideas for 1989 will be discussed in open forum.

Painting assistance is available after the meeting.

Variety Guild Names Cast And Staff For Fall Production, "Solid Gold Cadillac"

By Irwin Steinhart

Starting Nov 9 the Village Players will perform a public service by presenting the charming comedy, "The Solid Gold Cadillac." It may seem odd to describe our Annual Fall Show as a public service, but look at it this way. Instead of buying several Lottery Tickets, invest that money in a ticket to the "Solid Gold Cadillac" and you will learn in a delightful step-by-step procedure how to buy only ten shares of a major stock and gradually increase your leverage until you control one of the largest corporations in the United States. Follow these simple and perfectly legal procedures that we demonstrate before your skeptical eyes and we will

soon have to decrease our Village 25 mph speed limit because our roads will be congested with the new Solid Gold Cadillacs owned by our newly affluent villagers!!!

After appearing in "Majority Of One" and "Second Time Around" our L.V. luminary-par-excellence Ruth Smith retired because there were no new thespian heights to scale, but she has been enticed into returning to our stage to once again intrigue you, this time as the star of "The Solid Gold Cadillac." Edythe Fahringer will direct the rest of the mountebanks assembled for your delectation, here diplomatically named in order of appearance: Margarete Nayfack, Larry Sawyer, Jules Nav-

fack, Herb Schwartz, John Fahringer (The King And I), Blanche Follen, Oscar Kane, Helen Gold, Irving Leeds (My Fair Lady), Dorothy Karlin, Caroline Cohen, Lorraine Kaplan, Edith Schwartz, Erma Hopkins, Miriam Cooper, Sylvia Altes and Sid Weltman.

Lurking behind the scenes will be found Irv Weiss, Bernie Solway, the Beardsley & the Merrills, Al Pachter, Jackie Solway, Ruth Weiss, Ben and George Schonberg, Sandra Weisbrot, Sylvia Streisand and others. Irwin Steinhart will officiate as head goffer and foot producer.

Seating in the AR has been reduced, number of performances has been increased and all seats will be reserved.

Wonderful Woodshop Workers

By Betty Murray

It would be hard to name a club, group, or an area in L.V. that has not received benefits from the Woodshop. Members of the Sawdusters Club, interchangeable with the Woodshop Committee, should be dubbed Helpful Henrys, Good Sams, Messrs. Good Wrench, or likened to the Shoemaker's elves of fairytale fame, when it comes to enumerating their good works.

Without exhausting the list of accomplishments, here is a partial survey of their projects:

Association Office: cabinets in reception office, file cabinets for Security. George Mustaparta, Carl Sparks.

Recreation Center: glass display cabinets in Atrium, bulletin boards, Assn. dues box, glassed display cabinets in hall at east end of Rec. Center, key cabinet in office. Joe

Ferrar, Irv Feldman, Guy Caraccia, Len Anderson, Bob Bell, Harold Peder- sen, Joe Selden designer.

Library: locked cabinet for rental books (Mustaparta and Sparks), newspaper rack (Selden).

Assembly Room: extension of stage in cooperation with Stage Crew.

Organ Club: Joe Selden made the portable mirror which is fastened atop the new Theater Organ.

Orchestra: large cabinet on sturdy casters to store music stands, etc. Selden, aided by Judge Lewis Drucker.

Women's Club: Carl Sparks and others made numerous items sold at the Bazaar, profiting over \$1200 in 1987.

Swimming pool: Bernie Solway supervised making back boards for rescue purpose.

Billiard Room: cabinets in closet, Leonte Read; cue stick cabinet, Dan Davis.

Ceramic Room: shelves, Al Pachter.

Shuffleboard Area: storage area partitions for Players and Variety Guild, Dan Davis and volunteers.

Bocce Area: Guy Caraccia made plastic sides on course lanes.

Golf Clubs: bulletin boards, cabinets at Golf Shack (Guy Caraccia), Rules board, Roy Zhe made seed and sand boxes for each hole on course.

There is undoubtedly more. Every project is appreciated, and every Woodshop volunteer is thanked.

With infinite patience, Woodshop workers have helped individual homeowners, single women who needed something built, and cut boards for people who have no equipment at home. They have served unselfishly to help Villagers who can't help themselves within the scope of Woodshop functions.

It is impossible to estimate the monetary value of the work these people have done. It is only justice to give credit and thanks for making things handier, more attractive, efficient, and better than they were. We salute the genies of the Woodshop.

At the same event, Auxiliary Bishop Patrick Zieman of Santa Barbara will install Father Liam Kidney as founder pastor to serve some 870 families.

We're NewAmerica Savings ...the only locally-based savings & loan in the area!

We want you to make us your personal financial center, and we're hoping to win you over with...

High interest. We always pay the highest possible interest on Money Market Savings, Certificates of Deposit, Checking Accounts and Jumbo Accounts (\$100,000 or more). We can do this, because as a relatively young institution, we're not burdened with old loans, non-profitable branches, and inflexible corporate hierarchy.

Safety.

We're already more than \$50,000,000 strong....and your savings are protected to \$100,000 by the F.S.L.I.C.

Flexibility. Since we're local, you can have "top management" decisions immediately. If you need a home loan, home equity loan, construction loan, etc., we can usually qualify you within 24 hours (subject to credit verification and property appraisal).

And extras. We're always looking for extra services to offer you. Check out our new free "Best-Sellers" lending library, for example. Also, we offer free safe deposit boxes (with minimum deposit), a convenient night depositor, and plenty of door-front parking at our office...

Friendliness. We're your home-town friends and neighbors. If extra-personal care and attention is the "tie-breaker" between us and a competitor, we know we'll be the winner!
