

OFFICE OF
WILLIAM RANDOLPH HEARST
LA CUESTA ENCANTADA
SAN SIMEON, CALIFORNIA

Nov. 9, 1931.

Dear Miss Morgan :

The Coast Highway people are going to put a bridge over the Arroya del Puerto, and they are going to build it and pay for it; but they thought we might want to design something which would be in keeping with the character of our little Spanish village.

If you do anything, it should be simple, of course, but something that would harmonize.

Sincerely,

*Location of Bridge
will be changed
highway is on route
so this held in abeyance -*
